I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The State of New Mexico Human Services Department, Medical Assistance Division (MAD) is requesting proposals for an audit agent to perform audits of Medicaid providers participating in the New Mexico Medicaid Electronic Health Records Incentive Program.

The purpose of this Request for Proposal (RFP) is to select an Offeror with experience and knowledge to perform audits and consultation services as described in the Scope of Work. Work will be performed at the direction of the Staff Manager for the New Mexico Medicaid Electronic Health Records Incentive Program.

B. BACKGROUND INFORMATION

This section provides background on the New Mexico Medicaid Electronic Health Records Incentive Program that may be helpful to Offerors in preparing a proposal. The information is provided as an overview and is not intended to be a complete and exhaustive description.

The Medicare and Medicaid Electronic Health Records (EHR) Incentive Programs were created by Congress in the American Recovery and Reinvestment Act of 2009 (ARRA). The Centers for Medicare and Medicaid Services (CMS) administers the Medicare EHR Incentive Program and individual states administer the Medicaid EHR Incentive Programs.

The New Mexico Medicaid EHR Incentive Program provides financial incentives to certain Medicaid professionals and hospitals for the adoption and meaningful use of certified EHR technology (CEHRT) in accordance with federal and state regulations governing the program.

The New Mexico Medicaid EHR Incentive Program began in August 2011 and will continue until it is scheduled to terminate at the end of 2021. Therefore, 2021 is the last year in which providers may participate.

For each participant year, eligible providers enter data into a state web-based portal (New Mexico State Level Registry) and attest that they have met program criteria in accordance with the federal and state regulations. The State Level Registry (SLR) generates an agreement that the eligible provider must sign and date (known as an attestation).

The New Mexico Medicaid EHR Incentive Program staff performs a prepayment review of all attestation data to insure that attesters met all program criteria. The audit contractor for the New Mexico Medicaid EHR Incentive program will review all attestations for which an incentive payment has been made to determine risk level and perform a desk audit on

a percentage of those attestations, beginning with Program Year 2014 attestations, going forward.

It is expected that the audit contractor will be thoroughly knowledgeable about the regulations and criteria for Medicaid EHR Incentive Programs.

To access the federal Final Rules governing the EHR Incentive Programs, see Section I-F. Procurement Library of this RFP.

C. SCOPE OF PROCUREMENT

The contract is scheduled to begin on July 1, 2017, or upon receiving all required state approvals, whichever is later, and end on June 30, 2019. The contract may be extended for two (2) additional one (1) year periods. In no circumstance shall the contract exceed a total of four (4) years in duration.

PLEASE NOTE:

- If this is a procurement that will result in a statewide price agreement, that agreement is available to all executive agencies and other political subdivisions of the State of New Mexico. If this is not EXPLICITLY stated, the procurement will result in a contractual agreement only (see next).
- If this is a procurement that will result in a contractual agreement between two parties, the procurement may ONLY be used by those two parties exclusively.

“Administrative Hearing” means a hearing as described in the New Mexico Administrative Code (NMAC) 8.352.3. Under this section a provider notified of an adverse finding has 30 calendar days from the date of the Medical Assistance Division (MAD) action notice (Audit Final Findings Letter for the EHR Program audits) to request a Provider Administrative Hearing (aka Fair Hearing) if the provider disagrees with the findings. If an Administrative Hearing takes place, it is presided over by a New Mexico Administrative law judge. See NMAC 8.352.3 for details on the Administrative Hearing process for providers.

“Adopt, Implement or Upgrade (AIU) Certified EHR Technology (CEHRT)” means an attestation option that both EPs and EHs have in their first year of the program that allows the EH or EP to get a first-year incentive payment for having the CEHRT (as defined by the ONC) in the Program Year for which they are attesting. EHs and EPs must provide documentation as defined in the federal final rules that they met this requirement. See federal Final Rules for the Medicaid EHR Incentive Program for detailed definition.

