Totals:		20,416	51.65%	19,114	48.35%	39,530	100.00%

Source: Data warehouse Tables -- captbase and captline queries

NOTE: Enrollment numbers are verified against monthly capitation reconciliation. Enrollment is based upon the capitation from the monthly roster. These enrollment numbers change on a regular basis due to a variety of factors (i.e. retroactivity, newborns). These enrollment numbers do not reflect newborns, which may be added retroactively. Includes Native Americans.
