4. Changes to Section VII. RESPONSE SPECIFICATIONS, TITLE A. 3. PROPOSAL FORMAT, page 31

Brief Description: Revise exclusions to the 300-page count

Change From:

Hard copy proposals shall be submitted typewritten, Times Roman twelve (12) (tables and graphics may be in 10-pt font), on standard eight and a half (8½) by eleven (11) inch paper (larger paper is permissible only for charts, spreadsheets, etc.) and shall be placed in the binders with tabs delineating each section. Response must be no more than three hundred (300) pages in length excluding the title page, table of contents, tabs, pricing, resumes, financial statements, the mandatory State required forms and examples of documents. For ease of review, Offerors are encouraged to place examples in an optional separate binder.

To:

Hard copy proposals shall be submitted typewritten, Times Roman twelve (12) (tables and graphics may be in 10-pt font), on standard eight and a half (8½) by eleven (11) inch paper (larger paper is permissible only for charts, spreadsheets, etc.) and shall be placed in the binders with tabs delineating each section. Response must be no more than three hundred (300) pages in length excluding the title page, table of contents, tabs, pricing, resumes, financial statements, the mandatory State required forms, detailed work plan, detailed implementation schedule and examples of documents. The Offeror is expected to include in the 300 page limit a summary work plan with milestones and a summary implementation schedule. For ease of review, Offerors are encouraged to place examples in an optional separate binder.

5. Changes to Section VII. RESPONSE SPECIFICATIONS, TITLE VII.A.3, page 31

Brief Description: add 10-point font for Header/Footer and requirement text.

Change From:

Hard copy proposals shall be submitted typewritten, Times Roman twelve (12) (tables and graphics may be in 10-pt font), on standard eight and a half (8½) by eleven (11) inch paper (larger paper is permissible only for charts, spreadsheets, etc.) and shall be placed in the binders with tabs delineating each section. Response must be no more than three hundred (300) pages in length excluding the title page, table of contents, tabs, pricing, resumes, financial statements, the mandatory State required forms and examples of documents. For ease of review, Offerors are encouraged to place examples in an optional separate binder.

To:
Hard copy proposals shall be submitted typewritten, Times Roman twelve (12) (tables, header, footer, original RFP requirement text and proposal) graphics may be in 10-pt font), on standard eight and a half (8½) by eleven (11) inch paper (larger paper is permissible only for charts, spreadsheets, etc.) and shall be placed in the binders with tabs delineating each section. The text for the requirement question will still be included in the response and cannot exceed the three hundred (300) page limit. The requirement response must be in 12-point font. Response must be no more than three hundred (300) pages in length excluding the title page, table of contents, tabs, pricing, resumes, financial statements, the mandatory State required forms and examples of documents. For ease of review, Offerors are encouraged to place examples in an optional separate binder.

6. Changes to Section VII. RESPONSE SPECIFICATIONS, TITLE A. 2. NUMBER OF COPIES Binder 1, page 31

Brief Description: clarify 10MB is per file not for the entire proposal.

Change From:

Electronic versions of the proposal must not exceed 10 MB.

To:

Electronic versions of the proposal must not exceed 10 MB per file, not for the entire proposal submission.

7. Changes to Section APPENDIX B, TITLE COST RESPONSE FORM #2, page 43 and COST RESPONSE FORM #3 page 44,

Brief Description: Correct Numbering

Change From:

2.1 Subcontractors

To:

1.2 Subcontractors

10. Changes to Section APPENDIX G, TITLE 9.2 Additional Key QA Personnel Requirements, page 75

Brief Description: resolve conflicting time for Key Personnel

Change From:

3. All Key Personnel must be committed for no less than the first six (6) months of the contract performance period;

To:

3. All Key Personnel must be committed for no less than the initial year first six (6) months of the contract performance period;

11. Changes to Section APPENDIX G, TITLE Detailed Statement of Work, page 54

Brief Description: Clarify SOA-compliant

Change From:
The QA module must integrate with the SI Solution which consists of a highly reliable, loosely coupled, secure SOA-compliant integration platform for all of HHS 2020 that will provide systems migration capability, core shared services (as defined in the SI RFP) and an ongoing operational monitoring and management capability. The QA Contractor will be required to adhere to all standards established by the SI Contractor and approved by the State for integration, interoperability, security, Single Sign On (SSO) and transmission of data. The Contractor must exchange data using the SI’s ESB and acknowledge the data belongs to the State.

**To:**

The QA module must *be Service-Oriented Architecture (SOA) compliant, fully capable of integration via Application Programming Interfaces (APIs)* integrate with the SI Solution which consists of a highly reliable, loosely coupled, secure SOA-compliant integration platform for all of HHS 2020 that will provide systems migration capability, core shared services (as defined in the SI RFP) and an ongoing operational monitoring and management capability. *The QA module will integrate with the System Integrator’s Enterprise Service Bus (ESB) that is capable of end to end connections to all other MMISR modules, shared services and legacy systems.* The QA Contractor will be required to adhere to all standards established by the SI Contractor and approved by the State for integration, interoperability, security, Single Sign On (SSO) and transmission of data. The Contractor must exchange data using the SI’s ESB and acknowledge the data belongs to the State.

12. Changes to Section APPENDIX H, TITLE Service Expectations Requirement 7.03, page 98

Brief Description: correct typo (missing text)

**Change From:**

Offeror shall describe how its proposed services are a complete and provide for the future needs of the MMISR Framework and one which complies with CMS guidance on modularity and integration.

**To:**

Offeror shall describe how its proposed services are a complete service that and provide for the future needs of the MMISR Framework and one which complies with CMS guidance on modularity and integration.

13. Changes to Section APPENDIX H, TITLE NM HHS 2020 – Quality Assurance Requirements, page 103

Brief Description: correct numbering #7 should be #6
**Change From:**

7. Explain your ability and willingness to meet the preliminary set of SLAs and LDs in Appendix K - HHS 2020 Performance Measures. During contract negotiations, the Contractor and State will collaborate to define the SLAs which will be included in the contract. Offeror should understand and agree there will be SLAs that cannot be defined during contract negotiations for operations and will require future Contractor and State collaboration.

**To:**
