3. **Tell us About the People who live with You:**

Please list everyone that lives in your household even if you do not want to apply for them. You only have to give U.S. Citizenship and Social Security Numbers for those household members that you are applying for. Remember that you do not need to be a U.S. Citizen to apply. Receiving SNAP/food, energy or medical assistance will not prevent you from becoming a lawful permanent resident or U.S. Citizen. Non-citizen immigrants not requesting assistance for themselves do not need to give immigration status information, Social Security Numbers, or other similar proofs; however, they must give proof of income and things they own because part of their income and things they own may count towards the household's eligibility for assistance. Certain benefits may be available for people without a Social Security Number; ask ISD. If needed, please use an additional sheet of paper for additional household members who do not fit on this page.

By accepting cash or medical assistance, you assign (give) HSD rights to collect child support from the child’s absent parent(s). You must help HSD find the absent parent(s) unless there is a good reason not to do so such as domestic violence; ask a caseworker. If it is decided that you have to work with the Child Support office to establish or enforce child support and you do not, cash benefits may be reduced and eventually lost, and adults may lose their medical assistance.

Please refer to the chart called, Examples of Proof as a general guide to help you decide which proof items you will need. If your caseworker has unresolved questions about your eligibility, you will be asked to give proof. Your caseworker will give you a list of everything you still need to give, along with a receipt for proof you provided. If you need help, ask your caseworker for help.

7. Non-Citizen Immigrant Eligibility

(a) What types of Non-Citizen Immigrants are eligible for HSD assistance programs?

For most programs, non-citizens must have a "qualified" immigrant status and meet certain other conditions to qualify. Most non-citizens in the following categories can get benefits if they meet all other program eligibility requirements:

- Lawful Perm. Res. (LPRs)
- Asylees
- Cuban Haitian Entrants
- Refugees
- Paroled to U.S. – 1 year
- Withholding of Deportation
- Migrants
- Veterans, active duty military
- Hmong or Laotian Tribe
- Certain: Battered women and children
- Canada/Mexico born Native American
- Human Trafficking Victims
- Certain non-citizens, including undocumented non-citizens may be eligible for emergency medical services including pregnant women’s labor and delivery.

(b) Is there a waiting period (bar) before non-citizen immigrants can get benefits?

The general rule now is that most qualified immigrant children are eligible to receive SNAP/food, Medical, Cash and Energy Assistance. However some "qualified" immigrant adults can get benefits after they have been in the United States in "qualified" immigrant status for five years, and some immigrants can get them right away. In general, adults in certain humanitarian immigration categories (such as Refugees and Asylees), people with military connections lawfully present pregnant women and children, credit for 10 years of work history in the US, and persons receiving disability benefits may be eligible right away.

8. After your Interview

(a) How soon will my application be approved or denied?

- SNAP/food – No later than 30 calendar days after the date of application, or expedited SNAP/food - 7 calendar days
- Medical – No later than 45 calendar days after the date of application
- Cash – No later than 30 calendar days after the date of application, or up to 90 days for General Assistance disability decisions
- Energy/LIHEAP – No later than 30 calendar days after the date of application, or shut-off/disconnect crisis – 48 hours

(b) If I disagree with the eligibility decision or benefit level, can I have a fair hearing?

Yes - If you don’t agree with a decision we make about your case, you can ask for a fair hearing in person, by telephone 1-800-432-6217 or (505) 827-8164, or in writing within 90 days of the date that a notice has been sent informing you of any action that has been taken on your case. Please mail your request to the HSD Hearing’s Bureau at PO Box 2348 Santa Fe, NM 87504. You have a right to look at your case file and any records HSD used to determine your eligibility before your hearing. You can ask a household member or someone else like a friend or relative to represent your household at the fair hearing. You also have the right to have an attorney or other legal representative at the hearing.

(c) From what date are my benefits calculated?

- SNAP/food – From the date you applied
- Medical – From the 1st day of the month you applied. You may be eligible for up to 3 prior months of Medicaid coverage.
- Cash – We will mail your payment to you one working day after the date HSD approves your application
- Energy/LIHEAP – From the date you applied

(d) How will I get my benefits?

