IV. ACTION<br>FINAL RULES

## V. BACKGROUND SUMMARY

New Mexico Human Services Register Volume XLVI, Issue 9, dated August 15, 2023 issued to propose the repeal and replace of rule 8.50.108 NMAC - Establishment and Modification of Support Order (specifically sections $7,8,9,10,11,13,14$ and 15 ). The purpose of this rule is to establish the basic child support schedule by rule and provide an explanation of when a selfsupport reserve should be applied as 8.50 .108 .10 NMAC. The basic child support guideline schedule will be incorporated as Appendix 1. Section 8.50.108.10 NMAC - Furnishing Consumer Reports for Certain Purposes Relating to Child Support will be moved to 8.50.108.15 NMAC.

The Department also proposed to repeal and replace 8.50.109 NMAC - Medical Support (specifically sections $7,8,9,10,11,12,13,15$ and 16 ). The purpose of replacing this rule eliminates the need for the IV-D agency to pursue a cash medical support obligation when child(ren)'s health care coverage is provided by a public entity. Health care coverage from a
public entity satisfies the health care coverage requirement of the medical support obligor's minor child(ren).

There are proposed amendments to rules 8.50.125.10 NMAC- Collections of Fees/Recoupments; 8.50.125.12 NMAC- Distribution of Collections through Federal Income Tax Refund;
8.50.125.15 NMAC - Assigned Medical Support Collections. These amendments update fee schedule, clarify distribution of federal refund offsets and removes language pertaining to cash medical support respectively. In addition, minor edits, gender neutral language and clarity of rules are proposed throughout these sections.

The Human Services Department is authorized to propose and adopt rules under the Public Assistance Act, Section 27-2-1; Domestic Affairs Act Section 40-4-11.1 and 40-4C-3 NMSA 1978 (1992 Repl.).

A public hearing was held on October 12, 2023, to receive public comments and testimony on these proposed rules and there were no attendees and no written or oral comments received.

## Concise Explanatory Statement:

- The rule is being repealed in 8.50 .108 NMAC - Establishment and Modification of Support Order effective 1/1/2010 and replaced with the same part number 8.50.108 NMAC - Establishment and Modification of Support Order, effective January 1, 2024. A repeal and replace is necessary instead of an amendment as the rule has been substantially rewritten and restructured.
- The primary changes in the rule are to establish the basic support schedule by rule, incorporate the child support schedule within 8.50.108- NMAC as Appendix 1 and provide an explanation of when a self-support reserve should be applied. Other revisions include minor edits, gender neutral language and clarity of rules.
- The rule is being repealed in 8.50 .109 NMAC- Medical Support, effective $5 / 31 / 2001$, and replaced with the same part number 8.50.109 NMAC - Medical Support, effective January 1, 2024. A repeal and replace is necessary instead of an amendment as the rule has been substantially rewritten and restructured.
- The primary changes in the rule include removing language that pertains to the IV-D agency pursuing a cash medical support obligation when the child(ren)'s health care coverage is provided by a public entity. Adding language that a health care coverage from a public entity satisfies the health care coverage requirement for a medical support obligor's minor child(ren). Other revisions include minor edits, gender neutral language and clarity of rules.
- Rule amendments were made to 8.50.125 NMAC - Fees, Payments and Distributions to update any potential fees to a IV-D customer, clarify distribution in former assistance cases, and provide information that the IV-D agency will no longer pursue cash medical support.
- Upon review with the HSD's Office of General Counsel, other amendments were made but not promulgated in the original Notice of Rulemaking: 8.50.125.19 NMAC - Child Support Case Services clarifying language was added: "order", "but not limited to". "Custodial party" was removed and replaced with "applicant for services". In 8.50.125.20 NMAC - Issuance of Replacement Warrants - gender neutral language was added to conform with NMAC guidelines. The department is in favor of these minor amendments for clarity. These changes are not significant enough to resubmit a notice of rulemaking.