“Adverse Findings” means a State of New Mexico determination that the provider did not meet all New Mexico Medicaid EHR Incentive Program criteria for a given Program Year (based wholly or part on a post-payment audit).

“AIU/MU Stratification” means the action of auditors to review (by Program Year) all attestations for which a payment has been made and place all EPs and EHs into different risk pools based on the criteria in the State’s Audit Plan which has been approved by

“Attestations” means documents that EH representatives and EPs must sign in order to receive incentive payments. The attestation includes language that the signee agrees to the terms of the program and verifies its accuracy. For the New Mexico Medicaid EHR Incentive Program, the attestation is generated by the New Mexico State Level Registry (SLR), a web-based portal where EPs and EHs enter required data for the New Mexico Medicaid EHR Incentive Program. The signee must upload the signed and dated attestation into the SLR and then mail in the original signed and dated attestation.

“Audit Plan” means a document prepared by the state and the contract auditor outlining the criteria for Pre-Payment Reviews and Post-Payment Audits for the New Mexico Medicaid EHR Incentive Program. The plan is updated as needed to reflect federal EHR Incentive Program Final Rule changes. Each time the Audit Plan is revised it is submitted to CMS for approval.

The calculation is based on a formula created by the Centers for Medicare & Medicaid Services (CMS). See federal Final Rules for the Medicaid EHR Incentive Program for detailed definition.

“Meaningful Use (MU)” means an attestation option in which EPs and EHs must demonstrate that they have met the Meaningful Use Objectives and Measures, and Clinical Quality Measures (CQMs) as defined in the federal Final Rules for EHR Incentive Programs. EPs and EHs will attest to Meaningful Use Stage 1, Stage 2, Modified Stage 2 or Stage 3 dependent on the Program Year and what final rule criteria governs the Program Year for which they are attesting. See federal Final Rules for the Medicaid EHR Incentive Program for detailed definitions of the Meaningful Use Objectives and Measures and CQMs for each of the Meaningful Use Stages.

“Medicaid Electronic Health Records (EHR) Incentive Program” means a program created by Congress through the American Recovery and Reinvestment Act of 2009 that provides financial incentives to certain Medicaid EPs and EHs for the adoption and meaningful use (MU) of certified EHR technology. “Program Year/Payment Year” means any year between 2011 and 2021 for which an EP or EH can attest and receive an incentive payment. EPs and EHs can receive incentive payments for maximums of six and three program years, respectively. EPs and EHs do not have to attest in consecutive program years. See federal Final Rules for the Medicaid EHR Incentive Program for detailed definition.

“Adverse Findings” means, as a result of a Post-Payment Audit, State of New Mexico determination that the provider did not meet all New Mexico Medicaid EHR Incentive Program criteria.

“Medicare and Medicaid EHR Incentive Program Final Rule Changes” means federal regulations published periodically by CMS and made available to the public. They describe changes to the Medicare and Medicaid EHR Incentive Programs that apply to all states, including New Mexico. As the EHR programs are designed to evolve over time, there have been, and will continue to be, changes to various aspects of the program requirements.

“Pre-payment Verification Process” means the review undertaken by employees of the New Mexico Medicaid EHR Incentive Program after an EP or EH has submitted an attestation. The staff reviews and determines whether the Eligibility and MU (for MU attestations) requirements have been met before release of the incentive payment. This process assists in determining whether or not a provider is able to receive an incentive

payment. When the auditor conducts a post-payment review, he/she has access to staff records from the pre-payment verification process.

7. Proposal Offer Firm

Responses to this RFP, including proposal prices for services, will be considered firm for one hundred twenty (120) days after the due date for receipt of proposals or ninety (90) days after the due date for the receipt of a best and final offer, if the Offeror is invited or required to submit one.