- Medical - A Medicaid card will be mailed to you one working day after the date of approval.
- Energy/LIHEAP - Your payment will be sent directly to your energy provider 7-days from the date HSD verifies your account information with your energy provider. For a shut-off/disconnect crisis, HSD will call your energy provider to help you avoid shut-off.
- SNAP/food and Cash – HSD uses an electronic debit card system called EBT to give you your cash and SNAP/food assistance benefits. If you have never had an EBT card, an EBT card will be mailed to your address in one working day after the date you apply and after your application is registered on the computer. If your EBT card is delayed you may request a card from your local ISD office. You may call EBT Customer Service 24 hours 7- days/week at 1-800-843-8303 to order a replacement or activate your EBT card.

Each month your cash benefit will be deposited in your EBT account on the first day of the month. Your SNAP/food benefits will be deposited in your EBT account on the day of the month in the box below that lists the last two digits of the head of household’s social security number.

**Combined Schedule:** If you have applied for SNAP/Food assistance after the 15th day of any month and are approved for expedited assistance, you will receive your benefits according to the schedule below.

- You will receive your 1st and 2nd month’s benefits the day after your case is approved.
- You will receive your 3rd month’s benefits on the 1st day of the month.
- You will receive your 4th month’s benefits within the first 10 days of the month, depending on the last two digits of your SSN.
- You will receive your 5th month’s benefits within the first 20 days of the month, depending on the last two digits of your SSN. This will be your regular day of the month to receive your future SNAP/Food Stamp benefit.
How long can I get benefits before I have to renew them?

- SNAP/food – Up to 12 months is typical or 24 months for elderly/disabled households with stable unearned income such as Social Security
- Medical – Up to 12 months is typical
- Cash – Up to 12 months at a time is typical. Adults age 18 and over can receive TANF benefits for no more than 60 months during their lifetime, unless they qualify for a hardship extension after they reach the limit. A child living with a parent who is ineligible due to the time limit is ineligible for TANF as a child. The 60-month limit does not apply to cases where the children qualify for TANF and the parent is ineligible for a reason other than the 60-month limit, such as receipt of SSI or an unqualified immigrant status. The 60-month limit does not apply to medical or SNAP assistance.

(e) Do I have to report changes? Always report address changes within 10 calendar days for all types of assistance programs.

- SNAP/food and Cash - Changes in household members, monthly household costs, income/job and resources:
  Report these types of changes within 10 calendar days from the date the change happened only if:
  1. the change(s) will cause your case to close; or
  2. the change(s) will cause your benefits to increase

  - Semi-Annual Reporting: Most households will be mailed a semi-annual report where all changes must be reported and given to ISD.
  - Annual Reporting: Households that get fixed income like Social Security will be mailed an annual report where all changes must be reported and sent to the ISD office.
  - Regular Reporting: There are few households that have to report changes as they happen. These households must report all changes within 10 calendar days from the date the change happened.

- Medical – For Elderly and Disabled persons, report all changes within 10 calendar days. For families with children and childless adults, you only have to report address changes within 10 calendar days. All other changes will have to be reported the next time you renew your case.

(f) Will I have to take part in a Work Program?

- SNAP/food – Yes, unless you are excused or exempt, household members age 18 to 50 are required to participate with the SNAP Employment and Training (E&T) Program. You may request to voluntarily participate in a work activity through the E&T Program. Whether or not you choose to participate in the E&T Program will not affect your SNAP benefits. Participation provides you the opportunity to participate in a work readiness activity and you may receive support services and reimbursements. You may be contacted by the New Mexico Works (NMW) service provider. When you meet the following situations, you may be excused:

  - Caring for an incapacitated person
  - College student enrolled at least part-time
  - Employed at least 30 hrs/week or receiving weekly earnings = to the Federal Min. wage x 30 hours
  - Pregnant Women

  - Residing in a county with greater than 10% Unemployment Rate
  - Natural parent, adopted or step parent or individual residing in a SNAP household that includes a child under age 18, even if the child is not eligible for SNAP benefits

- Cash – Yes, all adults getting TANF cash assistance participate in the New Mexico Works Program. You will be contacted by the New Mexico Works (NMW) service provider. When you do not complete or report your work activity, you can lose some and eventually all of your cash assistance. This is called a sanction. The first time, we will want to talk with you to try and correct the sanction before it happens; this is called conciliation. A sanction will reduce your benefits in the following three ways:
  1st Sanction – 25% cash reduction;
  2nd – 50% cash reduction; and
  the 3rd – Case Closure. When you meet any of the following situations, you may be excused only after HSD reviews and approves your request to be excused.
