I. PROJECT INFORMATION

A. PURPOSE OF RFP

The State of New Mexico's Human Services Department (HSD), Behavioral Health Services Division (BHSD) is requesting proposals from qualified entities for the services of a Fiscal Agent.

The purpose of this Request for Proposals (RFP) is to select an Offeror with experience and knowledge to perform the specific fiscal agent services described in the Contract Terms and Conditions, Scope of Work, attached as Appendix B.

Administrating Agency

Behavioral Health Services Division (BHSD), part of the Human Services Department (HSD), is the state authority for managing and providing behavioral health services, including substance abuse treatment and prevention services and mental health treatment services. As such, the contract resulting from the issuance of this RFP will be executed and managed by HSD/BHSD.

B. PROJECT SUMMARY

The HSD is a member of the New Mexico Behavioral Health Purchasing Collaborative (Collaborative), which consists of sixteen state agencies. The HSD BHSD supports the vision of the Collaborative which is:

To develop a single, statewide behavioral health services system in which behavioral health consumers are assisted in participating fully in the life of their communities; the support of recovery and development of resiliency are expected; behavioral health is promoted; the adverse effects of substance abuse and mental illness are prevented or reduced; and available funds are managed effectively and efficiently.

The processes for planning and implementing this vision call for, but are not limited to, the statewide participation of and recommendations from consumer groups, service providers, advocates, community groups and others through attendance at various statewide meetings and functions.

In addition, the Fiscal Agent service is important to meeting the programmatic goals of BHSD and the federal mandates for which BHSD must comply. It supports compliance with Federal block grant requirements which require a BH Planning Council comprised of consumers, advocates and family members and a program of services for Peer Support Specialists.

The Department is seeking a fiscal agent who will partner with it in paying for the expenditures that are incurred as a result of such participation including, but not limited to, the programmatic areas defined below. These programs and their
associated budgets, comprised of state and federal funds, may change with the increase or decrease of appropriations from the state and/or federal government.

**Office of Peer Recovery and Engagement**
Regional Wellness & Recovery Centers
Certified Peer Specialists
Special Projects

**Division Initiatives**
Behavioral Health Planning Council
Training Activities and Special Projects

**FUNDING AVAILABILITY**

The total funding to be administered by the successful offeror under this RFP is approximately $432,600 annually. This is a pass-through contract. The successful offeror may negotiate a fiscal agent fee that is up to 10% of the administered funds, contingent on experience.

The Department reserves the right to adjust this amount as needed to comply with state and federal funding and/or budget mandates, including possible reductions or increases in the budget. Contract awards are contingent upon funds appropriated by the State of New Mexico and/or the Federal Government.

**C. SCOPE OF PROCUREMENT**

This will be a single award contract. The scope of procurement shall encompass the defined Scope of Work, detailed in the Sample Professional Services Contract, Appendix B, of this RFP. The contract is scheduled to begin on July 1, 2015 or upon receiving all required state approvals, whichever is later, and end on June 30, 2019, pursuant to funding availability and satisfactory service provision each fiscal year, as determined by the Department. In no circumstance shall the contract exceed a total of four (4) years in duration.

**D. OFFEROR QUALIFICATIONS / CONFLICT OF INTEREST**

This RFP is open to any Offeror capable of performing the work described in the Contract Terms and Conditions (Appendix B) of this RFP, and meeting the following qualifications:

1. Offeror shall be a New Mexico-based, private for-profit or private non-profit entity with experience contracting with State Government;

2. Offeror shall have at least five years documented financial experience working with a state government agency in work the same as or similar to
that described in this RFP. The work required through this RFP shall be conducted by, or at a minimum, supervised by a certified public accountant (CPA).

3. Offeror must be sensitive to and knowledgeable in working and interacting with a broad spectrum of behavioral health providers, consumers and advocates involved in mental health and drug and alcohol services, specialty areas (culturally relevant populations – e.g. Native Americans) and consumers with co-occurring disorders.

4. Pursuant to the Governmental Conduct Act, Sections 10-16-1 et.seq (NMSA 1978), an Offeror shall have no direct interest which conflicts with the performance of services covered under this Agreement.

The burden is on the Offeror to present sufficient assurance to HSD that the award of the Contract to the Offeror shall not create a conflict of interest.

At that time, all proposals and documents pertaining to the proposals shall be open to the public, except for the material on which the potential Offeror has stamped or imprinted “proprietary” or “confidential” subject to the following requirements:

15. Contract Terms and Conditions

The contract between the Department and a Contractor shall follow the format specified by the Department and contain the terms and conditions set forth in Appendix B, “Contract Terms and Conditions”. The Department reserves the right to initiate negotiations with a successful Offeror of provisions in addition to those contained in this RFP. The contents of this RFP, as revised and/or supplemented, and the successful Offeror’s proposal shall be incorporated into the contract.

