A.  Processing applications:  Application processing requirements, timeliness and verification standards, procedures, forms, and notification requirements established for the NMW program are applicable to the RRP, unless otherwise noted.
B.  If there are children nineteen and under included in the household, the applicant's eligibility will first be determined in accordance with all NMW program requirements, procedures and policies.  If the applicant is not found eligible for NMW, eligibility shall then be determined under the RRP.
C.  Refugees are not required to apply for cash assistance in order to apply for medical assistance.
D.  For cash assistance applicants, only those sections of the form dealing with the following information must be completed:
   (1) identification and origin of the refugee applicants;
   (2) income and resources of the benefit group;
   (3) living arrangements; and
(4) statement of agreement and understanding of the circumstances under which cash assistance is granted, signed by the applicant.

8.119.110.9 REFERRAL TO OTHER AGENCIES:

A. Referral to sponsoring agency: The county office is required to notify the refugee's sponsor or local affiliate which provided for the resettlement of the refugee whenever a refugee applies for RCA. This requirement applies to new arrival refugees and to second migration refugee cases. In the event the VOLAG does not have a local affiliate for the latter cases, the VOLAG will be notified. A response from the sponsor is not required and workers should not delay an application for this reason. A current list of VOLAGs is available on the ORR website.

B. Referral to SSI:

(1) All refugee applicants and recipients who are 65 years of age or older, or who are blind or disabled, will immediately be referred by the county office to the social security administration to apply for SSI benefits.

A. Citizenship
   (1) To be eligible for inclusion in the RCA benefit group, the applicant must be classified as a “refugee.”
   (2) To be eligible for inclusion in the RRP benefit group the individual must provide proof, in the form of documentation issued by USCIS, of one of the following statuses under the INA as a condition of eligibility:

         (ii) any other national of Cuba or Haiti who was paroled into the U.S. and has not
acquired any other status under the INA; is the subject of exclusion or deportation proceedings under the INA; or has

(3) An applicant for asylum is not eligible for assistance under title IV of the INA unless otherwise
provided by federal law.
B. Time limits
(1) Eligibility for RCA is limited to eight (8) months from the date of entry, date of asylum, or date
deporation was withheld.
(2) For refugee assistance cases involving U.S. born children, the eligibility for RCA for the child
expires when the refugee parent who last arrived in the U.S. has been in the country for eight (8) months.
C. General eligibility requirements
(1) RCA eligibility is limited to those who are ineligible for TANF. The benefit groups’ eligibility for
TANF must be determined before determining eligibility for RCA.
(2) An individual who is enrolled full-time in an institution of higher education will be ineligible to
participate in the RCA program except where such enrollment has been approved as part of the individual’s
individual employability plan (IEP) and in which the enrollment will last for a period of less than one year.
(a) An individual is considered to be enrolled in an institution of higher education, if the
individual is enrolled in a business, technical, trade or vocational school, that normally requires a high school
diploma or equivalency certificate for enrollment in the curriculum or if the individual is enrolled in a regular
curriculum at a college or university that offers degree programs regardless of whether a high school diploma is
required.
(b) The enrollment status of a student shall begin on the first day of the school term. Such
enrollment shall be deemed to continue through normal periods of class attendance, vacation and semester breaks.
Enrollment status shall terminate when the student graduates, is expelled, does not re-enroll or is suspended for a
period in excess of thirty (30) calendar days.
(3) A refugee must provide the name of the resettlement agency which was responsible for his or her
resettlement.
(4) Possession of a social security number is not a requirement of eligibility for RCA.
As a condition of eligibility each employable member of the benefit group must complete, and comply with, an IEP with the contracted RSS provider. Failure to comply with the IEP may result in disqualification from RCA.

(3) As a condition for receipt of RCA a refugee who is not otherwise exempt, or does not demonstrate good cause, must:

(a) go to job interviews that are arranged by HSD, the contracted RSS provider, or the resettlement agency which was responsible for the initial resettlement of the refugee;
(b) accept at any time an offer of employment, determined to be appropriate by HSD, the contracted RSS provider, or the resettlement agency which was responsible for the initial resettlement of the refugee; and
(c) participate in any employability services program which provides job or language training in the area in which the refugee resides, as deemed to be appropriate by HSD, the contracted RSS provider, or the resettlement agency which was responsible for the initial resettlement of the refugee.

(4) The ISD office shall contact the local sponsor or resettlement agency to determine if the refugee has refused, within 30 days of application, an offer of employment or has voluntarily quit a job without good cause.

B. Appropriateness of placement:

(1) Employment placements must be within the scope of the individuals IEP; the plan may be modified to reflect changes in services or employment conditions.

