### Section 3: State Plan Development and Statewide Goals

**3.1. CSBG Lead Agency Mission and Responsibilities:**

Briefly describe the mission and responsibilities of the State agency that serves as the CSBG Lead Agency.

The mission of the New Mexico Human Services Department (HSD) is to reduce the impact of poverty on people living in New Mexico by providing support services that help families break the cycle of dependency on public assistance.

**3.2. State Plan Goals:**

Describe the State's CSBG-specific goals for State administration of CSBG under this State Plan.

The goals of the State of New Mexico CSBG program are derived from the Federal and State Statutes, and the mission of HSD. The CSBG program addresses the reduction of poverty, the revitalization of low-income communities, the empowerment of low-income families and individuals in rural and urban areas to become fully self-sufficient and afford everyone the opportunity to live in decency and dignity. To achieve these goals, the CSBG State Office will ensure that CSBG funds are used to provide a wide range of services and activities that have a measurable impact on the causes of poverty. More specifically for FY 2018 and FY 2019, the CSBG State Office goal is to provide support to the eligible entities (Community Action Agencies) so that all six meet all 58 organizational standards. The standards will ensure that the eligible entities have the capacity to deliver high quality service to low-income individuals and families in order to break the cycle of dependency.

The eligible entities and the state community action association were also informed of the public hearing scheduled at 10:00 am on August 10, 2017. The hearing was held in the Income Support Division Conference Room, 2009 South Pacheco St., Santa Fe NM 87507. There were no comments received or attendees at the public hearing.

**3.4b. Performance Management Adjustment:**

How has the State adjusted State Plan development procedures under this State Plan, as compared to past plans, in order

1) to encourage eligible entity participation and
2) to ensure the State Plan reflects input from eligible entities?

Any adjustment should be based on the State’s analysis of past performance in these areas, and should consider feedback from eligible entities, OCS, and other sources, such as the public hearing. If the State is not making any adjustments, provide further detail.

7.3. Distribution Process:
Describe the specific steps in the State's process for distributing 90 percent funds to the eligible entities and include the number of days each step is expected to take; include information about State legislative approval or other types of administrative approval (such as approval by a board or commission).

HSD implements CSBG by awarding four year professional services contracts, amended annually, to the six eligible entities in New Mexico. For each state fiscal year contract period (July 1st through June 30th) the CSBG State Office provides each eligible entity with its projected allocation of CSBG funds. Each entity then submits an application for funding within approximately 45 days of receiving its projected allocation. The application includes the following documents. 1. Signed Application. The Executive Director and the Board of Directors’ Chairperson must sign the application. 2. Community Needs Assessment and Community Action Plan. 3. Detailed line item budget showing all projected costs to be charged to CSBG. 4. Budget Justification: A detailed description of the projected costs for each line item in the CSBG budget. The justification identifies the resources and other inputs that will be used to provide the entity’s services. 5. Outcome Plan Form/Scope of Work: This describes the entity's results (outcomes and outcomes) using the National Performance Indicators (NPIs) of CSBG's performance measurement system. Results Oriented Management and Accountability (ROMA). The entity provides statements of problems for the service area, the program service (employment, education, emergency, health, housing, self-sufficiency, nutrition, income management, and linkages), program objective, the specific ROMA NPI that applies, and the type and number of units (meals, food boxes, bus tokens, individuals, households, partnerships, etc.) expected to achieve the indicator. 6. Client Eligibility Criteria and Application Process/Procedures: A description of the process for determining eligibility. The criteria should explain how clients with special needs are served (disabled, homebound, homeless, etc.) 7. The most recent Administrative Cost Report (IRS 990), 8. The entity’s non-discrimination policies. 9. Board of Directors Roster that contains the home addresses of all board members, appointment date, length of service, and the sector they represent (public, low income, or private). 10. The Bylaws of the Board of Directors. The CSBG State Office reviews the application and identifies any concerns to the entity. The budget, justification, and outcome may be revised. Review and revision take approximately 30 days. When finalized, the budget and outcome plan are incorporated into the professional services contract or amendment. The contracts or amendments must be approved within HSD and by other Departments, including the Department of Finance and Administration. Contract or amendment drafting and approval take approximately 60 days. Following the execution of the contract or amendment, and contingent on the availability of federal funds, compensation is by quarterly advance payments to eligible entities in good standing. The State plans to provide these quarterly payments within 30 days of distribution of the federal award.