HSD discourages exceptions requested by Offerors to contract terms and conditions in the RFP (Appendix B – Contract Terms and Conditions). If, in the sole assessment of HSD (and its evaluation team), a proposal appears to be contingent on an exception, or on correction of what is deemed by an Offeror to be a deficiency, or if an exception would require a substantial proposal rewrite, a proposal may be rejected as nonresponsive.
The sample contract in Appendix B is HSD’s generic contract. It does not contain the terms for confidential medical or personal information, which, depending on the nature of the procurement, may be added.

All contracts for professional services are subject to the review and approval of the Department of Finance and Administration pursuant to Section 13-1-118 NMSA 1978 and DFA Rule 2NMAC40.2.

Contract variations received after the award will not be considered. The Agency may or may not accept the alternative language. Offerors agree that requested language must be agreed to in writing by the Agency to be included in the contract. If any requested alternative language submitted is not so accepted by the Agency, the attached sample contract with appropriately accepted amendments shall become the contract between the parties. General references to the Offeror’s terms and conditions or attempts at complete substitutions are not acceptable to the Agency and will result in disqualification of the Offeror’s proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording. Offerors must submit with the proposal a complete set of any additional terms and conditions which they expect to have included in a contract negotiated with the Agency.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording. any potential Offeror who is not a Responsible Offeror or fails to submit a responsive offer as defined in Sections 13-1-83 and 13-1-85 NMSA 1978.

19. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements in instances where all responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

The Department reserves the right to require a change in contractor representative if the assigned representative is not, in the opinion of the Department, adequately meeting the needs of the Agency.

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror’s proposal or removal from the contract.

24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the State of New Mexico.

25. Confidentiality

Any confidential information provided to, or developed by, the contractor in the

c. Should Offeror not meet the size requirement for reporting at contract award but subsequently grows such that they meet or exceed the size requirement for reporting, Offeror must agree to provide the required report within ninety (90) calendar days of meeting or exceeding the size requirement.

d. Offeror must also agree to levy these reporting requirements on any subcontractor(s) performing more than ten percent (10%) of the dollar value of this contract if said subcontractor(s) meets, or grows to meet, the stated employee size thresholds during the term of the contract.    a. The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge of the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

   b. The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

   c. Have within a three year period preceding this offer, had one or more contracts terminated for default by any federal or state agency or local public body.)

If during the performance of the contract, the Contractor is indicted for or otherwise criminally or civilly charged by any government entity (federal, state or local) with commission of any offenses named in this document the Contractor must provide immediate written notice to the State Purchasing Agent or other party to this Agreement. If it is later determined that the Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the State Purchasing Agent or Central Purchasing Officer may terminate the involved contract for cause. B. EVALUATION PROCESS

1. All offeror proposals will be reviewed for compliance with the mandatory requirements stated within the RFP. Proposals deemed non-responsive will be eliminated from further consideration.

2. The Procurement Manager may contact the offeror for clarification of the response.

3. The Evaluation Committee may use other sources of information to perform the evaluation as specified, including contacting references in addition to those given by the Offeror.

Responsive proposals will be evaluated based on the evaluation factors set out in Section IV that have been assigned a point value. Points will be awarded based on the thoroughness and clarity of the response, the offerors demonstrated qualifications/experience, its understanding of and approach for implementing the project, the breadth and depth of the engagements cited and the perceived validity of the response.

The responsible offerors with the highest scores will be selected as finalist offerors based upon the proposals submitted. If Best and Final offers are required, finalist offerors who are asked or choose to submit revised proposals for the purpose of obtaining best and final offers will have their points recalculated accordingly. The responsible offeror, whose proposal is most advantageous to the Agency, will be recommended for contract award as specified. Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score.

The contract award is subject to the successful negotiation of the contract.

IT IS AGREED BETWEEN THE PARTIES:

1. **Scope of Work.**
   The Contractor shall perform all services detailed in Exhibit A, Scope of Work, attached hereto.

2. **Compensation.**

   A. The HSD shall pay to the Contractor in full payment for services satisfactorily performed pursuant to the Scope of Work at the rate of _____________ dollars ($__________) in FY 16. The New Mexico gross receipts tax levied on the amounts payable under this Agreement in FY16 totaling (AMOUNT) shall be paid by the HSD to the Contractor. The total amount payable to the Contractor under this Agreement, including gross receipts tax and expenses, shall not exceed (AMOUNT) in FY16.

   (REPEAT LANGUAGE FOR EACH FISCAL YEAR COVERED BY THE AGREEMENT).