## VI. RULES

The replaced rules will be contained in 8.50.108 NMAC- Establishment and Modification of Support Order, and 8.50.109 NMAC - Medical Support and amendments to 8.50.125 Fees, Payments, and Distributions This final register and rules are available on the HSD website at http://www.hsd.state.nm.us/LookingForInformation/Default.aspx. 8.50.108.7 DEFINITIONS: The following definition applies to this part. "Self-support reserve" means the support calculation ensures the payer parent has sufficient income to maintain a minimum standard of living. Additional definitions may be found under the general provisions at 8.50.100.7 NMAC. [8.50.108.7 NMAC - N, 01/01/2024]
8.50.108.8 ESTABLISHMENT OF SUPPORT ORDER: If parentage has been legally established, and there is no support order in existence, the IV-D agency will pursue the establishment of a support order, as appropriate, pursuant to the requirements under 45 CFR $\S 303.4(\mathrm{~b})(1-4)$. All support orders obtained by the IV-D agency shall include a provision requiring the parties to keep the IV-D agency informed of their current addresses and, if the party is a parent, to also provide the name and address of their current employer, whether the parent has access to medical insurance coverage at reasonable cost, including health care coverage through a public entity and, if so, the medical insurance policy information.
A. Immediate income withholding: The IV-D agency will request an income withholding provision in accordance with the Support Enforcement Act, Section 40-4A-1 et seq., NMSA 1978. The IV-D agency will not agree to an exception to wage withholding, but will honor any court or administrative order that waives or excepts wage withholding. All payments on Title IV-D cases, whether paid through income withholding, direct withdrawal, or direct payment by the non-custodial parent shall be paid through the IV-D agency. If the custodial party obtains an order in a IV-D case for direct payments to them, the IV-D agency will begin non-cooperation procedures in active IV-A cases and close cases with no public assistance history.
B. Persons and agencies the IV-D agency will assist to establish a support order:
(1) parent;
(2) legal guardian by court or administrative order;
(3) legal custodian by court or administrative order;
(4) IV-B or IV-E agency;
(5) another IV-D agency, state, U.S. territory or country pursuant to the Uniform Interstate Family Support Act, Section 40-6A-101 et seq., NMSA 1978, or reciprocal international agreements.
C. Public assistance: If a dependent child receives public assistance, the IV-D agency will pursue a support order against the non-custodial parent, unless the IV-D agency determines that the case involves rape, incest, or it would not be in the best interest of the child(ren). If neither parent has custody of the child, the IV-D agency
will pursue a support order against both parents. If the custodian of the child(ren) receiving public assistance does not have legal standing to pursue support, the IV-D agency will seek to establish a support order solely in favor of the state as reimbursement for public assistance benefits expended on behalf of the child(ren) in accordance with the child support guidelines.
[8.50.108.8 NMAC - Rp, 8.50.108.8 NMAC, 01/01/2024]
8.50.108.9 CHILD SUPPORT AWARD GUIDELINES: The IV-D agency uses income information provided to the agency by the parties or other sources to apply the child support guidelines in Section 40-4-11.1., NMSA 1978 and the basic child support schedule now incorporated here as Appendix 1. If exact income information is unavailable, or if a party's earnings history is below minimum wage, the IV-D agency may seek to impute income to a party, provided that the amount of support is established based on consideration of the required factors under 45 CFR $\S 302.56(a-c)$. Many low wage jobs offer less than 40 hours per week, so local labor market data shall be considered when imputing income. A request for retroactive support by the IV-D agency will only be for the minimal period in accordance with New Mexico law. The custodial party may seek a longer retroactive period in accordance with the law and is solely responsible for providing all documentation, presenting all evidence, and making all arguments at any hearing or during negotiations in support for the additional time period. The amount of retroactive support requested by the IV-D agency on behalf of the state or for a custodial party will be in accordance with the child support guidelines established pursuant to 45 CFR Section302.56(f-h), or as otherwise stipulated to by the parties. Incarceration may not be treated as voluntary unemployment when a support order is being established, 45 CFR $\S 302.56$ (c)(3). Any deviations from the guidelines will contain a statement of the reason for deviation and shall be in accordance with Section 40-4-11.2 NMSA 1978.