7.4. Distribution Timeframe:
Does the State plan to make funds available to eligible entities no later than 30 calendar days after OCS distributes the Federal award? ☑ Yes ☐ No

7.4a. If no, describe State procedures to ensure funds are made available to eligible entities consistently and without interruption.
### 7.5. Performance Management Adjustment:
How is the State improving grant and/or contract administration procedures under this State Plan as compared to past plans? Any improvements should be based on analysis of past performance, and should consider feedback from eligible entities, OCS, and other sources, such as the public hearing. If the State is not making any improvements, provide further detail.

Note: This information is associated with State Accountability Measure 25a and may pre-populate the State's annual report form.

### 7.6. What amount of State CSBG funds does the State plan to allocate for administrative activities, under this State plan? The estimate may be in dollars or a percentage [193,387 $ (0%)](#)

### 7.7. How many State staff positions will be funded in whole or in part with CSBG funds under this State Plan? [5]

### 7.8. How many State Full Time Equivalents (FTEs) will be funded with CSBG funds under this State Plan? [2]

### 7.9. Does the State have remainder/discretionary funds? [☐ Yes ☐ No]

If yes was selected, describe how the State plans to use remainder/discretionary funds in the table below.

Note: This response will link to the corresponding assurance, Item 14.2.

For each allowable use of remainder funds in the table below (rows a through h), enter the State’s planned level of funding, if any, either in dollars or percentage, and provide a brief description. Activities funded under row a, training and technical assistance, do not require a description, as that is provided under section 8 of this State plan. Activities funded under rows b and c, are described under section 9, State Linkages and Communication, but a State may enter additional information in this table as well. The State must describe “innovative programs/activities by eligible entities or other neighborhood groups,” under row f, even if the State does not allocate discretionary funds to this activity. This activity is required by section 676(b)(2) of the CSBG Act, assurance 14.2 If a funded activity fits under more than one category in the table, allocate the funds among the categories. For example, if the State provides funds under a contract with the State Community Action association to provide training and technical assistance to eligible entities and to create a statewide data system, the funds for that contract should be allocated appropriately between row a and row c. If allocation is not possible, the State may allocate the funds to the main category with which the activity is associated.

Note: This information is associated with State Accountability Measures 35a and may pre-populate the State's annual report form.

10.2. Monitoring Policies:
Provide a copy of State monitoring policies and procedures by attaching and/or providing a hyperlink.

The Current monitoring tool is attached. This tool identifies the substantive areas evaluated by the CSBG State Office during its full onsite review. This tool has been provided to the eligible entities and is included in the Notice of Review that is sent to the eligible entity 30 days prior to the scheduled onsite review. During FY 2018, the State CSBG Office plans to revise the monitoring tool, with input from the eligible entities and the Association.

10.3. Initial Monitoring Reports:
According to the State’s procedures, by how many calendar days must the State disseminate initial monitoring reports to local entities?

Note: This item is associated with State Accountability Measure 4Sa(ii) and may pre-populate the State’s annual report form.

10.4. Closing Findings:
Are State procedures for addressing eligible entity findings/deficiencies and documenting the closure of findings, included in the State monitoring protocols attached above? ☐ Yes ☒ No

10.4a. If no describe State procedures for addressing eligible entity findings/deficiencies, and the documenting of the closure of findings.