   B. Payment in FY 16, FY 17, FY18, and FY19 is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the DFA. All invoices MUST BE received by the HSD no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

   C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the HSD finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the HSD that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the HSD shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.
4. **Term.**

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE DFA. This Agreement shall terminate on **June 30, 2019** unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). In accordance with NMSA 1978, § 13-1-150, no contract term for a professional services contract, including extensions and renewals, shall exceed four years, except as set forth in NMSA 1978, § 13-1-150.

5. **Termination.**

A. **Grounds.** The HSD may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the HSD's uncured, material breach of this Agreement.

B. **Notice; HSD Opportunity to Cure.**

1. Except as otherwise provided in Paragraph (4)(B)(3), the HSD shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2. Contractor shall give HSD written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the HSD's material breaches of this Agreement upon which the termination is based and (ii) state what the HSD must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the HSD does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the HSD does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the HSD; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the State Purchasing Agent; or (iii) the Agreement is terminated pursuant to Paragraph 5, "Appropriations", of this Agreement.

C. **Liability.** Except as otherwise expressly allowed or provided under this Agreement, the HSD's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. **THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE HSD'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.**
D. **Termination Management.** Immediately upon receipt by either the HSD or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the HSD; 2) comply with all directives issued by the HSD in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the HSD shall direct for the protection, preservation, retention or transfer of all property titled to the HSD and records generated under this Agreement. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the HSD upon termination and shall be submitted to the HSD as soon as practicable.

The HSD’s decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final.    The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, § 38-3-1 (G). By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

18. **Workers Compensation.**
   The Contractor agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the HSD.

19. **Records and Financial Audit.**
   The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature and cost of services rendered during the Agreement’s term and effect and retain them for a period of five (5) years from the date of final payment under this Agreement. The records shall be subject to inspection by the Agency, the Department of Finance and Administration and the State Auditor. The Agency shall
have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the Agency to recover excessive or illegal payments.

20. **Indemnification.**

The Contractor shall defend, indemnify and hold harmless the HSD and the State of New Mexico from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Agreement, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Agreement. In the event that any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Agreement is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the HSD and the Risk Management Division of the New Mexico General Services Department by certified mail.

21. **New Mexico Employees Health Coverage.**

A. If Contractor has, or grows to, six (6) or more employees who work, or who are expected to work, an average of at least 20 hours per week over a six (6) month period during the term of the contract, Contractor certifies, by signing this agreement, to have in place, and agree to maintain for the term of the contract, health insurance for those employees and offer that health insurance to those employees if the expected annual value in the aggregate of any and all contracts between Contractor and the State exceed $250,000 dollars.

B. Contractor agrees to maintain a record of the number of employees who have (a) accepted health insurance; (b) declined health insurance due to other health insurance coverage already in place; or (c) declined health insurance for other reasons. These records are subject to review and audit by a representative of the state.

C. Contractor agrees to advise all employees of the availability of State publicly financed health care coverage programs by providing each employee with, as a minimum, the following web site link to additional information: http://insurenewmexico.state.nm.us/.

22. **Employee Pay Equity Reporting.**

Contractor agrees if it has ten (10) or more New Mexico employees OR eight (8) or more employees in the same job classification, at any time during the term of this contract, to complete and submit the PE10-249 form on the annual anniversary of the initial report submittal for contracts up to one (1) year in duration. If contractor has two hundred fifty (250) or more employees, contractor must complete and submit the PE250
form on the annual anniversary of the initial report submittal for contracts up to one (1) year in duration. For contracts that extend beyond one (1) calendar year, or are extended beyond one (1) calendar year, contractor also agrees to complete and submit the PE10-249 or PE250 form, whichever is applicable, within thirty (30) days of the annual contract anniversary date of the initial submittal date or, if more than 180 days has elapsed since submittal of the last report, at the completion of the contract, whichever comes first. Should contractor not meet the size requirement for reporting at contract award but subsequently grows such that they meet or exceed the size requirement for reporting, contractor agrees to provide the required report within ninety (90 days) of meeting or exceeding the size requirement. That submittal date shall serve as the basis for submittals required thereafter. Contractor also agrees to levy this requirement on any subcontractor(s) performing more than 10% of the dollar value of this contract if said subcontractor(s) meets, or grows to meet, the stated employee size thresholds during the term of the contract. Contractor further agrees that, should one or more subcontractor not meet the size requirement for reporting at contract award but subsequently grows such that they meet or exceed the size requirement for reporting, contractor will submit the required report, for each such subcontractor, within ninety (90 days) of that subcontractor meeting or exceeding the size requirement. Subsequent report submittals, on behalf of each such subcontractor, shall be due on the annual anniversary of the initial report submittal. Contractor shall submit the required form(s) to the State Purchasing Division of the General Services Department, and other departments as may be determined, on behalf of the applicable subcontractor(s) in accordance with the schedule contained in this paragraph. Contractor acknowledges that this subcontractor requirement applies even though contractor itself may not meet the size requirement for reporting and be required to report itself.

