8.139.410.12 EMPLOYMENT, TRAINING AND WORK REGISTRATION

A. Employment and training [E&T](E&T) work registration: Compliance with work registration is a prerequisite to certification, unless exempt. Benefits may not be conditionally granted before registration of all mandatory household members, except when verification cannot be obtained prior to the expedited service time limit. Work registration exemptions must be verified before certification.

B. Compliance with E&T work requirements: As a condition of eligibility for participation in SNAP, every physically and mentally fit household member who is [18] 16 years of age or older and younger than age [59] 60 and who is determined mandatory, must register for the E&T program.

C. Non-compliance with E&T work requirements: Non-compliance with E&T work requirements is considered to exist when an individual:

- (1) refuses, at the time of application and every 12 months thereafter, to register for employment in a manner prescribed by ISD; or
- (2) fails or refuses to comply with the requirements under Title IV-A of the Social Security Act, or work requirements for individuals receiving UCB.

D. E&T work requirements:

- (1) General conditions for registration:
  - (a) Unless exempt, every household member [age 18 through 59] age 16 through 59 must register for employment. If a household member has his/her 16th birthday within a certification period, the work registration requirement must be fulfilled as part of the next scheduled recertification process, unless the member qualifies for an exemption.
  - (b) If a household member has their 18th birthday within the established certification period, they must fulfill the E&T work program registration requirement as part of the next recertification.
  - (c) An individual who does not qualify for an exemption must be registered for employment at initial certification or when added to the SNAP household, and at least every 12 months thereafter, as a condition of eligibility.

- (2) Individuals exempt from registration: The following individuals are exempt from the work registration requirement:
  - (a) an individual younger than [18] 16 years of age or an individual [59] 60 years of age or older;
  - (b) an individual age 16 or 17, who is not the head of household, is exempt if they meet one of the following:
    - (i) is attending school at least part-time; or
    - (ii) is enrolled in an employment and training program, as defined by the school or employment and training program;
  - (c) an individual who is physically or mentally unfit for employment; if physical or mental unfitness is claimed but not evident, verification is required; verification may consist of receipt of temporary or permanent disability benefits issued by government or private sources, or a statement from a physician or licensed or certified psychologist;
  - (e) a natural parent, adoptive or step-parent or individual residing in a SNAP household that includes a child younger than age 18, even if the child is not eligible for SNAP benefits;
  - (d) a parent or other household member who is responsible for the care of a dependent child under age six or an incapacitated person; [the incapacitated person need not be considered a member of the SNAP household or even reside with the household; the exemption will not apply if the dependent or incapacitated person resides with others who provide the care];
  - (f) if the child has his/her sixth birthday during the certification period, the individual responsible for the care of the child is required to be registered as part of the next scheduled recertification, unless the individual qualifies for another exemption;
  - (g) the exemption applies to the person who actually provides the care;
  - (h) the dependent child or incapacitated person need not be considered a member of the food stamp household or even reside with the household; the exemption will not apply if the dependent or
incapacitated person resides with others who provide the care;

(e) an individual subject to and complying with any work requirement under Title IV of the Social Security Act, including TANF work requirements;

(f) an individual who receives unemployment compensation benefits and is subject to and complying with a federal or state unemployment compensation system; an individual who has applied for but who has not yet received UCB is exempt if required to register with the department of labor as part of the unemployment compensation application process;

(h) an individual who is employed or self-employed and working a minimum of 30 hours a week or receiving weekly earnings at least equal to the federal minimum wage multiplied by 30 hours;

(i) migrant and seasonal farm workers who are under contract or similar agreement with an employer or crew chief to begin employment within 30 days are exempt, although this does not prevent such individuals from seeking services from the E&T program;

(j) workers in ACTION programs (such as VISTA) who average 30 or more hours of work per week are exempt, even though they earn less than minimum wage;

(k) a student who is eligible to participate in the SNAP program, and who is enrolled at least half time in any recognized school, high school, training program, or institution of higher education; this exemption remains in effect during normal periods of class attendance, vacations, and recess, unless the student graduates, is suspended or expelled, drops out, or does not intend to register for the next normal school term (excluding summer session);

(l) a household member who has made application for SSI and SNAP benefits at the social security administration, and whose application for SNAP benefits has been received by HSD, and who is determined eligible for SNAP benefits, shall be exempt from work registration until an SSI determination is made; a household member who is determined ineligible for SSI shall have the exemption from E & T work requirements evaluated at the time of the denial of SSI;

(b) Anyone gaining or losing exempt status because of changes not subject to the reporting requirements in Paragraph (2) of Subsection A of 8.139.120.9 NMAC, will have his/her work status evaluated at the next recertification.

(4) Processing changes: Mandatory work participants who move from one county to another retain their work registration status at their new location, unless they become exempt.

(5) Residing in a non-work program county:

(a) The appropriate work registration code of any individual living in a county which does not administer a work program through income support division, and who is not exempt from E&T work registration, will be entered into the individual’s computer file. Those individuals will be dropped from referral to the E&T work program.

(b) Any household member living in a non-work program area may volunteer to participate in the E&T work program. The nearest county administering a work program through ISD will accept the participant.

E. E&T work program: The income support division (ISD) administers the work program for applicants and recipients of SNAP benefits who are mandatory and who voluntarily participate in the work program. The purpose of the work program is to assist household members participating in SNAP to gain skills that will increase an individual’s ability to obtain and keep employment.