The CSBG State Office currently defines eligible entity deficiencies as follows: 1. An Exception is a deviation from federal laws, state laws, contract provisions, agency rules or procedures, or CSBG policies and procedures that is resolved during the review. 2. A Finding is a deviation from federal laws, state laws, contract provisions, agency rules or procedures, or CSBG policies and procedures. A finding is not subject to negotiation and must be resolved through corrective agency action. The CSBG State Office will describe the essential components of the corrective action plan. The eligible entity will develop and implement the detailed plan. The CSBG State Office will review the entity's detailed plan and formally approve the plan if it sufficiently addresses the essential components. The State Office will notify the entity in writing of the approval and establish a future review date. At the review date, the State will notify the entity of the review and request documentation to evaluate the status of the corrective action plan. Based on its review of the documentation, the State Office will determine if the Finding is resolved. Depending on the results of its review, the State Office will determine if the corrective action plan has resolved all Findings and should be closed, or if another future review should be scheduled. The State office will notify the entity of the decision in writing, including the date of the future review, if applicable. In FY 2018, Year 1 of this State Plan, the State Office will add the following definition - A Serious Deficiency is a finding that the eligible entity is not in compliance with Federal or State Laws or eligible entity bylaws; or that the entity has committed fraud, is in financial difficulty, or is not able to provide services. A Serious Deficiency is more significant than a finding. A serious deficiency will result in the State Office following the federally established procedures for possible reduction or termination of funding to the involved eligible entity.

10.5. Quality Improvement Plans (QIPs):
How many eligible entities are currently on Quality Improvement Plans?
10.6. Reporting of QIPs:
Describe the State’s process for reporting eligible entities on QIPs to the Office of Community Services within 30 calendar days of the State approving a QIP.

Within 30 days of approving a QIP, the New Mexico CSBG Point of Contact will provide an official letter to OCS that reports the eligible entity.

10.7. Assurance on Funding Reduction or Termination:

Does the State assure, according to Section 676(b)(8), "that any eligible entity that received CSBG funding the previous fiscal year will not have its funding terminated or reduced below the proportional share of funding the entity received in the previous fiscal year unless, after providing notice and an opportunity for a hearing on the record, the State determines that cause exists for such termination or such reduction, subject to review by the Secretary as provided in Section 678(b)(1)"? ◐ Yes ◐ No

Note: This response will link with the corresponding assurance under item 14.8.

New Mexico Statutes §27-8-5

10.10. Does the State CSBG statute and/or regulations specify a process the State CSBG agency must follow to re-designate an existing eligible entity? ◐ Yes ◐ No

10.10a. If yes, provide the citation(s) of the law and/or regulation. If no, describe State procedures for re-designation of existing eligible entities.

Fiscal Controls and Audits and Cooperation Assurance

10.11. Fiscal Controls and Accounting:
Describe how the State’s fiscal controls and accounting procedures will a) permit preparation of the SF-425 Federal fiscal reports (FFR) and b) permit the tracing of expenditures adequate to ensure funds have been used appropriately under the block grant, as required by Block Grant regulations applicable to CSBG at 45 CFR §75.30(a).

a) The State CSBG Office and HSD's Grants Management Bureau collaborate to ensure the accuracy of the SF-425. The bureau follows statewide model accounting practices and applicable regulations. These include maintaining notices of grant award and their related available funds, assignment of project and activity coding within the state financial system, accumulating and allocating costs, and reconciling expenditures to cash draw down accounts. The State CSBG Office reviews the SF-425 prior to certification and submission by the bureau. b) The eligible entities submit monthly expenditure reports to the State CSBG Office. The reports include the details of each transaction using CSBG funds. These transactions are carefully reviewed for allocability and allowability under the Cost Principles and the CSBG Statute.

10.12. Single Audit Management Decisions:

Describe State procedures for issuing management decisions for eligible entity single audits, as required by Block Grant regulations applicable to CSBG at 45 CFR §75.521. If these procedures are described in the State monitoring protocols attached under item 10.2, indicate the page number. CLICK HERE FOR LINK TO 45 CFR §75.521

Note: This information is associated with State Accountability Measure 4Sd.

The eligible entities are contractually required to submit their Single Audits to the CSBG State Office. A desk review of the audit report is performed by the State Office. The State Office will also obtain and evaluate the entity's corrective action plan. Copies of the desk audit report are provided to HSD's Compliance and Financial Systems Bureau (CFSB), which monitors contractor compliance with state and federal laws and regulations, and HSD's Office of Inspector General (OIG). The State CSBG Office and CFSB will collaborate in the evaluation of audit findings and the issuance of the management decision to sub recipients required by 45 CFR 75.521.

10.13. Assurance on Federal Investigations:

Will the State "permit and cooperate with Federal investigations undertaken in accordance with Section 678D(a)" of the CSBG Act, as required by the assurance under Section 676(b)(7) of the CSBG Act? ◐ Yes ◐ No

If this is the first year filling out the automated State Plan, skip the following question.

