- Regular Mail: Exchange Comments – Human Services Department – P.O. Box 2348 – Santa Fe, NM 87504

About the Task Force

HSD has established the New Mexico Health Insurance Exchange Advisory Task Force made up of thirteen members representing a variety of interests and perspectives. The Task Force, in conjunction with HSD, will oversee the work of a number of Work Groups, each one tackling a series of targeted questions, integral to the establishment of a state health insurance exchange.

In addition to the Task Force work, HSD will undertake activities such as gathering critical input regarding program integration, cost allocation, exchange regulation, and other topics central to the establishment of a state-based health insurance exchange.