### 8.50.108.10 BASIC CHILD SUPPORT SCHEDULE AND THE SELF-SUPPORT RESERVE:

A. In any action to establish or modify child support, the child support guidelines schedule as set forth in this section shall be applied to determine the child support due and shall be a rebuttable presumption for the amount of such child support. The basic child support schedule is reviewed quadrennially by the child support guideline commission pursuant to Section 40-4-11.3 NMSA.
B. Effective January 1, 2024, the basic child support schedule incorporates a self-support reserve (SSR). The SSR is demonstrated in the shaded area of the basic child support schedule and provides that if the payer parent's income and number of children fall into the shaded area, only the payer-parent's income is considered in the child support calculation. As a result, the payer-parent is one hundred percent responsible for SSR adjusted child support obligation from the schedule. This ensures that the SSR is effective at considering basic subsistence needs of the payer-parent who has a limited ability to pay, even if the other parent has significantly more income and their combined income is above the SSR adjusted area of the schedule. Support calculation using the SSR method is reliant on using a worksheet A only and should not take into consideration childcare cost, medical expenses to include insurance premiums, and other appropriate expenses that are otherwise considered by the child support guidelines pursuant to Subparagraph (b) of Paragraph (2) of Subsection M of Section 40-4-11.1 NMSA, 1978.
C. For shared responsibility arrangements, the basic child support obligation shall be calculated using the basic child support schedule, worksheet B and instructions contained in Subsection M of Section 40-4-11 NMSA 1978. Support calculations using worksheet B are not subject to the SSR method.
[8.50.108.10 NMAC - N, 01/01/2024]
8.50.108.11 DEFAULT JUDGMENT: The IV-D agency may seek entry of a default order by the court or administrative authority according to state law and rules of procedure regarding default orders.
[8.50.108.10 NMAC - Rp, 8.50.108.10 NMAC, 01/01/2024]
8.50.108.12 MODIFICATION OF CHILD SUPPORT ORDERS: Either party may request the IV-D agency to provide the service of seeking the modification of a support order. Applicable fees will be charged to the requesting party in compliance with 8.50 .125 .10 NMAC. The IV-D agency may seek a modification if the noncustodial parent will be incarcerated for more than 180 calendar days. The IV-D agency will not review a support order for modification without request by a party, unless the custodial party is currently receiving public assistance. In accordance with federal and state laws, a modification of a support order is retroactive only to the time period that a petition or motion was filed with a court and was pending a decision.
[8.50.108.12 NMAC - Rp, 8.50.108.12 NMAC, 01/01/2024]
8.50.108.13 REVIEW AND ADJUSTMENT OF SUPPORT ORDERS: The IV-D agency conducts a review for modification of support orders in the IV-D caseload three years from the effective date of the last support order. At the time of review, if the case is actively receiving public assistance, the IV-D agency must pursue a modification either upward or downward if its review indicates that there will be at least a twenty percent change from the current obligation of support. The review is conducted based on information provided by the parties and other sources that report income. Both parties are sent notice at the time of review to request current information from them regarding income, childcare costs, medical expenses to include insurance premiums, and any other appropriate expenses that are considered by the child support guidelines. Both parties are notified of the result of the review conducted by the IV-D agency. If the IV-D agency chooses not to pursue a modification, any party may independently pursue their own request for a modification of a support order. The state may initiate a review of an order, without a specific request for review, if information is received by the IV-D agency that the non-custodial parent will be incarcerated for more than 180 calendar days, pursuant to the conditions specified in 45 CFR §303.8(b)(2), (7), and (c). Under 45 CFR §302.56 (c)(3), incarceration may not be treated as voluntary unemployment when a support order is being modified.
[8.50.108.13 NMAC - Rp, 8.50.108.13 NMAC, 01/01/2024]
8.50.108.14 PROVISION OF SERVICES TO IV-B AND IV-E PROGRAMS: Upon request for services from the state IV-B or IV-E program, the IV-D agency will review its caseload to determine if there is an active IVD case. The IV-D agency will send a letter to both the custodial party and non-custodial parent(s) notifying them that the IV-B or IV-E agency has requested services due to the minor child(ren) being in state custody. If there is a current order of support in place, the IV-D agency will review the case for appropriate legal action. If there is not a current support order in place, the IV-D agency will work with the IV-B or IV-E agency to obtain a mutually agreed upon support order between the IV-B or IV-E agency and the IV-D agency.