10.14. Performance Management Adjustment:

How is the State adjusting monitoring procedures in this State Plan as compared to past plans? Any adjustment should be based on the State's analysis of past performance, and should consider feedback from eligible entities, OCS, and other sources, such as the public hearing. If the State is not making any adjustments, provide further detail.

Note: This item is associated with State Accountability Measure 4Sf and may pre-populate the State’s annual report form.

The CSBG State Office, with the eligible entities and the Association will be reviewing the monitoring procedures to determine changes, additions and deletions to utilize the best methods.

### Section 12: Individual and Community Eligibility Requirements

#### 12.1. Required Income Eligibility:
What is the income eligibility threshold for services in the State?

[Check one item below.]

- 125% of the HHS poverty line
- [Response Option: numeric field]

#### 12.1a. Describe any State policy and/or procedures for income eligibility, such as treatment of income and family/household composition.

For programs providing direct care and support to low-income individuals and households, income eligibility is based on gross income at or below 125% of the HHS poverty guidelines.

#### 12.2. Income Eligibility for General/Short-Term Services:
For services with limited in-take procedures (where individual income verification is not possible or practical), how does the State ensure eligible entities generally verify income eligibility for services? An example of these services is emergency food assistance.

Some eligible entities provide short term or general services for which it is not practical to individually verify income eligibility each time the service is provided. For these services, such as monthly food distributions, entities may verify a clients income annually and provide the client with a ticket for access to the distribution. As another example, an entity may provide services to families and target school age children who qualify for USDA programs for free or reduced lunch.

#### 12.3. Community-targeted Services:
For services that provide a community-wide benefit (e.g., development of community assets/facilities, building partnerships with other organizations), how does the State ensure eligible entities’ services target and benefit low-income communities?

Eligible entities engage in community activities partnering with organizations that serve low-income clients, such as the Salvation Army, Goodwill and local churches. These partners provide services or facilities, such as a food pantry, which address the specific needs of the low-income community.
Section 13: Results Oriented Management and Accountability (ROMA) System

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES
Administration for Children and Families
Community Services Block Grant (CSBG)

SECTION 13
Results Oriented Management and Accountability (ROMA) System

13.1. ROMA Participation:
In which performance measurement system will the State and all eligible entities participate, as required by Section 678E(a) of the CSBG Act and the assurance under Section 676(b)(12) of the CSBG Act?

- ✔ The Results Oriented Management and Accountability (ROMA) System
- ☐ Another performance management system that meets the requirements of Section 678E(b) of the CSBG Act
- ☐ An alternative system for measuring performance and results.

13.1a. If ROMA was selected in Item 13.1, attach and/or describe the State's written policies, procedures, or guidance documents on ROMA.

HSD provides CSBG funds to eligible entities through professional services contracts. The ROMA National Performance Indicators (NPIs) are used to measure the services and activities in the Scope of Work/Outcome plan for each contract. In addition, the entities are contractually required to use an HSD-approved software system that tracks outcomes and services provided to the low-income population in their service areas. The ability to collect data and generate reports using ROMA is a pre-requisite for HSD approval of the software. The CSBG State Office supports the activities of the State Community Action Association and has provided CSBG remainder/discretionary fund to ensure that ROMA certified trainers are available to all New Mexico eligible entities. Using discretionary and other funds, the Association certified ROMA trainers.

13.1b. If ROMA was not selected in Item 13.1, describe the system the State will use for performance measurement.

[Narrative, 2500 characters]

13.2. Indicate and describe the outcome measures the State will use to measure eligible entity performance in promoting self-sufficiency, family stability, and community revitalization, as required under Section 676(b)(12) of the CSBG Act?

- ✔ CSBG National Performance Indicators (NPIs)
- ☐ NPIs and others
- ☐ Others

13.3. How does the State support the eligible entities in using the ROMA system (or alternative performance measurement system)?

Note: The activities described under Item 13.3 may include activities... listed in "Section 8: State Training and Technical Assistance." If so, mention briefly, and/or cross-reference as needed. This response will also link to the corresponding assurance, item 14.12.

Please see the response in sections 8.1 and 13.1

13.4. Eligible Entity Use of Data:

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
