Planning Grant: The Money Follows the Person Rebalancing Demonstration Program	93.791	On July 26, 2010, the Centers for Medicare & Medicaid Services (CMS) issued a new grant solicitation to encourage states not yet part of the Money Follows the Person Rebalancing (MFP) Demonstration to apply for grant funds. The Affordable Care Act included an extension of the MFP demonstration program for an additional 5 years (the funding was scheduled to expire at the end of FY 2011). The extension of the MFP Demonstration Program through 2016 offers States substantial resources and additional program flexibilities to remove barriers and improve people's access to community supports and independent living arrangements.	8/3/10	9/7/10	State Governments	5-20 awards to states. Affordable Care Act (ACA) Maternal, Infant and Early Childhood Home Visiting Program	93.505	The Maternal, Infant, and Early Childhood Home Visiting Program is designed : (1) to strengthen and improve the programs and activities carried out under Title V; (2) to improve coordination of services for at risk communities; and (3) to identify and provide evidence-based home visiting programs to improve outcomes for families who reside in at risk communities. At-risk communities will be identified through a statewide assessment of needs and of existing resources to meet those needs. HRSA and the Administration for Children and Families (ACF) intend that the home visiting program will result in a coordinated system of early childhood home visiting in every State that has the capacity and commitment to provide infrastructure and supports to assure high-quality, evidence-based practice.	6/10/10	7/9/10	State Governments	\$90,000,000 with 56 total grant awards of various amounts	None	CYFD Requested Amount:\$951,952	DOH	7/9/2010	7/21/2010	\$951,952	https://grants.hrsa.gov/webExternal/FundingOppDetails.asp?FundingCycleId=E24F384A-7290-49D0-A393-EED7F542B618&ViewMode=EU&GoBack=&PrintMode=&OnlineAvailabilityFlag=&pageNumber=&version=&NC=&Popup=

State Competitive Supplemental Funding for Behavioral Risk Factor Surveillance System	93.520	The purpose of this supplement is to provide State Health Departments with resources to maintain previous projections in sample size, enhance and expand the utility of BRFSS, and support ongoing state-based public health surveillance infrastructure. Resources are needed specifically to collect BRFSS data to assess the prevalence of Influenza Like Illness (ILI) at state and local levels to support Pandemic Influenza response and preparedness activities as well as to support optional modules of public health significance at the state level (Components IA, IB, and IC). Financial support will be provided for activities related to data collection for the evaluation of interventions and assessment of the effectiveness of activities funded with Affordable Care Act through the Communities Putting Prevention to Work (ACA CPPW) (Component II). Those states eligible to apply for Component II will be notified individually. The amount of funding for individual states will be determined through a competitive evaluation.	8/13/10	9/8/10	Component I: Financial assistance is available to the 50 states, the District of Columbia, Puerto Rico and the U.S. Virgin Islands, funded under CDC RFA-DP09-901. Component II: Eligible applicants are limited to State health departments in which a CPPW funded grantee resides within the state health agency jurisdictional boundary. The states that can apply for this funding opportunity will be notified prior to the closing of this announcement.	A total of \$9,000,000 will be awarded with 53 awards anticipated (Appears to be a supplemental grant to a non-HCR grant)	None	DOH will apply with ERD being the lead					http://www.grants.gov/search/search.do?sessionId=D24vMpNOJZprygtLT1y39MHPRJFGpwBYOpLhh4pffRMpRJ3dT4k8!-743945508?oppld=56638&mode=VIEW