8.50.109.3 STATUTORY AUTHORITY: Public Assistance Act, Section 27-2-27 et seq., NMSA 1978. The human services department is designated as the single state agency for the enforcement of child and spousal support obligations pursuant to Title IV-D of the Social Security Act (42 USC 651 et. seq.).
[8.50.109.3 NMAC - Rp, 8.50.109.3 NMAC 01/01/2024]
8.50.109.4 DURATION: Permanent.
[8.50.109.4 NMAC - Rp, 8.50.109.4 NMAC 01/01/2024]
8.50.109.5 EFFECTIVE DATE: January 1, 2024 unless a later date is cited at the end of a section. [8.50.109.5 NMAC - Rp, 8.50.109.5 NMAC 01/01/2024]
8.50.109.6 OBJECTIVE: To provide regulations in accordance with federal and state laws and regulations. [8.50.109.6 NMAC - Rp, 8.50.109.6 NMAC 01/01/2024]
8.50.109.7 DEFINITIONS: The following definitions apply to this part. Additional definitions may be found under child support enforcement program general provisions at 8.50.100.7 NMAC.
A. "Cash medical support" means an amount ordered to be paid toward medical costs for minor child(ren) not covered by insurance.
B. "Health care coverage" means health insurance coverage, generally associated with a medical, dental or vision plan of benefits, whether it be an employment-related or other group health plan, a health maintenance organization, a non-profit health plan, coverage provided by a public entity (medicaid), or any other type of health care coverage under which medical, vison or dental services are provided, regardless of service delivery mechanism. Any health care plan coverage of a minor child shall, at a minimum, meet the standards of minimum health care protection as defined in the New Mexico Insurance Code, Section 59A-23B NMSA 1978.
C. "Medical support" means cash medical support, health care coverage, dental insurance, vision insurance, or a percentage split between the custodial party and the non-custodial parent for uncovered medical bills for the minor child(ren).
D. "National medical support notice" or "notice" means a qualified notice pursuant to a court order sent to an employer stating that an employee's children must be covered by the employment-related health care insurance plan if it is available and at a reasonable cost.
[8.50.109.7 NMAC - Rp, 8.50.109.7 NMAC 01/01/2024]
8.50.109.8 ESTABLISHMENT OF MEDICAL SUPPORT: All orders obtained by the IV-D agency must include a provision for medical support for the minor child(ren). For the purposes of the IV-D program reporting, medical support includes any one of the following: private health insurance, public health care coverage (health, dental, or vision), provided by a public entity (medicaid), coverage through Indian health services (IHS), the defense enrollment eligibility reporting services (DEERS), cash medical support, or a percentage split of uncovered medical expenses for the minor child(ren). Determination of a reasonable cash medical support obligation is pursuant to 45 CFR § 303.31(a)(3). If the child(ren) are covered by IHS, the IV-D agency will request that private care coverage or health care coverage provided by a public entity (medicaid)_be provided by either or both parties, when available. If the non-custodial parent provides health care coverage and changes employment, and the new employer provides health care coverage, the IV-D agency must transfer notice of the provision to the new employer. The IV-D agency must request the inclusion of a medical support provision even when employment-related or other group health care coverage is not available or when the child(ren) cannot be added at the time the order is entered. Health care coverage provided by a public entity meets the standards required under the Mandatory Medical Support Act and
either party can be deemed a medical support obligor if they meet eligibility requirements for health care coverage through a public entity (medicaid). The cost of health care coverage is calculated by determining the amount charged to the medical support obligor for adding the minor child(ren) to the existing coverage, or the difference between individual and family coverage. The reasonableness of the cost of the health care coverage is if the cost to the party responsible for providing medical support does not exceed five percent of their gross income pursuant to 45 CFR $\S 303.31$ (a)(b). The IV-D agency may request the provision of health care coverage by either or both the custodial party and the non-custodial parent and that the parties should be responsible for any uncovered medical expenses in proportion to their incomes on the current child support worksheet. If the court does not enter an order for medical support, the IV-D case record must specify that a provision for medical support was requested but was not issued, in accordance with 45 CFR §303.31(b)(1-4).
[8.50.109.8 NMAC - Rp, 8.50.109.8 NMAC 01/01/2024]
8.50.109.9 TIME FRAMES AND REQUIREMENTS: For all referral cases, within 90 calendar days of locating a non-custodial parent or of establishing parentage, a support order must be established or service of process must be completed to establish a support order. If service of process cannot be completed, then the case record must reflect unsuccessful attempts to serve process. If the court dismisses a petition for support order without prejudice, the office must, at the time of dismissal, examine the reasons for dismissal and determine when it could be appropriate to seek a support order in the future and seek a support order at that time.
[8.50.109.9 NMAC - Rp, 8.50.109.9 NMAC 01/01/2024]
8.50.109.10 AVAILABILITY OF MEDICAL CARE COVERAGE: Medical support will be addressed in actions to establish, enforce, or modify a support order for the minor child(ren). All support orders obtained or modified by the IV-D agency will include a provision requiring either or both custodial party and the non-custodial parent to promptly inform the IV-D agency of the name and address of their current employer(s), whether either the custodial party or the non-custodial parent has access to health care coverage and, if so, the health care coverage policy information.
A. The non-custodial parent may be required to provide immediate health, dental, or vision care coverage for the minor child(ren) if health care coverage is not available to the custodial party at a more reasonable cost than to the non-custodial parent for coverage of the minor child(ren); and it is available to the non-custodial parent through an employment-related or other group health insurance plan, regardless of service delivery mechanism, which may be a labor organization, union, non-profit organization or professional association.
B. If medical care coverage is not available to the non-custodial parent through an employmentrelated or other group health care coverage plan, and health care coverage is not being provided by the custodial party, the non-custodial parent may be required to provide immediate health insurance coverage for the minor child(ren) when it becomes available through an employment-related or other group health insurance plan.
C. Either the custodial party or the non-custodial parent may be deemed to be a medical support obligor based on the availability of health care coverage through a public entity when either party meets eligibility requirements.
D. Failure by a non-custodial parent to provide medical support for the minor child(ren), and to provide information concerning health care coverage, will subject the non-custodial parent to legal proceedings requiring the non-custodial parent to show cause as to why the non-custodial parent should not be held in contempt of court for failure to fulfill the requirements of the court order. This will be true even if medical support is the only area in which the non-custodial parent is not in compliance with the terms of the order.

