Re: Selection of New County Director for Eddy-Carlsbad

Date: October 19, 2016

---

This memorandum is to announce the selection of Olivia Calderon as the new County Director at the Eddy County Income Support Division office in Carlsbad. We are pleased to have Olivia fill this position, as she brings with her a wealth of experience, dedication and professionalism.

Olivia received her BA in Psychology & Sociology from Eastern NM University in Portales. Prior to coming to work with ISD she held positions in both the Restaurant and Gas & Oil Refinement industries. She enjoys open sea free-diving where she strives to test her endurance and indulge her love of the sport of spearfishing...just kidding, but she does have an excellent sense of humor and is active in the lives of her three children – two of whom are avid wrestlers. She also teaches catechism at her church.

Olivia was hired by HSD in 2002 as a MAWC Temporary Worker. In 2009 she was promoted to the position of Line Manager at the Carlsbad office having prior served six years as an FAA and FAA II.

Olivia will begin her new duties effective October 22, 2016.

Please join me in congratulating and welcoming Olivia Calderon to her new position as County Director.