8. Disclosure of Proposal Contents

- A. Proposals will be kept confidential until negotiations and the award are completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for material that is clearly marked proprietary or confidential. The Procurement Manager will not disclose or make public any pages of a proposal on which the potential Offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements:
- B. Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal.
- C. Confidential data is restricted to:
 - 1. confidential financial information concerning the Offeror's organization;
 - 2. and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, NMSA 1978 § 57-3A-1 to 57-3A-7.
 - 3. PLEASE NOTE: The price of products offered or the cost of services proposed **shall not be designated** as proprietary or confidential information.

If a request is received for disclosure of data for which an Offeror has made a written request for confidentiality, the State Purchasing Division or the Agency

shall examine the Offeror's request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

9. No Obligation

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

10. Termination

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the agency determines such action to be in the best interest of the State of New Mexico.

11. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be effected by sending written notice to the contractor. The Agency's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12. Legal Review

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

13. Governing Law

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

14. Basis for Proposal

Only information supplied, in writing, by the Agency through the Procurement Manager or in this RFP should be used as the basis for the preparation of Offeror proposals.

15. Contract Terms and Conditions

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Sample

Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Sample Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Sample Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Sample Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Sample Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. Please see Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a responsive offer as defined in NMSA 1978, § 13-1-83 and 13-1-85.

19. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Contractor Representatives

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

21. Notice of Penalties

The Procurement Code, NMSA 1978, § 13-1-28 through 13-1-199, imposes civil, misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

22. Agency Rights

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

23. Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the Agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the State of New Mexico.

25. Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Agency's written permission.

26. Electronic mail address required

A large part of the communication regarding this procurement will be conducted by electronic mail (e-mail). Offeror must have a valid e-mail address to receive this correspondence. (See also Section II.B.5, Response to Written Questions).

27. Use of Electronic Versions of this RFP

In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Agreement being amended in writing prior to those services in excess of the total compensation amount being provided.

B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the DFA. All invoices MUST BE received by the HSD no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

(REPEAT LANGUAGE FOR EACH FISCAL YEAR COVERED BY THE AGREEMENT -- USE FISCAL YEAR NUMBER TO DESCRIBE EACH YEAR; DO NOT USE FY1, FY2, ETC.).

B. Payment in FYXX, FYXX, FYXX, and FYXX is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the DFA. All invoices **MUST BE** received by the HSD no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date **WILL NOT BE PAID.**

Contractor's notice of termination shall only be effective (i) if the HSD does not cure all material breaches within the thirty (30) day notice period or (ii) in the case

of material breaches that cannot be cured within thirty (30) days, the HSD does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE HSD'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

- j. Security Rule Provisions. As required by 42 U.S.C. § 17931 (a) [HITECH Act Section 13401(a)] , the following sections as they are made applicable to business associates under the HIPAA Standards, shall also apply to the Business Associate: 1) Administrative Safeguards; 2) Physical Safeguards; 3) Technical Safeguards; 4) Policies and Procedures and Documentation Requirements; and 5) Security Standards. Additionally, the Business Associate shall either implement or properly document the reasons for non-implementation of all safeguards in the above cited sections that are designated as “addressable” as such are made applicable to Business Associates pursuant to the HIPAA Standards.

3. Business Associate Obligations for Notification, Risk Assessment, and Mitigation

During the term of this BAA or PSC [REDACTED], the Business Associate shall be required to perform the following pursuant to the Breach Notification Rule regarding Breach Notification, Risk Assessment and Mitigation:

Notification

- a. Business Associate agrees to report to the Department Contract Manager or HIPAA Privacy and Security Officer any use or disclosure of PHI not provided for by this

BAA or PSC [REDACTED], and HIPAA Standards, including breaches of unsecured PHI as required by 45 C.F.R. § 164.410, as soon as it (or any employee or agent) becomes aware of the Breach, and in no case later than three (3) business days after it (or any employee or agent) becomes aware of the Breach, except when a government official determines that a notification would impede a criminal investigation or cause damage to national security.

