### Distance Standard 2

For the providers described in Attachment II to the Contract:

- Ninety percent (90%) of Urban Members shall travel no farther than thirty (30) miles.
- Ninety percent (90%) of Rural Members shall travel no farther than sixty (60) miles, unless this type of provider is not physically present in the prescribed radius or otherwise exempted as approved by HSD.
- Ninety percent (90%) of Frontier Members shall travel no farther than ninety (90) miles, unless this type of provider is not physically present in the prescribed radius or otherwise exempted as approved by HSD.