EPIDEMIOLOGY AND LABORATORY CAPACITY FOR INFECTIOUS DISEASES (ELC) BUILDING AND STRENGTHENING EPIDEMIOLOGY, LABORATORY AND HEALTH INFORMATION SYSTEMS IN STATE AND LOCAL HEALTH DEPARTMENTS	93.521	The purpose of this Affordable Care Act funding through the ELC is to enhance public health programs to improve health and help restrain the rate of growth of health care costs through building epidemiology, laboratory, and health information systems capacity in state and local public health departments. Specifically, the Affordable Care Act funding is being made available via this FOA to enhance the ability of state, local, and territorial ELC grantees to strengthen and integrate capacity for detecting and responding to infectious disease and other public health threats in state and local public health departments. The purpose of these enhancements is to provide flexible and multi-purpose resources to address current high-priority infectious disease problems within grantee jurisdictions, as well as new threats as they emerge. This FOA addresses the following three inter-related areas which are fully consistent with and build upon the existing ELC activities: a. Epidemiology Capacity - To ensure staff are well-trained and well-equipped to provide rapid, effective, and flexible response to infectious	8/16/10	8/27/10	ELIGIBILITY Funding under this FOA is intended to continue and enhance capacity for epidemiology, laboratory and health information systems for infectious diseases and other public health threats through the existing ELC program. Eligible applicants that can apply for this funding opportunity are all current ELC grantees and are listed below. These 58 ELC grantees are currently funded under the following ELC Funding Opportunity Numbers: CI04-040: Alabama, Arizona, California, Colorado, Connecticut, Florida, Georgia, Hawaii, Houston TX, Iowa, Illinois, Indiana, Kansas, Kentucky, Los Angeles County CA, Louisiana, Maine, Massachusetts, Michigan, Missouri, Mississippi, Montana, Nebraska, New Jersey, New Mexico, New York, New York City NY, North Carolina, Ohio, Oklahoma, Pennsylvania, Philadelphia PA, Republic of Palau, Rhode Island, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, Wyoming. CI07-701: Alaska, Arkansas, Chicago IL, Commonwealth of Puerto Rico, Delaware, District of Columbia, Idaho, Maryland, Minnesota, Nevada, North Dakota, Oregon,	This has a total of \$35,900,000 with approximately 58 awards	None	NM DOH is applying for this grant. ERD and SLD Divisions will work on this jointly.					http://www07.grants.gov/search/search.do?sessionId=3VJmMqvWM6nKj0BXffJJ1CBb4HV0cTvG0NCX4GyTXYKvk2NJRZvt!97035526?oppld=56320&mode=VIEW

Patient Protection and Affordable Care Act (PPACA); Emerging Infections Program (EIP); Enhancing Epidemiology and Laboratory Capacity (U01)	93.521	The purpose of this EIP-ACA FOA is to support state and local health departments' surveillance infrastructure through enhancement of the epidemiology and laboratory capacity of the existing EIP network. Over the past 15 years, the EIP network has proved to be a national resource for conducting active, population-based surveillance and special studies for invasive bacterial diseases, foodborne pathogens, healthcare associated infections (HAIs), influenza, and many other infectious diseases. The network has been instrumental in measuring the impact of the 7-valent pneumococcal conjugate vaccine, informing and evaluating treatment guidelines for Group B Streptococcus, estimating the burden of foodborne illness, documenting the emergence of community-associated methicillin-resistant Staphylococcus aureus, and monitoring the safety of the 2009 H1N1 vaccine as part of the influenza vaccine safety network (http://www.cdc.gov/ncpcid/d/eiss/eip/publications.html). EIP	8/17/10	8/27/10	Eligible Institutions You may submit an application(s) if your organization has any of the following characteristics: Eligibility for these awards is limited to current grantees under the EIP cooperative agreement program which are the health departments of California, Colorado, Connecticut, Georgia, Maryland, Minnesota, New Mexico, New York, Tennessee, and Oregon or their Bona Fide Agents. These 10 grantees are currently funded under EIP Funding Opportunity Announcement numbers CI02-174 (NM) and CI05-026 (CA, CO, CT, GA, MD, MN, NM, NY, TN, OR).	A total of \$4,500,000 with ceiling of \$650,000 and a total of 10 awards. Expansion of the Rural Community Hospital Demonstration under the Affordable Care Act	None	Section 10313 of the Patient Protection and Affordable Care Act of 2010 mandates an extension of the Rural Community Hospital Demonstration Program for an additional 5 years. The law allows additional hospitals to participate in the demonstration program. Since 10 hospitals are currently participating in the program, the Centers for Medicare & Medicaid Services (CMS) is conducting a new solicitation that will allow up to 20 new hospitals to participate in the demonstration for a period of 5 years.	