Hi,

I would like to make a public comment on NMAC Section 10 Subsection D in regards to 8.314.5.10 NMAC Eligible Providers:

D. (2) (c): hold a bachelor's or master's degree in social work, psychology, sociology, counseling, nursing, special education, or a closely related field or have a minimum of six years of direct experience related to the delivery of social services to people with disabilities; and

I am requesting an addition of the following for clarification that the 6 years experience replaces a 4 year degree only and a Case Manager should have a high school diploma or GED. Please edit and include the following: **or have a high school diploma or GED and** a minimum of six years of direct experience related to the delivery of social services to people with disabilities.

Please feel free to contact me for questions.