Notwithstanding the foregoing, if this Contract was procured pursuant to a solicitation, and if Contractor has already submitted the required report accompanying their response to such solicitation, the report does not need to be re-submitted with this Agreement.

23. **Invalid Term or Condition.**

   If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

24. **Enforcement of Agreement.**

   A party’s failure to require strict performance of any provision of this Agreement shall not waive or diminish that party’s right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

25. **Notices.**

   Any notice required to be given to either party by this Agreement shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:
To the HSD:
[insert name, address and email].

To the Contractor:
[insert name, address and email].

26. **Authority.**
If Contractor is other than a natural person, the individual(s) signing this Agreement on behalf of Contractor represents and warrants that he or she has the power and authority to bind Contractor, and that no further action, resolution, or approval from Contractor is necessary to enter into a binding contract.

Exhibit B

HSD Data Classification Directive

AUTHORITY
Federal regulations require all state agencies to establish a data classification.

The Health Insurance Portability and Accountability Act (HIPAA) of 1996, specifies requirements for data classification, privacy, and accountability for electronic protected health information (ePHI).

The Internal Revenue Service (IRS) Publication #1075, Tax Information Security for Federal, State, and Local Agencies and Other Entities, specifies requirements for data classification and controls for protecting the confidentiality of Federal Tax Information (FTI).

The Social Security Administration (SSA) Electronic Information Exchange Security Requirement, Guidelines, and Procedures for State and Local Agencies, specifies requirements for data classification and controls for protecting the confidentiality of SSA provided data.

PURPOSE
The purpose of this guideline is to provide a classification of HSD data based on its level of sensitivity, value and criticality to the HSD as required by the New Mexico Administrative Code NMAC 1.12.20. Classification of data will aid in determining baseline confidentiality, integrity, and availability controls for the protection of data.

SCOPE
This directive applies to all HSD employees, vendors and/or contractors who have access to critical systems, applications, databases, networks, information, and any other resources managed or maintained by HSD. Contractor access shall be granted based on need-to-know and least-privilege necessary as defined in the contract agreements.

BACKGROUND
Data and information with the highest risk need the greatest level of protection to prevent compromise; data with lower risk requires proportionately less protection. Data and information assets shall be protected according to the risk associated with data classification.

ROLES AND RESPONSIBILITIES
The ITD executive team shall have the responsibility of oversight and enforcement of these directives and procedures to ensure compliance. The ITD Security Team is responsible for the review, issuance and the ongoing revision of this document every three years, or when there are significant changes, with coordination among organizational entities as required. Directives and associated
changes must be approved in writing by the CIO, or designee, prior to implementation.

DIRECTIVE

A. Public Data
Data should be classified as Public when the unauthorized disclosure, alteration or destruction of that data would result in little or no risk to HSD and its affiliates. Examples of Public data include press releases, office locations, HSD website information and publications. While little or no controls are required to protect the confidentiality of Public data, some level of control is required to prevent unauthorized modification or destruction of Public data.

B. Internal Use Only/Restricted Data
This data is intended for internal HSD business use only with access restricted to a specific workgroup, office, division, group of individuals, or affiliates with a legitimate need. Data should be classified as Internal Use Only when the unauthorized disclosure, alteration or destruction of that data could result in a moderate level of risk to HSD or its affiliates. By default, all HSD Data that is not explicitly classified as Confidential or Public data should be treated as Internal Use Only data. A reasonable level of security controls should be applied to Internal Use Only data.

Internal data is generally not made available to parties outside the HSD community. Some portions of internal data may, however, be public. Disclosure of this data may occur in full or in a redacted form, as appropriate. The handling of this data should be in accordance with protecting the information as appropriate. Unauthorized disclosure could adversely impact the Agency, Affiliates, or Clients. Internal data generally has a low to moderate sensitivity. Examples include, but are not limited to, business program files such as:
- Internal memos
- Internal emails
- Contracts and Proposals prior to contract award

C. Confidential Data
This is highly sensitive data intended for limited, specific use by a workgroup, department, or group of individuals with a legitimate need-to-know. Explicit authorization by the Data Owner is required for access because of legal, contractual, privacy, or other constraints. Unauthorized disclosure could have a serious adverse impact on the business of HSD or affiliates, the personal privacy of individuals, or on compliance with federal or state laws and regulations or HSD contracts. Confidential data types require a very high level of security controls. Examples include:
- Social Security Number
- Income tax records (FTI)
- Date of birth
- Financial Information
- Place of birth
- Driver license numbers
- Mother's maiden name
- Credit card numbers
- Bank account numbers
- Personal address
- Medical records (ePHI)
- Authentication tokens (e.g., personal digital certificates, passwords, etc.)
- Personally Identifiable Information (PII). An individual's name (first name and last name, or first initial and last name) in combination with one or more of the following: a) social security number, b) driver's license number or state identification card number, or c) financial account number, or credit or debit card number, alone or in combination with any required security code, access code or password that would permit access to a consumer's financial account.