8/27/2010	10/14/2010	The following eligibility requirements must be met for a hospital to be considered for participation in the demonstration. These requirements are specified in the authorizing legislation. An applicant must be a hospital that: 1. Is located in a rural area [as defined in Section 1886(d)(2)(D) of the Social Security Act (42 U.S.C. 1395ww(d)(2)(D)) or treated as being so located pursuant to section 1886(d)(8)(E) of the Act (42 U.S.C. 1395 ww(d)(8)(E))]; 2. Has fewer than 51 acute care inpatient beds, as reported in its most recent cost report; 3. Makes available 24-hour emergency care services; and 4. Is not designated or eligible for designation as a Critical Access Hospital (CAH) under Section 1820 of the Social Security Act. The authorizing legislation requires that the demonstration be conducted in States with low population densities, as determined by the Secretary. For this demonstration, hospitals must be located in one of the 20 least densely populated States:	\$32,000,000 with 20 awards anticipated	No information on this could be found on the application	NM					http://www.cms.gov/DEMOProjectsEvalRpts/downloads/2004_Rural_Community_Hospital_Demonstration_Program.pdf

"Grants to States for Health Insurance Premium Review-Cycle I" Office of Consumer Information and Insurance Oversight (OCIIO)	93.511	Key components of this oversight require insurers to report certain health insurance rate information to both the Secretary and the States in which they operate, including:1. All increases in rates for health insurance over the prior year that meet the established unreasonable threshold (currently under development);2. Justifications for unreasonable increases in rates prior to their implementation.Public disclosure of this information and insurers will be required to prominently post the information on their respective Internet websites.Section 2794 also provides for a program of grants to states to help them improve the health insurance rate review and reporting process. Congress has appropriated \$250 million for this grant program for the federal fiscal years (FFYs) of 2010-2014. HHS is authorized to award this money during multiple award cycles to eligible States beginning in FFY 2010. Federal regulatory guidance is currently under development to establish the statutorily mandated process of annual rate review for health insurance.	6/7/10	7/7/10	State governments	\$51,000,000 there will be approximately 51 awards with \$1,000,000 award ceiling.	Awardees are not required to provide matching contributions. Affordable Care Act (ACA) - Consumer Assistance Program Grants	93.519	These are grants to States to assist consumers with filing complaints and appeals, assist consumers with enrollment into health coverage, and educate consumers on their rights and responsibilities. In addition, by law they will collect data on consumer inquires and complaints to help the Secretary identify problems in the marketplace and strengthen enforcement. Starting in 2014, programs must also help resolve problems with premium credits for Exchange coverage.	7/22/10	9/10/10	State governments	\$29,000,000 total with a ceiling of \$3,400,000 and floor \$120,00 a total of 56 awards	None	PRC/DOI	9/10/2010	10/19/2010	\$226,426	http://www.grants.gov/search/search.do;jsessionid=THbqMLpZyhIYTWQSSWn0cxYyXwN2xdpsFTptWtXfdPOxVJnM1Prh!-832749192?oppld=56058&mode=VIEW
State Planning and Establishment Grants for the Affordable Care Act's Exchanges	93.525	Section 1311 of the Affordable Care Act provides funding assistance to the States for the planning and establishment of American Health Benefit Exchanges (?Exchanges?). The Affordable Care Act provides that each State may elect to establish an Exchange that would: 1) facilitate the purchase of qualified health plans; 2) provide for the establishment of a Small Business Health Options Program (?SHOP Exchange?) designed to assist qualified employers in facilitating the enrollment of their employees in QHPs offered in the SHOP exchange; and 3) meet other requirements specified in the Act. The funding awarded pursuant to this Funding Opportunity Announcement is intended to assist States with initial planning activities related to the potential implementation of the Exchanges. Grants will be awarded in amounts up to a maximum of \$1 million per State depending on the	7/29/10	9/1/10	State Governments	Total of \$51,000,000 with a ceiling of \$1,000,000 . 51 Awards are Anticipated	None	Yes HSD	9/1/2010	9/30/2010	\$1,000,000	http://www.grants.gov/search/search.do;jsessionid=yFPDMR6BhZ1nWvWdFffh4ZIPxh6Jc2znhwj8628sOk98jht0PK111087699643?oppld=56204&mode=VIEW