- b. Business Associate shall provide the Department with the names of the individuals whose unsecured PHI has been, or is reasonably believed to have been, the subject of the Breach and any other available information that is required to be given to the affected individuals, as set forth in 45 CFR §164.404(c), and, if requested by the Department, provide information necessary for the Department to investigate promptly the impermissible use or disclosure. Business Associate shall continue to provide to the Department information concerning the Breach as it becomes available to it, and shall also provide such assistance and further information as is reasonably requested by the Department.

Risk Assessment

- c. When Business Associate determines whether an impermissible acquisition, use or disclosure of PHI by an employee or agent poses a low probability of the PHI being compromised, it shall document its assessment of risk in accordance with 45 C.F.R. § 164.402 (in definition of “Breach”, ¶ 2) based on at least the following factors: (i) the nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification; (ii) the unauthorized person who used the protected health information or to whom the disclosure was made; (iii) whether the protected health information was actually acquired or viewed; and (iv) the extent to which the risk to the protected health information has been mitigated. Such assessment shall include: 1) the name of the person(s) making the assessment, 2) a brief summary of the facts, and 3) a brief statement of the reasons documenting the determination of risk of the PHI being compromised. When requested by the Department, Business Associate shall make its risk assessments available to the Department.
- d. If the Department determines that an impermissible acquisition, access, use or disclosure of PHI, for which one of Business Associate’s employees or agents was responsible, constitutes a Breach, and if requested by the Department, Business Associate shall provide notice to the individuals whose PHI was the subject of the Breach. When requested to provide notice, Business Associate shall consult with the Department about the timeliness, content and method of notice, and shall receive the Department’s approval concerning these elements. The cost of notice and related remedies shall be borne by Business Associate. The notice to affected individuals shall be provided as soon as reasonably possible and in no case later than 60 calendar days after Business Associate reported the Breach to the Department.

Mitigation

- e. In addition to the above duties in this section, Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of

a use or disclosure of PHI, by Business Associate in violation of the requirements of this Agreement, the Related Agreement or the HIPAA Standards. Business Associate shall draft and carry out a plan of corrective action to address any incident of impermissible use or disclosure of PHI. If requested by the Department, Business Associate shall make its mitigation and corrective action plans available to the Department.

- f. The notice to affected individuals shall be written in plain language and shall include, to the extent possible, 1) a brief description of the Breach, 2) a description of the types of Unsecured PHI that were involved in the Breach, 3) any steps individuals can take to protect themselves from potential harm resulting from the Breach, 4) a brief description of what the Business Associate and the Department are doing to investigate the Breach, to mitigate harm to individuals and to protect against further Breaches, and 5) contact procedures for individuals to ask questions or obtain additional information, as set forth in 45 CFR §164.404(c).

Notification to Clients

- g. Business Associates shall notify individuals of Breaches as specified in 45 CFR §164.404(d) (methods of individual notice). In addition, when a Breach involves more than 500 residents of a State or jurisdiction, Business Associate shall, if requested by the Department, notify prominent media outlets serving such location(s), following the requirements set forth in 45 CFR §164.406.

4. Obligations of the Department to Inform Business Associate of Privacy Practices and Restrictions

- a. The Department shall notify Business Associate of any limitation(s) in the Department's Notice of Privacy Practices, implemented in accordance with 45 CFR § 164.520, to the extent that such limitation may affect Business Associate's use or disclosure of PHI.
- b. The Department shall notify Business Associate of any changes in, or revocation of, permission by an Individual to use or disclose PHI, to the extent that such changes may affect Business Associate's use or disclosure of PHI.
- c. The Department shall notify Business Associate of any restriction in the use or disclosure of PHI that the Department has agreed to in accordance with 45 CFR § 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.
- d. The Department shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by the Department.

5. Term and Termination

- a. Term. This BAA terminates concurrently with PSC [REDACTED], except that obligations of Business Associate under this BAA related to final disposition of PHI in this Section 5 shall survive until resolved as set forth immediately below.

