

Michelle Lujan Grisham, Governor David R. Scrase, M.D., Secretary Nicole Comeaux, J.D., M.P.H., Director

Letter of Direction #83

Date:	July 6, 2022
То:	Centennial Care 2.0 Managed Care Organizations
From:	Nicole Comeaux, Director, Medical Assistance Division
Subject:	Health Care Quality Surcharge (HCQS) Per Diem and Market Basket Index
	(MBI) Increase for State Fiscal Year (SFY) 2023
Title:	HCQS Per Diem and MBI increase for SFY 2023

Background

The purpose of this Letter of Direction (LOD) is to provide instructions to the Centennial Care Managed Care Organizations (MCOs) for implementing the Health Care Quality Surcharge (HCQS) Per Diem and Market Basket Index (MBI) increase for State Fiscal Year (SFY) 2023 (July 1, 2022 through June 30, 2023) as required by New Mexico statute, §7-41-4 and §7-41-6 NMSA 1978, originally enacted under Senate Bill 246 (SB246) during the 2019 Regular Legislative Session. In accordance with SB246 statutory requirements, the Per Diem and MBI will be adjusted on July 1st of each year. HSD has provided detailed instruction for implementation of the HCQS in letter of direction #32 (LOD #32). This LOD does not replace or supersede the direction in LOD #32. Besides the changes noted in this LOD, the MCOs are required to continue to follow the direction in LOD #32.

Nursing Facility Per Diem and MBI increases effective July 1, 2022

Effective July 1, 2022, the MCOs are directed to implement Medicaid rate increases to nursing facilities (NFs) in two categories as follows:

- 1. Revised uniform per diem rate increases based on class of facility; this amount replaces the amount indicated in LOD 65:
 - Class 1 <60 beds exempt from surcharge: No per diem rate increase;
 - Class 2 60 or more beds and <90,000 Medicaid bed days: \$24.13/Medicaid bed day; and
 - Class 3 60 or more beds and 90,000 or more Medicaid bed days: \$8.45/Medicaid bed day.
- 2. Market Basket Increase (MBI) of 2.7% (0.027) for each facility. This amount is calculated before the per diem increase add-on cited above. This amount shall be in addition to the MBI increase indicated in LOD 47, which should already be incorporated in the Nursing Facility's July 2020 through June 2021 rate in effect and LOD 65 which should already be incorporated

in the Nursing Facility's July 2021 through June 2022 rate in effect. The operational formula associated with the MBI increase is as follows:

July 2021 through June 2022 Nursing Facility Rate * (1+0.027) + Uniform per diem = July 2022 through June 2023 Nursing Facility Rate

The MCOs are directed to increase NF per diem rates by the uniform percentage MBI factor and the uniform per diem add-on for utilization for both short term and long term bed days incurred by Medicaid members beginning July 1, 2022.

Inclusion of the HCQS Program in MCO Capitation Rates

To support the HCQS MBI increase, HSD has increased the capitated rates for impacted cohorts in the Physical Health (PH), Long-Term Services and Supports (LTSS), and Other Adult Group (OAG) programs. The payment has been calculated based on the program allocation and the distribution of affected members. The MCOs will begin receiving the increased capitation for these cohorts on July 1, 2022.

Payment Distribution Schedule

All quality payments for SFY22 will be made based on the distribution schedule below:

Quality Period	Deadline to Pay NFs		
January 1, 2022 – March 31, 2022	July 30, 2022		
April 1, 2022 – June 30, 2022	October 29, 2022		
July 1, 2022 – September 30, 2022	January 28, 2023		
October 1, 2022 – December 31, 2022	April 29, 2023