Grants to States for Health Insurance Premium Review - Cycle I	93.511	Provide awards to states to enhance their current rate review process for health insurance premiums. States will be required to either develop or enhance their current capacity to review and to the extent permitted by law, approve or deny rate increases in the individual and group markets. States will be required to provide the HHS Secretary with information about rate trends in health insurance coverage and may utilize grant funds to develop procedures and/or the infrastructure to enable them to report in the future.	9/1/10	10/1/10	Five US territories and the 5 states that did not previously apply - Departments of Insurance or state entity with primary statutory and regulatory authority for the regulation of private health insurance; New Mexico received grant under original announcement of 6/7/10	\$1,000,000	None	NM Insurance division received grant from original announcement	7/7/2010	8/16/2010	\$0	http://www07.grants.gov/search/search.do?sessionId=hJIZM1yHrGKGqzXt3ylHcc1Znp5YByyrJ2Zdf2Zg4SGM4DyTRHhI97035526?oppld=57031&mode=VIEW
Affordable Care Act (ACA) Maternal, Infant and Early Childhood Home Visiting Program	93.505	The Maternal, Infant, and Early Childhood Home Visiting Program is designed : (1) to strengthen and improve the programs and activities carried out under Title V; (2) to improve coordination of services for at risk communities; and (3) to identify and provide evidence-based home visiting programs to improve outcomes for families who reside in at risk communities. At-risk communities will be identified through a statewide assessment of needs and of existing resources to meet those needs. HRSA and the Administration for Children and Families (ACF) intend that the home visiting program will result in a coordinated system of early childhood home visiting in every State that has the capacity and commitment to provide infrastructure and supports to assure high-quality, evidence-based practice.	6/10/10	7/9/10	State Governments	\$90,000,000 with 56 total grant awards of various amounts	None	CYFD Requested Amount:\$951,952	7/9/2010	7/21/2010	\$951,952	https://grants.hrsa.gov/webExternal/FundingOppDetails.asp?FundingCycleId=E24F384A-7290-49D0-A393-EED7F542B618&ViewMode=EU&GoBack=&PrintMode=&OnlineAvailabilityFlag=&pageNumber=&version=&NC=&Popup=

FY10 Support for Pregnant and Parenting Teens and Women FOA	93.500	The Act appropriates \$25 million for each of fiscal years 2010 through 2019 and authorizes the Secretary of HHS, in collaboration and coordination with the Secretary of Education (as appropriate) to establish and administer a Pregnancy Assistance Fund for the purpose of awarding competitive grants to States to assist pregnant and parenting teens and women. Grants will not exceed three years (and funding for years 2-3 is subject to the availability of funds). OAH anticipates funding a broad range of projects both in the size and scope of activities. The authorized State representative must make application for grant funds available through this announcement to assist pregnant and parenting teens and women. A signed letter from the authorized State representative must accompany the application; it should include documentation establishing the authorized representative's authority to apply for and administer the grant funds on behalf of the State. The application may be developed solely by the authorized representative or in consultation with other relevant State agencies such as state education, human services and health agencies. Patient Protection and Affordable Care Act (PPACA); Emerging Infections Program (EIP); Enhancing Epidemiology and Laboratory Capacity (U01)	93.521	The purpose of this EIP-ACA FOA is to support state and local health departments' surveillance infrastructure through enhancement of the epidemiology and laboratory