- b. Disposition of PHI upon Termination. Upon termination of this PSC [REDACTED] and BAA for any reason, Business Associate shall return or destroy all PHI in its possession, and shall retain no copies of the PHI. In the event that Business Associate determines that returning or destroying the PHI is not feasible, Business Associate shall provide to the Department notification of the conditions that make return or destruction of PHI not feasible. Upon mutual agreement of the Parties that return or destruction of the PHI is infeasible, Business Associate shall agree, and require that its agents, affiliates, subsidiaries and subcontractors agree, to the extension of all protections, limitations and restrictions required of Business Associate hereunder, for so long as the Business Associate maintains the PHI.
- c. If Business Associate breaches any material term of this BAA, the Department may either:
 - i. provide an opportunity for Business Associate to cure the Breach and the Department may terminate this PSC [REDACTED] and BAA without liability or penalty in accordance with Article 4, Termination, of PSC [REDACTED], if Business Associate does not cure the breach within the time specified by the Department; or,
 - ii. immediately terminate this PSC [REDACTED] without liability or penalty if the Department determines that cure is not reasonably possible; or,
 - iii. if neither termination nor cure are feasible, the Department shall report the breach to the Secretary.

The Department has the right to seek to cure any breach by Business Associate and this right, regardless of whether the Department cures such breach, does not lessen any right or remedy available to the Department at law, in equity, or under this BAA or PSC [REDACTED], nor does it lessen Business Associate's responsibility for such breach or its duty to cure such breach.

6. Penalties and Training.

Business Associate understands and acknowledges that violations of this BAA or PSC [REDACTED] may result in notification by the Department to law enforcement officials and regulatory, accreditation, and licensure organizations. If requested by the Department, Business Associate shall participate in training regarding use, confidentiality, and security of PHI.

7. Miscellaneous

- a. Interpretation. Any ambiguity in this BAA, or any inconsistency between the provisions of this BAA or PSC [REDACTED], shall be resolved to permit the Department to comply with the HIPAA Standards.
- b. Business Associate's Compliance with HIPAA. The Department makes no warranty or representation that compliance by Business Associate with this BAA or the HIPAA Standards will be adequate or satisfactory for Business Associate's own purposes or that any information in Business Associate's possession or control, or transmitted or received by Business Associate, is or will be secure from

unauthorized use or disclosure. Business Associate is solely responsible for all decisions made by Business Associate regarding the safeguarding of PHI.

- c. Change in Law. In the event there are subsequent changes or clarifications of statutes, regulations or rules relating to this BAA or PSC [REDACTED], the Department shall notify Business Associate of any actions it reasonably deems necessary to comply with such changes, and Business Associate shall promptly take such actions. In the event there is a change in federal or state laws, rules or regulations, or in the interpretation of any such laws, rules, regulations or general instructions, which may render any of the material terms of this BAA unlawful or unenforceable, or which materially affects any financial arrangement contained in this BAA, the parties shall attempt amendment of this BAA to accommodate such changes or interpretations. If the parties are unable to agree, or if amendment is not possible, the parties may terminate the BAA and PSC [REDACTED] pursuant to its termination provisions.
- d. No Third Party Beneficiaries. Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Department, Business Associate and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.
- e. Assistance in Litigation or Administrative Proceedings. Business Associate shall make itself and any agents, affiliates, subsidiaries, subcontractors or workforce members assisting Business Associate in the fulfillment of its obligations under this BAA and PSC [REDACTED] available to the Department, at no cost to the Department, to testify as witnesses or otherwise in the event that litigation or an administrative proceeding is commenced against the Department or its employees based upon claimed violation of the HIPAA standards or other laws relating to security and privacy, where such claimed violation is alleged to arise from Business Associate's performance under this BAA or PSC [REDACTED], except where Business Associate or its agents, affiliates, subsidiaries, subcontractors or employees are named adverse parties.
- f. Additional Obligations. Department and Business Associate agree that to the extent not incorporated or referenced in any Business Associate PSC between them, other requirements applicable to either or both that are required by the HIPAA Standards, those requirements are incorporated herein by reference.
