

August 3, 2020

The New Mexico Human Services Department Medical Assistance Division is providing notice of a proposed increase for Family Infant Toddler (FIT) program rates for specific services provided on or after July 1, 2020.

These changes are being made due to the Developmental Disabilities Supports Division (DDSD) Family Infant Toddler (FIT) Program receiving an appropriation of \$1,000,000.00 from the 2020 State Legislature for rate increases to FIT Program services, which are funded under State and Medicaid funds. This program is transferring to the Early Childhood Education and Care Department, Division of Support and Intervention effective July 1, 2020. These services are provided under Early and Periodic Screening, Diagnosis and Treatment (EPSDT) - Special Rehabilitation and the State General Fund; the match will be paid through the Early Childhood Education and Care Department.