**TYPES OF CONFIDENTIAL HSD INFORMATION**

A. IRS Federal Tax Information (FTI)

FTI is defined as federal tax returns or federal tax information that has originated with the IRS. The FTI may be received directly or indirectly from the IRS. A Tax Return means any tax or information return, estimated tax declaration, or refund claim (including amendments, supplements, supporting schedules, attachments or lists) required by or permitted under the Code and filed with the IRS by, on behalf of, or with respect to any person. Examples of returns include forms filed on paper or electronically, such as Forms 1040, 941, 1099, 1120 and W-2.

**Definition of Return Information**

The definition of return information is very broad. It includes, but is not limited to:

- Any information, besides the return itself, that IRS obtained from any source or developed through any means that relates to the potential liability of any person under the Code for any tax, penalty, interest, fine, forfeiture, or other imposition or offense.
- Information extracted from a return, including names of dependents, or the location of a business.
- The taxpayer's name, address, and identification number (SSN or Federal ID).
- Information collected by the IRS about any person's tax affairs, even if identifiers like name, address, and identification number are deleted.
- Whether a return was filed, is or will be examined, or subject to other investigation or processing, including collection activities.
- Information contained on transcripts of accounts.

IRS Pub 1075 stipulates that contractors may not access FTI that is used for the Title IV-A program. Provisions of the Affordable Care Act (ACA) allow contractors that have met the Pub 1075 security controls, and have taken the required IRS training, to have access to the MAGI FTI (Modified Adjusted Gross Income) if needed to support Medicaid and CHIP eligibility determinations. However, contractors may not have access to the IEVS data (Income and Eligibility Verification System). Contractors may have access to FTI as allowed by IRS
B. HIPAA Protected Health Information (PHI)
The Privacy Rule protects all "individually identifiable health information" held or transmitted by a covered entity or its business associate, in any form or media, whether electronic, paper, or oral. The Privacy Rule calls this information "protected health information (PHI)."
"Individually identifiable health information" is information, including demographic data, that relates to:

- The individual's past, present or future physical or mental health or condition,
- The provision of health care to the individual, or
- The past, present, or future payment for the provision of health care to the individual, and that identifies the individual or for which there is a reasonable basis to believe it can be used to identify the individual. Individually identifiable health information includes many common identifiers (e.g., name, address, birth date, Social Security Number, member number, medical record number, and any number that uniquely identifies an individual in the system).

The Privacy Rule excludes from protected health information employment records that a covered entity maintains in its capacity as an employer and education and certain other records subject to, or defined in, the Family Educational Rights and Privacy Act, 20 U.S.C. §1232g.
SAMHSA data as defined by CFR 42 requires additional disclosure restrictions. For purposes of data breaches, this data is PHI and follows the HIPAA rules for disclosure reporting.

C. Personally Identifiable Information (PII)
PII is any information about an individual maintained by an agency, including, but not limited to, education, financial transactions, medical history, and criminal or employment history, and information which can be used to distinguish or trace an individual's identity, such as their name, social security number, date and place of birth, mother's maiden name, biometric records, etc., including any other personal information which is linked or linkable to an individual. Within HSD there are many examples of PII.

D. Federal Parent Locator Service Data
FPLS information consists of the National Directory of New Hires (NDNH) data, Debtor File data, and the Federal Case Registry (FCR) data. These are components of an automated national information system which locates employment, income, asset and home address information on parents in child support cases for state CS agencies. The NDNH contains new hire (W-4), quarterly wage (QW) and unemployment insurance (UI) information on employees in both the public and private sector. The Debtor File contains personal information in identifiable form including names, Social Security numbers, arrearages, and other private data. The FCR collects and maintains records provided by state CD agency registries, which include abstracts of support orders and information from child support cases with name, Social Security number, state case identification number, state Federal Information Processing Standard (FIPS) code, county code, case type, sex, date of birth, mother's maiden name, father's name, participant type
(custodial party, noncustodial parent, putative father, child), family violence indicator (domestic violence or child abuse), order indicator, locate request type, and requested locate source.