### 8.50.109.11 PROVIDING CUSTODIAL PARTIES WITH HEALTH CARE COVERAGE

INFORMATION: If the non-custodial parent is responsible for providing health care coverage, the IV-D agency will provide the custodial party with available health care coverage plan information when the non-custodial parent secures coverage for the minor child(ren). This includes any information available to the IV-D agency about the health care coverage plan that would permit a claim to be filed or services to be provided. In cases enforced by the national medical support notice, the health care coverage plan shall provide this information to the custodial party and the IV-D agency, as outlined on the notice.
[8.50.109.11 NMAC - Rp, 8.50.109.11 NMAC 01/01/2024]
8.50.109.12 MONITORING AND ENFORCING COVERAGE: In all cases in which there is a court order with no medical support ordered, the case will be reviewed pursuant to the IV-D agency's plan for automatic review
of all IV-D cases every three years. Even if no other modification is expected, the IV-D agency must seek modification to include medical support, except in non-IV-A non-medicaid cases where the custodial party has not consented to the IV-D agency obtaining medical support. All remedies available for the collection and enforcement of child support apply to medical support. In cases where the non-custodial parent is required to provide health care coverage through an employment-related or other group health care coverage plan pursuant to a support order, the IV-D agency shall use, where appropriate, the national medical support notice to enforce the provisions of health care coverage for the minor child(ren).
A. The IV-D agency must use the notice, when appropriate, to notify employers of the provision for health care coverage of the minor child(ren). The IV-D agency must transfer the notice to the employer within two business days after the date of entry of an employee who is an obligor in an IV-D case in the state directory of new hires.
B. Employers must transfer the notice to the appropriate group health care coverage plan for which the minor child(ren) are eligible within 20 business days after the date of the notice.
C. Employers must withhold any obligation of the employee for employee contributions necessary for coverage of the minor child(ren) and send any amount withheld directly to the health care coverage plan. Employees may contest the withholding based on a mistake of fact. If the employee contests such withholding, the employer must proceed with withholding until such time as the employer receives notice from the IV-D agency that the contest is resolved.
D. Upon receipt of the national medical support notice, the employer shall enroll the medical support obligor's minor child(ren) in a qualified health care coverage plan as eligible dependents. Except as specifically outlined on the notice, the health care coverage plan shall not be required to provide benefits or eligibility for such benefits in addition to those provided under the terms of the plan immediately before receipt of the notice.
E. If the medical support obligor is enrolled in a qualified health care coverage plan, the minor child(ren) shall be enrolled in the same health care coverage plan in which the medical support obligor is enrolled. If the medical support obligor is not enrolled in a qualified health care coverage plan, the premiums charged for enrollment of the minor child(ren) only shall be the same as would be charged for enrollment of the medical support obligor only. If the medical support obligor is not enrolled in a qualified health care coverage plan and there is more than one health care coverage plan option available for enrollment of the minor child(ren), the employer shall notify the IV-D agency and the IV-D agency, in consultation with the custodial party, will select a qualified health care coverage plan option. If the custodial party does not notify the IV-D agency of the selected qualified health care coverage plan option within the timeframe required by the IV-D agency, the minor child(ren)_shall be enrolled in the qualified health care coverage plan's default option, which is defined as the least costly health care coverage plan that conforms with the minimum health care protection as defined in the New Mexico Insurance Code, Section 59A-23B-1 et seq NMSA 1978.
