<p>V. Updated Medicaid Data</p> <ul style="list-style-type: none"> 1115 Waiver Renewal Presentation 	<p>Nancy Smith-Leslie presented a Director's update on the Medicaid 1115 Waiver</p> <p>Waiver update - MAD is currently in the public comment period for the Centennial Care waiver renewal. (Today is the second public hearing regarding the waiver renewal. There will be two more public hearings in Las Vegas and Albuquerque.) MAD is still on track to submit the final waiver application to CMS at the end of November also MAD is in the process of an active procurement to select the Centennial Care 2.0 managed care organizations. Contracts will be awarded in March of 2018. There will be 8 months of readiness before going live on January 1, 2019.</p> <p>MMISR update – MAD is in active negotiations with the System Integrator vendor. MAD will then start negotiations with the selected Data Services RFP vendor in the upcoming weeks. The Quality Assurance RFP Module is scheduled to be released in November.