E. Data Type Examples
Within HSD, several systems exist which contain confidential data. As stated previously, this data must be protected. For illustration purposes, the table below contains several examples of different types of data with their classification.

HSD's Required Contract Language from Federal Partners, General Counsel and External Auditors, As Applicable

1. **Debarment and Suspension**

   A. Consistent with either 7 C.F.R. Part 3017 or 45 C.F.R. Part 76, as applicable, and as a separate and independent requirement of this PSC the Contractor certifies by signing this PSC, that it and its principals, to the best of its knowledge and belief: (1) are not debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal department or agency; (2) have not, within a three-year period preceding the effective date of this PSC, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; (3) have not been indicted for, or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with, commission of any of the offenses enumerated above in this Paragraph A; (4) have not, within a three-year period preceding the effective date of this PSC, had one or more public agreements or transactions (Federal, State or local) terminated for cause or default; and (5) have not been excluded from participation from Medicare, Medicaid or other federal health care programs pursuant to Title XI of the Social Security Act, 42 U.S.C. § 1320a-7.

   B. The Contractor's certification in Paragraph A, above, is a material representation of fact upon which the HSD relied when this PSC was entered into by the parties. The Contractor's certification in Paragraph A, above, shall be a continuing term or condition of this PSC. As such at all times during the performance of this PSC, the Contractor must be capable of making the certification required in Paragraph A, above, as if on the date of making such new certification the Contractor was then executing this PSC for the first time. Accordingly, the following requirements shall be read so as to apply to the original certification of the Contractor in Paragraph A, above, or to any new certification the Contractor is required to be capable of making as stated in the preceding sentence:

   1) The Contractor shall provide immediate written notice to the HSD's Program Manager if, at any time during the term of this PSC, the Contractor learns that its certification in Paragraph A, above, was erroneous on the effective date of this PSC or has become erroneous by reason of new or changed circumstances.

   2) If it is later determined that the Contractor's certification in Paragraph A, above, was erroneous on the effective date of this PSC or has become erroneous by reason of new or changed circumstances, in addition to other remedies available to the HSD, the HSD may terminate the PSC.
C. As required by statute, regulation or requirement of this PSC, and as contained in Paragraph A, above, the Contractor shall require each proposed first-tier subcontractor whose subcontract will equal or exceed $25,000, to disclose to the Contractor, in writing, whether as of the time of award of the subcontract, the subcontractor, or its principals, is or is not debarred, suspended, or proposed for debarment by any Federal department or agency. The Contractor shall make such disclosures available to the HSD when it requests subcontractor approval from the HSD. If the subcontractor, or its principals, is debarred, suspended, or proposed for debarment by any Federal, state or local department or agency, the HSD may refuse to approve the use of the subcontractor.

2. Additional Financial Audit Requirements For Non-Profit Organizations As Applicable

A. The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature and cost of services rendered during the Agreement’s term and effect and retain them for a period of five (5) years from the date of final payment under this Agreement. The records shall be subject to inspection by the HSD, the Department of Finance and Administration and the State Auditor. The HSD shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the HSD to recover excessive or illegal payments.

B. Contract for an independent A-133 audit at the Contractor’s expense, as applicable. The Contractor shall ensure that the auditor is licensed to perform audits in the State of New Mexico and shall be selected by a competitive bid process. The Contractor shall enter into a written contract with the auditor specifying the scope of the audit, the auditor’s responsibility, the date by which the audit is to be completed and the fee to be paid to the auditor for this service. Single audits shall comply with procedures specified by the HSD. The audit of the contract shall cover compliance with Federal Regulations and all financial transactions hereunder for the entire term of the Agreement in accordance with procedures promulgated by OMB Circulars or by Federal program officials for the conduct and report of such audits. An official copy of the independent auditor’s report shall be made available to the HSD and any other authorized entity as required by law within fifteen (15) days of receipt of the final audit report. The Contractor may request an extension to the deadline for submission of the audit report in writing to the HSD for good cause and the HSD reserves the right to approve or reject any such request. The HSD retains the right to contract for an independent financial and functional audit for funds and operations under this if it determines that such an audit is warranted or desired.

C. Upon completion of the audit under the applicable federal and state statutes and regulations, the Contractor shall notify the HSD when the audit is available for review and provide online access to the HSD, or the Contractor shall provide the HSD with four (4) originals of the audit report. The HSD will retain two (2) and one (1) will be sent to the HSD/Office of the Inspector General and one (1) to the HSD/Administrative Services Division/Compliance Bureau.
D. Within thirty (30) days thereafter or as otherwise determined by the HSD in writing, the Contractor shall provide the HSD with a response indicating the status of each of the exceptions or findings in the said audit report. If either the exceptions or findings in the audit are not resolved within thirty (30) days, the HSD has the right to reduce funding, terminate this Agreement, and/or recommend decertification in compliance with state and/or federal regulations governing such action.