capacity of the existing EIP network. Over the past 15 years, the EIP network has proved to be a national resource for conducting active, population-based surveillance and special studies for invasive bacterial diseases, foodborne pathogens, healthcare associated infections (HAIs), influenza, and many other infectious diseases. The network has been instrumental in measuring the impact of the 7-valent pneumococcal conjugate vaccine, informing and evaluating treatment guidelines for Group B Streptococcus, estimating the burden of foodborne illness, documenting the emergence of community-associated methicillin-resistant Staphylococcus aureus, and monitoring the safety of the 2009 H1N1 vaccine as part of the influenza vaccine safety network	8/3/10	8/27/10	Mainly State Governments. "Grants to States for Health Insurance Premium Review-Cycle I" Office of Consumer Information and Insurance Oversight (OCIIO)	93.511	Key components of this oversight require insurers to report certain health insurance rate information to both the Secretary and the States in which they operate, including:1. All increases in rates for health insurance over the prior year that meet the established unreasonable threshold (currently under development);2. Justifications for unreasonable increases in rates prior to their implementation.Public disclosure of this information and insurers will be required to prominently post the information on their respective Internet websites.Section 2794 also provides for a program of grants to states to help them improve the health insurance rate review and reporting process. Congress has appropriated \$250 million for this grant program for the federal fiscal years (FFYs) of 2010-2014. HHS is authorized to award this money during multiple award cycles to eligible States beginning in FFY 2010. Federal regulatory guidance is	6/7/10	7/7/10	State governments	\$51,000,000 there will be approximately 51 awards with \$1,000,000 award ceiling. 7	Patient Protection and Affordable Care Act (PPACA); Emerging Infections Program (EIP); Enhancing Epidemiology and Laboratory Capacity (U01)	93.521	The purpose of this EIP-ACA FOA is to support state and local health departments' surveillance infrastructure through enhancement of the epidemiology and laboratory capacity of the existing EIP network. Over the past 15 years, the EIP network has proved to be a national resource for conducting active, population-based surveillance and special studies for invasive bacterial diseases, foodborne pathogens, healthcare associated infections (HAIs), influenza, and many other infectious diseases. The network has been instrumental in measuring the impact of the 7-valent pneumococcal conjugate vaccine, informing and evaluating treatment guidelines for Group B Streptococcus, estimating the burden of foodborne illness, documenting the emergence of community-associated methicillin-resistant Staphylococcus aureus, and monitoring the safety of the 2009 H1N1 vaccine as part of the influenza vaccine safety network	8/3/10	8/27/10	Mainly State Governments. 19	"Grants to States for Health Insurance Premium Review-Cycle I" Office of Consumer Information and Insurance Oversight (OCIIO)	93.511	Key components of this oversight require insurers to report certain health insurance rate information to both the Secretary and the States in which they operate, including:1. All increases in rates for health insurance over the prior year that meet the established unreasonable threshold (currently under development);2. Justifications for unreasonable increases in rates prior to their implementation.Public disclosure of this information and insurers will be required to prominently post the information on their respective Internet websites.Section 2794 also provides for a program of grants to states to help them improve the health insurance rate review and reporting process. Congress has appropriated \$250 million for this grant program for the federal fiscal years (FFYs) of 2010-2014. HHS is authorized to award this money during multiple award cycles to eligible States beginning in FFY 2010. Federal regulatory guidance is currently under development to establish the statutorily mandated process of annual rate review for health insurance.	6/7/10	7/7/10	State governments	\$51,000,000 there will be approximately 51 awards with \$1,000,000 award ceiling.
