The New Mexico Human Services Department (the Department) Medical Assistance Division (MAD) is accepting comments regarding SPA 15-009 - Long Term Care Partnership proposed amendment to the Medicaid State Plan. The proposed amendment will implement a resource disregard for a beneficiary under a long-term care insurance policy that meets the requirements of a Qualified State Long-term Care Insurance Partnership policy (partnership policy). SPA 15-009 includes an affirmation HSD will not seek adjustment or recovery from the eligible recipient's estate for the amount of assets or resources disregarded in the instance where he or she may have been covered under a long-term care insurance policy and may have received benefits for which assets or resources were disregarded. HSD is proposing to have the amendment effective August 1, 2015. The Department does not anticipate a negative service or financial impact to individuals or health care providers.