F. The health care coverage plan must notify the IV-D agency of the status of health care coverage for the minor child(ren), as outlined on the notice, within 40 business days after the date of the notice. The plan shall also promptly notify the custodial party of the plan coverage and effective date, as outlined on the notice.
G. Employers must notify the IV-D agency promptly whenever the medical support obligor's employment is terminated, in the same manner as is required for income withholding cases.
H. The IV-D agency must promptly notify the employer when there is no longer a current order for medical support in effect for which the IV-D agency is responsible.
I. In instances in which a minor child is covered through a public entity, the medical support obligor is required to maintain the recertification of the health care coverage as long as the medical support obligor meets eligibility requirements.
[8.50.109.12 NMAC - Rp, 8.50.109.12 NMAC 01/01/2024]
8.50.109.13 MEDICAL SUPPORT PROVIDED BY THE CUSTODIAL PARTY: In cases where the custodial party has satisfactory medical care coverage for the minor child(ren), the amount expended by the custodial party for health care coverage will be taken into account pursuant to the New Mexico child support guidelines worksheet that will be attached to the order, if applicable. The IV-D agency will not enforce court ordered medical support against a custodial party.
[8.50.109.13 NMAC - Rp, 8.50.109.13 NMAC 01/01/2024]
8.50.109.14 COMMUNICATION WITH THE MEDICAL ASSISTANCE DIVISION: The IV-D agency is required to relay information regarding private health, dental, or vision care coverage to the medical assistance division. This information includes newly obtained coverage, changes in coverage, or coverage lapses. The IV-D
agency must report to the medical assistance division any medical support payments made directly to the custodial party if there is an assignment of medical support pursuant to 42 CFR 433.146. The IV-D agency in cooperation with the medical assistance division will communicate to determine if there are any lapses in health care coverage for medicaid applicant/recipient.
[8.50.109.14 NMAC - Rp, 8.50.109.14 NMAC 01/01/2024]
8.50.109.15 ORDERING SPECIFIC DOLLAR AMOUNTS FOR MEDICAL SUPPORT: The support order should include a set amount and specify that the amount is designated for cash medical support as outlined in Section 40-4C-3 NMSA 1978. This amount should be in addition to and not in lieu of the non-custodial parent's obligation to pay a percentage of unreimbursed medical expenses. Either the custodial party or the non-custodial parent may request the court to order the provision of cash medical support. The IV-D agency will enforce a provision for cash medical support established or modified by any party so long as the support order designates a specific dollar amount to be paid in regular, equal installments (i.e., monthly, bi-weekly, weekly). If the order does not designate a specific dollar amount for medical support purposes, the IV-D agency is not required to collect the money.
[8.50.109.15 NMAC - Rp, 8.50.109.15 NMAC 01/01/2024]
8.50.109.16 DISTRIBUTION OF MEDICAL SUPPORT: The IV-D agency collects and distributes cash medical support and payments toward medical support judgments. Medical support shall be_distributed directly to the custodial party when a court has ordered a cash medical support obligation in favor of the custodial party. The IV-D agency is not pursuing cash medical support on cases in which the minor child(ren) receive health care coverage through a public entity.
[8.50.109.16 NMAC - Rp, 8.50.109.16 NMAC 01/01/2024]
8.50.109.17 FEES: In IV-D cases being enforced for medical support pursuant to the requirements of the national medical support notice, an employer may not assess a fee for withholding or for sending to the health care coverage plan, the employee contributions necessary for health care coverage of the minor child(ren).

