

## NOTICE OF PROPOSED RULEMAKING

On July 1, 2024, the New Mexico Human Services Department (the Department) will become the New Mexico Health Care Authority (“HCA”), pursuant to the passage of S16 during the 2023 NM Legislative Session and signed into law by NM Governor Michelle Lujan Grisham. To bring the New Mexico Administrative Code (NMAC) into full alignment with this change, the Department is proposing to amend rules found in the New Mexico Administrative Code (NMAC) as outlined below and as listed at the end of this Notice. These proposed amendments are to address the administrative need to change the name of the Human Services Department to the Health Care Authority and throughout this rule, if found, “department” to “authority” or “HSD” was changed to “HCA”. There are no programmatic changes proposed.

Section 9-8-6 NMSA 1978, authorizes the Department Secretary to promulgate rules and regulations that may be necessary to carry out the duties of the Department and its divisions.

These proposed rule changes are available on the HSD website at: <https://www.hsd.state.nm.us/lookingforinformation/registers/> and <https://www.hsd.state.nm.us/2024-comment-period-open/>. If you do not have internet access, a copy of the proposed register and rule may be requested by contacting HSD at (505) 709-8865.

For all amendments of all rules listed at the end of this notice, the draft language of every amendment will be substantially the same for each section:

Section 1 is being amended to reflect the change from the Human Services Department to the Health Care Authority. Section 3 is being amended to add the statutory citation for the Health Care Authority (Section 9-8-1 et seq. NMSA 1978.)

An explanatory sentence is added to every amendment that states: “Consistent with all other rules converted from the Human Services Department to the Health Care Authority; throughout this rule, if found, “department” was changed to “authority” or “HSD” was changed to “HCA”.”

The amendments to these rules do not encompass any other substantive changes to any other section.