E. This audit shall contain a schedule of financial expenditures for each program to facilitate ease of reconciliation by the HSD. This audit shall also include a schedule of depreciation for all property or equipment with a purchase price of $5,000 or more pursuant to OMB Circulars A-21, A-87, A-110, A-122 and A-133 where appropriate.

F. This audit shall include a report on compliance with requirements applicable to each major program and internal control over compliance in accordance with OMB Circulars A-21, A-87, A-110, A-122 and A-133 where appropriate.

3. Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions
   A. The applicable definitions and exceptions to prohibited conduct and disclosures contained in 31 U.S.C. § 1352 and 45 C.F.R. Part 93 or Subparts B and C of 7 C.F.R. Part 3018, as applicable, are hereby incorporated by reference in subparagraph (B) of this certification.

   B. The Contractor, by executing this PSC, certifies to the best of its knowledge and belief that:

      1) No Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on his or her behalf in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan, or cooperative agreement; and

by this BAA or PSC [], and HIPAA Standards, including breaches of unsecured PHI as required by 45 C.F.R. § 164.410, as soon as it (or any employee or agent) becomes aware of the Breach, and in no case later than three (3) business days after it (or any employee or agent) becomes aware of the Breach, except when a government official determines that a notification would impede a criminal investigation or cause damage to national security.

b. Business Associate shall provide the Department with the names of the individuals whose unsecured PHI has been, or is reasonably believed to have been, the subject of the Breach and any other available information that is required to be given to the affected individuals, as set forth in 45 CFR §164.404(c), and, if requested by the Department, provide information necessary for the Department to investigate promptly the impermissible use or disclosure. Business Associate shall continue to provide to the Department information concerning the Breach as it becomes available to it, and shall also provide such assistance and further information as is reasonably requested by the Department.

Risk Assessment

c. When Business Associate determines whether an impermissible acquisition, use or disclosure of PHI by an employee or agent poses a low probability of the PHI being compromised, it shall document its assessment of risk in accordance with 45 C.F.R. § 164.402 (in definition of "Breach", ¶ 2) based on at least the following factors: (i) the nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification; (ii) the unauthorized person who used the protected health information or to whom the disclosure was made; (iii) whether the protected health information was actually acquired or viewed; and (iv) the extent to which the risk to the protected health information has been mitigated. Such assessment shall include: 1) the name of the person(s) making the assessment, 2) a brief summary of the facts, and 3) a brief statement of the reasons documenting the determination of risk of the PHI being compromised. When requested by the Department, Business Associate shall make its risk assessments available to the Department.

d. If the Department determines that an impermissible acquisition, access, use or disclosure of PHI, for which one of Business Associate's employees or agents was responsible, constitutes a Breach, and if requested by the Department, Business Associate shall provide notice to the individuals whose PHI was the subject of the Breach. When requested to provide notice, Business Associate shall consult with the Department about the timeliness, content and method of notice, and shall receive the Department's approval concerning these elements. The cost of notice and related remedies shall be borne by Business Associate. The notice to affected individuals shall be provided as soon as reasonably possible and in no case later than 60 calendar days after Business Associate reported the Breach to the Department.

Mitigation

65
e. In addition to the above duties in this section, Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI, by Business Associate in violation of the requirements of this Agreement, the Related Agreement or the HIPAA Standards. Business Associate shall draft and carry out a plan of corrective action to address any incident of impermissible use or disclosure of PHI. If requested by the Department, Business Associate shall make its mitigation and corrective action plans available to the Department.

f. The notice to affected individuals shall be written in plain language and shall include, to the extent possible, 1) a brief description of the Breach, 2) a description of the types of Unsecured PHI that were involved in the Breach, 3) any steps individuals can take to protect themselves from potential harm resulting from the Breach, 4) a brief description of what the Business Associate and the Department are doing to investigate the Breach, to mitigate harm to individuals and to protect against further Breaches, and 5) contact procedures for individuals to ask questions or obtain additional information, as set forth in 45 CFR §164.404(c).

Notification to Clients

g. Business Associates shall notify individuals of Breaches as specified in 45 CFR §164.404(d) (methods of individual notice). In addition, when a Breach involves more than 500 residents of a State or jurisdiction, Business Associate shall, if requested by the Department, notify prominent media outlets serving such location(s), following the requirements set forth in 45 CFR §164.406.

