

CHANGES TO MEDICAID FEE SCHEDULE EFFECTIVE July 1, 2019

Current Procedural Terminology (including procedure codes, nomenclature, descriptors and other data contained therein) is copyright © 2015 American Medical Association. All rights reserved.

Providers who are paid fee schedule rates in relationship or as a percent of another type of provider, will be also reduced at the applicable percentage. For example, a certified nurse practitioner in private practice is paid at a percentage rate of the physician or a behavioral health provider may be paid at the reduced rate from a psychologist or psychiatrist.
