8.139.410.12 EMPLOYMENT, TRAINING AND WORK REGISTRATION

A. Employment and training (E & T) work registration: Compliance with work registration is a prerequisite to certification and cannot be waived. Benefits may not be conditionally granted before registration of all mandatory household members, except when verification cannot be obtained prior to the expedited service time limit. Work registration exemptions must be verified before certification.

B. Compliance with E & T work requirements: As a condition of eligibility for food stamps, every physically or mentally fit household member who is 18 years of age or older and under age 50, where no child under the age of 18 is residing in the participating SNAP household and who is determined mandatory, must register for the E & T program.

C. Non-compliance with E&T work requirements: Non-compliance with E&T work requirements is considered to exist when an individual:

(1) refuses, at the time of application and every 12 months thereafter, to register for employment in a manner prescribed by ISD; or

(2) fails or refuses to comply with the requirements under Title IV-A of the Social Security Act, or work requirements for individuals receiving UCB.

D. E & T work requirements:

(1) General conditions for registration:
(a) Unless exempt, every household member age 18 through 50 must register for employment. If a household member has his/her 18th birthday within a certification period, the work registration requirement must be fulfilled as part of the next scheduled recertification process, unless the member qualifies for an exemption.
(b) An individual who does not qualify for an exemption must be registered for employment at initial certification, or when added to the food stamp household, and at least every 12 months thereafter, as a condition of eligibility.
(c) An individual will be considered registered once they have completed and signed an application and their case is approved.
(d) Strikers whose households are eligible to apply for assistance, as defined in Subsection B of 8.139.400.11 NMAC, must register for work, unless covered by an exemption.
(e) Individuals exempt from registration may volunteer to participate in the E & T program.

(2) Individuals exempt from registration: The following individuals are exempt from the work registration requirement:
(a) an individual younger than 18 years of age or an individual 50 years of age or older;
(b) an individual age 16 or 17 who is not the head of household or is attending school or enrolled in an employment and training program at least half time, as defined by the school or employment and training program;
(c) a natural parent, adoptive or step parent or individual residing in a SNAP household that includes a child under the age of 18, even if the child is not eligible for SNAP benefits;
(d) a parent or other household member who is responsible for the care of an incapacitated person; the incapacitated person need not be considered a member of the food stamp household or even reside with the household, the exemption will not apply if the dependent or incapacitated person resides with others who provide the care;
(e) if the child has his/her sixth birthday during the certification period, the individual responsible for the care of the child is required to be registered as part of the next scheduled recertification, unless the individual qualifies for another exemption;
(iii) the dependent child or incapacitated person need not be considered a member of the

8.139.410 NMAC 1

(h) an individual who is employed or self-employed and working a minimum of 30 hours a week or receiving weekly earnings at least equal to the federal minimum wage multiplied by 30 hours;

(i) migrant and seasonal farm workers who are under contract or similar agreement with an employer or crew chief to begin employment within 30 days are exempt, although this does not prevent such individuals from seeking services from the E & T program;

(ii) workers in ACTION programs (such as VISTA) who average 30 or more hours of work per week are exempt, even though they earn less than minimum wage;

(i) a student who is eligible to participate in the food stamp program, and who is enrolled at least half time in any recognized school, high school, training program, or institution of higher education; this exemption remains in effect during normal periods of class attendance, vacations, and recess, unless the student graduates, is suspended or expelled, drops out, or does not intend to register for the next normal school term (excluding summer session);

(j) a household member who has made application for SSI and food stamp benefits at the social security administration, and whose application for food stamp benefits has been received by HSD, and who is determined eligible for food stamp benefits, shall be exempt from work registration until an SSI determination is made; a household member who is determined ineligible for SSI shall have the exemption from E & T work requirements evaluated at the time of the denial of SSI[.]

Those individuals will be dropped from referral to the E & T work program.

(b) Any household member living in a non-work program area may volunteer to participate in the E & T work program. The nearest project area administering a work program through ISD will accept the participant.

E. **E & T work program:** The income support division (ISD) administers the work program for applicants and recipients of food stamp benefits who are mandatory and who voluntarily participate in the work program. The purpose of the work program is to assist household members participating in the food stamp program to gain skills[. training, work, or work experience] that will increase an individual’s ability to obtain and/or keep employment.

(2) **HSD responsibilities:** HSD is responsible for:
(a) screening each household member to determine work registration status;
(b) registering mandatory and voluntary participants;