4. Obligations of the Department to Inform Business Associate of Privacy Practices and Restrictions

a. The Department shall notify Business Associate of any limitation(s) in the Department's Notice of Privacy Practices, implemented in accordance with 45 CFR § 164.520, to the extent that such limitation may affect Business Associate's use or disclosure of PHI.

b. The Department shall notify Business Associate of any changes in, or revocation of, permission by an Individual to use or disclose PHI, to the extent that such changes may affect Business Associate's use or disclosure of PHI.

c. The Department shall notify Business Associate of any restriction in the use or disclosure of PHI that the Department has agreed to in accordance with 45 CFR § 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

d. The Department shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by the Department.

5. Term and Termination
a. **Term.** This BAA terminates concurrently with PSC [blank], except that obligations of Business Associate under this BAA related to final disposition of PHI in this Section 5 shall survive until resolved as set forth immediately below.

b. **Disposition of PHI upon Termination.** Upon termination of this PSC [blank] and BAA for any reason, Business Associate shall return or destroy all PHI in its possession, and shall retain no copies of the PHI. In the event that Business Associate determines that returning or destroying the PHI is not feasible, Business Associate shall provide to the Department notification of the conditions that make return or destruction of PHI not feasible. Upon mutual agreement of the Parties that return or destruction of the PHI is infeasible, Business Associate shall agree, and require that its agents, affiliates, subsidiaries and subcontractors agree, to the extension of all protections, limitations and restrictions required of Business Associate hereunder, for so long as the Business Associate maintains the PHI.

c. If Business Associate breaches any material term of this BAA, the Department may either:
   i. provide an opportunity for Business Associate to cure the Breach and the Department may terminate this PSC [blank] and BAA without liability or penalty in accordance with Article 4, Termination, of PSC [blank], if Business Associate does not cure the breach within the time specified by the Department; or,
   ii. immediately terminate this PSC [blank] without liability or penalty if the Department determines that cure is not reasonably possible; or,
   iii. if neither termination nor cure are feasible, the Department shall report the breach to the Secretary.

The Department has the right to seek to cure any breach by Business Associate and this right, regardless of whether the Department cures such breach, does not lessen any right or remedy available to the Department at law, in equity, or under this BAA or PSC [blank], nor does it lessen Business Associate’s responsibility for such breach or its duty to cure such breach.

6. **Penalties and Training.**

Business Associate understands and acknowledges that violations of this BAA or PSC [blank] may result in notification by the Department to law enforcement officials and regulatory, accreditation, and licensure organizations. If requested by the Department, Business Associate shall participate in training regarding use, confidentiality, and security of PHI.

7. **Miscellaneous**

   a. **Interpretation.** Any ambiguity in this BAA, or any inconsistency between the provisions of this BAA or PSC [blank], shall be resolved to permit the Department to comply with the HIPAA Standards.
b. Business Associate’s Compliance with HIPAA. The Department makes no warranty or representation that compliance by Business Associate with this BAA or the HIPAA Standards will be adequate or satisfactory for Business Associate’s own purposes or that any information in Business Associate’s possession or control, or transmitted or received by Business Associate, is or will be secure from unauthorized use or disclosure. Business Associate is solely responsible for all decisions made by Business Associate regarding the safeguarding of PHI.

c. Change in Law. In the event there are subsequent changes or clarifications of statutes, regulations or rules relating to this BAA or PSC [insert], the Department shall notify Business Associate of any actions it reasonably deems necessary to comply with such changes, and Business Associate shall promptly take such actions. In the event there is a change in federal or state laws, rules or regulations, or in the interpretation of any such laws, rules, regulations or general instructions, which may render any of the material terms of this BAA unlawful or unenforceable, or which materially affects any financial arrangement contained in this BAA, the parties shall attempt amendment of this BAA to accommodate such changes or interpretations. If the parties are unable to agree, or if amendment is not possible, the parties may terminate the BAA and PSC [insert] pursuant to its termination provisions.

d. No Third Party Beneficiaries. Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Department, Business Associate and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.

e. Assistance in Litigation or Administrative Proceedings. Business Associate shall make itself and any agents, affiliates, subsidiaries, subcontractors or workforce members assisting Business Associate in the fulfillment of its obligations under this BAA and PSC [insert] available to the Department, at no cost to the Department, to testify as witnesses or otherwise in the event that litigation or an administrative proceeding is commenced against the Department or its employees based upon claimed violation of the HIPAA standards or other laws relating to security and privacy, where such claimed violation is alleged to arise from Business Associate’s performance under this BAA or PSC [insert], except where Business Associate or its agents, affiliates, subsidiaries, subcontractors or employees are named adverse parties.

f. Additional Obligations. Department and Business Associate agree that to the extent not incorporated or referenced in any Business Associate Agreement between them, other requirements applicable to either or both that are required by the HIPAA Standards, those requirements are incorporated herein by reference.
