Interested Parties:

The Human Services Department (the Department), through the Medical Assistance Division (MAD), is proposing to amend the New Mexico Administrative Code (NMAC) rule 8.314.3 NMAC, *Medically Fragile Home and Community-Based Services Waiver Services*.

The Department is seeking approval of an amendment to the Medically Fragile Waiver from the Centers for Medicare and Medicaid Services (CMS) to increase provider rates for nursing RN, nursing LPN, occupational therapy, physical therapy, speech language pathology, and case management services and to add the home accessibility adaptations service, known as Environmental Modifications (EMODs) as a service included in the waiver. Environmental Modifications (EMODs) help to ensure health, welfare, and safety of the eligible recipient or enable the eligible recipient to function with greater independence in the home. The rule is being amended to align services and definitions with the amendment and to allow additional funding if a recipient's Individualized Service Plan (ISP) budget exceeds the capped dollar amount due to provider rate increases.

Section 9-8-6 NMSA 1978, authorizes the Department Secretary to promulgate rules and regulations that may be necessary to carry out the duties of the Department and its divisions.