(1) Work registrant responsibilities: Each household member who must be registered for work is required to register at the time of initial application and every 12 months thereafter.

(2) HSD responsibilities: HSD is responsible for:

(a) screening each household member to determine work registration status;

(b) registering mandatory and voluntary participants;

(c) providing information and explaining to each applicant the E&T work requirements, rights and responsibilities and consequences for failure or refusal to comply; such information must be provided at application, at recertification, and when a previously exempt or new household member must be registered;
(d) disqualifying non-compliant individuals, and reinstating individuals who are subsequently determined to meet an exemption.

(3) Reporting changes to the E&T work program: The following changes will be reported to the E&T work program:

(a) work participants who become exempt from work registration;
(b) work participants who are no longer certified for participation;
(c) work participants who move from the project area; and
(d) voluntary work participants who are deregistered.
(e) In most cases, the changes listed above are reported by entering the appropriate information into the household’s computer file. In some cases, a manual form is used to report new information to the work program.

(4) Work program responsibilities: The E&T work program service provider is responsible for providing mandatory and voluntary participants referred to the E&T work program with the orientation, assessment, and development of a work participation agreement (WPA) and an individual responsibility plan (IRP).

(a) Scheduling and conducting assessment sessions: the work program will inform each registrant or participant of:

(i) mandatory and voluntary E & T work program requirements, including rights and responsibilities;
(ii) services, benefits;
(iii) placing a voluntary participant in a work activity: a participant may be placed in any work activity deemed appropriate by the work program;
(iv) authorizing reimbursements up to the regulatory monthly limit for reasonable and necessary costs directly related to work program participation;
(d) reporting voluntary work participants who wish to de-register.

(5) Good cause for noncompliance with E&T work requirements: The work program will report registrants or participants who fail or refuse to comply with work registration or who voluntarily quit a job, or reduce their work hours without good cause. The HSD has the primary responsibility to determine whether good cause exists for a failure or refusal to comply.

(a) Good cause is determined by considering the facts and circumstances involved, including information submitted by the household member and employer.

(b) Good cause includes circumstances beyond an individual’s control, such as, but not limited to:

(i) registrant or participant household member’s illness;
(ii) illness of another household member requiring the presence of the registered or participating member;

G. Assessment:

(1) Requirements: No later than 15 calendar days after an application is approved, participants shall have an assessment done by the E&T work program service provider. The assessment is a necessary pre-cursor to the IRP, development of WPA, and is a crucial and necessary element in meeting the E&T work program requirements.

(2) Elements:
   (a) Complete the assessment no later than 15 calendar days following approval of assistance for the participant in which the assessment is carried out; there are a variety of assessment tools and forms that may be used, provided that they address the participant’s education, skills, prior work experience and employability.
   (b) The assessment may include referrals for counseling, if a barrier to employment exists.
related to alcohol or drug abuse or mental health.

(3) Disqualification: [Failure to participate in or to complete the assessment may result in an E&T work program disqualification, unless good cause exists] No physically or mentally fit individual 16 years of age or older and under the age of 60 will be eligible to participate in SNAP if the individual fails or refuses, without good cause, to comply with work requirements.

H. Individual responsibility plan (IRP):

(b) intended to assist the participant in setting realistic long-term employment goals and to identify those steps which must be taken to achieve the stated goals; and
(c) not intended to fulfill the limited purpose of identifying work activities which will meet E&T work program participation requirements; the participant is encouraged to use the IRP to assist in setting long-term employment goals.

(3) Elements: The IRP shall include a specific achievable employment goal or goals and a plan for securing and maintaining employment.

I. Work participation agreement (WPA):
(1) General: The purpose of the WPA is to assure the participant and the department that the work activities in which the participant is engaged meet the E&T work program requirements and the participant is referred to receive available support services.

(2) Contents of the agreement: At a minimum, the WPA shall:
(a) list the participant's approved work component;
(b) list the level of effort for each activity;
(c) list the support services to be provided by the department;

(e) be signed by the participant; and
(f) upon approval of the component and support services, signed by the E&T work program service provider.

(3) Completion of a WPA: The participant must complete WPA with the E&T work program service provider:
(a) no later than 30 calendar days from date of approval for benefits; or
(b) prior to requesting support services associated with such activity;
(c) no later than five days after the expiration of an existing WPA.

J. E&T component:

(ii) All mandatory and voluntary participants are required to complete the individual or group job search training with employer contacts no later than 60 days after the WPA is approved. The participant is required to have completed and submit verification of the completion of a minimum of 12 employer contacts within 30 days of the approved WPA. The participant is required to have completed and submit verification of 24 employer contacts within 60 days of the approved WPA.

(iii) Disqualification: Failure to complete each element of the individual and group job search training with employer contacts component is subject to disqualification from SNAP unless good cause exists. No physically or mentally fit individual 16 years of age or older and under the age of 60 will be eligible to participate in SNAP if the individual fails or refuses, without good cause, to comply with work requirements.

(c) Successful completion: Participants who complete the individual or group job search and employer contact component within 90 days of the date of approval for newly certified and ongoing benefits are eligible for the transportation reimbursement, subject to available funding.

If the household subsequently reapplies, either in the last month of the certification period or after the certification period has expired, the individual disqualification will continue for the duration of the appropriate penalty period.

(b) If the adverse action time limit expires in the last month of the household’s certification period, the disqualification penalty will begin the following month, whether or not the household reapplies for SNAP benefits.
