This is an amendment to 8.139.504 NMAC, Section 11, effective 07/01/2012.

8.139.504.11 BENEFIT DELIVERY

A. Benefit issuance: NM Extra Help SNAP benefits shall be issued through a direct deposit into a household’s electronic benefit transfer (EBT) food stamp account. EBT cards are issued and EBT accounts maintained as defined at 8.139.610 NMAC. A participating household has a definite issuance date so that food stamp benefits are received on or about the same time each month. The issuance date is based on the last two digits of the social security number of the individual to whom the food stamps are issued. Benefits for the month of application shall not be prorated.

B. [Benefit calculation:] Benefits are issued based on countable gross income and total combined shelter costs. Benefit amounts shall be subject to review and adjustment in coordination with the regular food stamp program and cost neutrality and may be adjusted each January. Monthly NM Extra Help SNAP benefit amounts are based on the following.

   (1) Benefits for a two person household:
   (a) The monthly benefit amount for a two person household with any amount of monthly
      shelter expense and a gross monthly income of less than $800.00 is $300.00.

   (d) The monthly benefit amount for a one person household with a gross monthly income of
      $500.00 or more and monthly shelter expenses less than $600.00 is $48.00.

Eligibility Determination: Eligibility is based on adjusted net income (ANI) which equals the countable gross income minus the appropriate standard deduction, minus the total combined shelter cost, and minus the medical deduction. To be eligible for NM Extra Help SNAP, the applicant household’s ANI must be below the appropriate net income level in accordance with 8.139.500 NMAC.

C. Benefit Calculation: Benefits are issued based on adjusted income (AI) and the shelter to income ratio (STIR). AI is equal to the gross countable income minus medical expenses.
