I, \textit{INSERT PRACTITIONER’S NAME}, hereby attest that I meet the standards as set forth in the New Mexico Administrative Code (NMAC), MAD Supplement 19-04, and the Behavioral Health Policy and Billing Manual to allow me to render Applied Behavior Analysis (ABA) Stage 2- Assessment and ABA Stage 3-Treatment Services as a MAD-BHSD approved Behavior Analyst.

I hold a professional credential issued by the Board of Psychologist Examiners of the New Mexico Regulation and Licensing Department (RLD) whose rules, regulations, and/or standards explicitly stipulate that the provision of ABA services is within the scope of my profession’s practice.

II. I have provided documentation of training in behavior analysis comparable to that required to be eligible to take an examination for BCBA® or BCBA-D® certification, inclusive of all of the following education, supervised experiential training, and continuing education requirements.

A. Completion of graduate level instruction in the following behavior analytic content areas:
   1) Ethical and professional conduct (at least 45 classroom hours).
   2) Concepts and principles of behavior analysis (at least 45 classroom hours).
   3) Research methods in behavior analysis:
      a) Measurement (at least 25 classroom hours), and
      b) Experimental design (at least 20 classroom hours).
   4) Applied Behavior Analysis:
      a) Identification of the problem and assessment (at least 30 classroom hours); and
      b) Fundamental elements of behavior change and specific behavior change procedures (at least 45 classroom hours); and
      c) Intervention and behavior change consideration (at least 10 classroom hours); and
      d) Behavior change systems (at least 10 classroom hours); and
      e) Implementation, management, and supervision (at least 10 classroom hours).
   5) Discretionary coursework (at least 30 classroom hours)

B. Completion of supervised experience in the design and delivery of ABA services, with supervision rendered by a BCBA® or BCBA-D®. A significant portion of the supervised experience (at least 1/3) must have been accrued with an ASD or closely related population (e.g., Fragile X,
Intellectual Disability). A Psychologist applying for enrollment as a MAD BA must have completed:

1) Supervised independent field work in ABA (non-university based) of at least 1500 hours; or
2) Practicum experience in ABA (university based) of at least 1000 hours; or
3) Intensive ABA practicum experience (university based) of at least 750 hours.

C. Completion of at least 32 hours of continuing education in behavior analysis within a two year cycle period.

D. I will report any change in my credential status in-between renewals immediately to my agency and to the Behavioral Health Services Division (BHSD) ABA Program Manager.