(2) Services and employment must be related to the capability of the individual to perform the task on a regular basis. Claims, by the individual, of adverse effect on physical or mental health must be based on medical verification from a physician or licensed or certified psychologist;

(3) The total daily commuting time to and from home to the service or employment site must not normally exceed 2 hours, not including the transporting of a child to and from a child care facility, unless a longer commuting distance or time is generally accepted in the community, in which case the round trip commuting time must not exceed the generally accepted community standards.

(4) When childcare is required, the care must meet the standards normally required by the state for NMW recipients.

(5) The service or employment site to which the individual is assigned must not be in violation of applicable federal, state, or local health and safety standards.

(6) Assignments may not be made that are discriminatory in terms of age, sex, race, creed, color, or national origin.

(7) Appropriate employment placements may be temporary, permanent, full-time, part-time, or seasonal employment if such employment meets the other standards of this section.

(8) The service or work site must comply with all applicable federal, state, and local labor laws and regulations.

(9) The wage shall meet or exceed the federal or state minimum wage, whichever is applicable, or if such laws are not applicable, the wage shall not be substantially less favorable than the wage normally paid for similar work in that labor market.

(10) The daily hours of work and the weekly hours of work shall not exceed those customary to the occupation.

(11) No individual may be required to accept employment if:

(a) the position offered is vacant due to a strike, lockout, or other bona fide labor dispute; or
(b) the individual would be required to work for an employer contrary to the conditions of his existing membership in the union governing that occupation; however, employment not governed by the rules of a union in which he or she has membership may be deemed appropriate.

(12) In addition to meeting the other criteria of this paragraph, the quality of training must meet local employers' requirements so that the individual will be in a competitive position within the labor market; the training must be likely to lead to employment which will meet the appropriate work criteria.

(13) If an individual is a professional in need of professional refresher training and other recertification services in order to qualify to practice his or her profession in the U.S., the training may consist of full-time attendance in a college or professional training program, provided that such training:

(a) is approved as a part of the individual's employability plan by the state agency;
(b) does not exceed one year's duration (including any time enrolled in such program in the U.S. prior to the refugee's application for assistance);
(c) is specifically intended to assist the professional in becoming relicensed in his or her
profession; and if completed,
(d) can realistically be expected to result in such relicensing; and
(e) may only be made available to individuals who are employed.

C. Job offers: A job offer, if determined appropriate under the requirements of this section, must be
accepted by the refugee without regard to whether such job would interrupt a program of services planned or in
progress.

D. Failure or refusal to carry out job search or to accept employability services of employment.
(1) Voluntary registrants: Voluntary registrants are recipients of refugee cash assistance who are
exempt from registration for training and employment services. When a voluntary registrant fails or refuses to
participate in appropriate employability services, to carry out job search, or to accept an appropriate offer of
employment, the state agency, may remove the individual from the registry for up to 90 days from the date of
determination that such failure or refusal has occurred, but the individual's cash assistance may not be affected.
(2) Mandatory registrants: A mandatory registrant - i.e., an employable recipient of refugee cash
assistance who is not exempt from registration, who has failed or refused without good cause to meet the
requirements or has voluntarily quit a job, will be disqualified as outlined in paragraph G below.

E. Work requirements - exemptions
(1) An individual is considered employable unless he or she is a minor dependent child. A minor
unmarried parent, acting as a head of household, is not considered to be a “dependent child,” and is subject to
participation as an adult.
(2) Inability to communicate in English does not exempt a refugee from registration for employment
services, participation in employability service programs, carrying out job search, and acceptance of appropriate
offers of employment.

F. Refusal to accept or termination of employment
(1) Applicants: An applicant is not eligible if 30 consecutive calendar days immediately prior to the
receipt of aid, he or she has voluntarily quit a job without good cause, refused to apply for, or accept an appropriate
offer of employment, as determined by HSD. The dependent family of such an ineligible applicant may, however,
remain eligible for RCA.
(2) Recipients: An employable recipient must not have refused, without good cause, to go to a job
interview which is arranged by the RSS provider or have, without good cause, voluntarily quit a job, or have refused
to apply for or accept an appropriate offer of employment.
(3) Job search: An employable recipient shall attend job interviews, register for employment and
comply with the terms of his or her IEP. Termination of employment, by a recipient, shall only be with good cause.
Refusal by a recipient to fulfill the job search requirement, or termination of employment without good cause is
noncompliance.
(4) Good cause: Determination of good cause for noncompliance is made by the HSD case worker
and is based on the following documented circumstances:
(a) court required appearance or incarceration;