### 8.50.125.8 CHILD SUPPORT PAYMENTS:

A. The IV-D agency has in effect procedures for the payment of support through the IV-D agency upon the request of either the non-custodial party or the custodial party, regardless of whether arrearages exist or withholding procedures have been instituted. The IV-D agency is designated to administer the state's withholding system. The IV-D agency monitors all amounts paid and the dates of payments and records them on an individual payment record. As a condition of receiving IV-D services and cooperating with the IV-D agency, recipients must submit to the IV-D agency child support received directly from the non-custodial party. If the recipient of title XIX (medicaid) services elects to receive medical support services only, the recipient of title XIX (medicaid) services may keep child support payments received directly from the payor.
B. All support payments disbursed by the IV-D agency shall be through electronic funds transfer (EFT). The custodial party must elect to receive the payments via direct deposit or a pre-paid debit card authorized by the IV-D agency. If a custodial party receiving support payments fails to choose either option at the time of application or when requested by the IV-D agency, they will automatically be enrolled in the IV-D authorized prepaid debit card program and will be sent a fee schedule. Exceptions to disbursements via EFT may be granted for exceptional circumstances. Those wishing to request an exemption should request an "EFT exemption form" from the IV-D agency. The form must be fully completed to include an explanation of the exceptional circumstances requiring an exemption from EFT. The IV-D agency will respond in writing either granting or denying the request for an exemption.

Once the percentage for the fee is deducted, the balance of the distribution is sent to the custodial party. Title IV-A, Title IV-E and medicaid-only (Title XIX) recipients are not charged any fees. Federal regulations will not allow cost recovery on these cases. A listing of any applicable fees will be given to all customers.

### 8.50.125.11 DISTRIBUTION OF COLLECTIONS (EXCEPT FOR FEDERAL INCOME TAX

REFUND OFFSETS): Specific terms used in this section are derived from 42 USC 657 and 45 CFR 300 through 303.
A. In accordance with federal regulations, for purposes of distribution in a IV-D case, amounts collected, except for amounts collected through federal income tax refund offset, must be distributed as follows:
(1) monthly payment ordered for current ongoing support;
(2) monthly payment ordered for judgment on arrears;
(3) current support delinquency;
(4) past due support delinquency;
(5) in each of the categories above, the payment is prioritized in the following order: child support, medical support, spousal support; any payment that is insufficient to meet the entire obligation will be applied in the order stated above.
B. The requirement to apply collections first to satisfy the current support obligation is critical in all IV-D cases to ensure that payment records are consistent in interstate cases, regardless of whether the amount applied to current support is paid to the family (as in a former assistance case) or retained by the state to recover unreimbursed assistance in a current assistance case.
C. Current assistance cases: The state will (not exceeding the cumulative amount of unreimbursed assistance paid to the family):
(1) pay to the federal government the federal share of the amount collected that is applied to assigned support;
(2) retain the state share of the amount collected that is applied to assigned support; and
(3) reduce the cumulative amount of unreimbursed assistance by the total amount collected that is applied to assigned support and disbursed under Paragraphs (1) and (2) of Subsection, C of 8.50.125.11 NMAC and distribute collections exceeding the cumulative amount of unreimbursed assistance to the family in excess of Paragraphs (1) and (2) of Subsection, C of 8.50.125.11 NMAC to satisfy never assigned support, unassigned support and conditionally assigned support.

G. Collected funds will be distributed to the resident parent, legal guardian, caretaker relative having custody of or responsibility for the child or children, judicially-appointed conservator with a legal and fiduciary duty to the custodial parent and the child, or alternate caretaker designated in a record by the custodial parent. An alternate caretaker is a nonrelative caretaker who is designated in a record by the custodial parent to take care of the children for a temporary time period.
H. When the non-custodial parent has multiple cases with the IV-D agency, payments received from the non-custodial parent through wage withholding shall be distributed among all active cases on a pro-rata basis determined by the total amount of all monthly support obligations. Payments received through administrative enforcement mechanisms shall be distributed among multiple cases on a pro-rata split based on the total amount of arrearages owed at the time of the referral for administrative enforcement, except for reinstatement of license(s). Payments received for the reinstatement of licenses will be applied to the specific case(s) rather than split among multiple cases. Any other direct payments made by the non-custodial parent will be divided among all active cases involving the non-custodial parent.

8.50.125.13 CURRENT ASSISTANCE PASS THROUGH PAYMENTS: At the discretion of the New Mexico legislature, the IV-D agency may disburse an amount based on budget availability (refer to NMSA § 27-2B7 and disregard for child support payments in 8.102 .520 .9 NMAC for allowable amount), to the IV-A service recipient from collections on current support. Therefore, in current or former assistance cases, the IV-D agency may not use child-level accounting by splitting or pro-rating the family grant amount on a per-child basis when the child is (or was) included in the family unit and must continue to apply collections to the cumulative amount of unreimbursed assistance balances based on the total monthly family grant amount.
