# PROPOSED AMENDMENTS

# V. BACKGROUND

Annual adjustments were made to the income limits found in 8.102.500 NMAC and 8.106.500 NMAC. Each year the Department is required to update the income and resource eligibility standards as well as the deduction amounts available to otherwise eligible households. These amounts are determined by the United States Department of Agriculture (USDA) and Food and Nutrition Services (FNS). The Department received notification of the adjusted amounts on August 16, 2021 and made the adjustments effective for benefit month October 2021 for Federal Fiscal Year (FFY) 2022 to comply with federal law and regulations.

The Department is also amending 8.100.130 NMAC, 8.102.410 NMAC and 8.106.410 NMAC for SNAP and Cash to align the Federal Regulations surrounding felon status and the eligibility of certain convicted felons.

In addition, the Department is clarifying dependent care expenses in relation to SNAP found in 8.139.520 NMAC and adding lottery and gambling winnings to 8.139.120 NMAC as a reportable change.

## **Concise Explanatory Statement:**

Regulations issued pursuant to the act are contained in 45 CFR Parts 200-299. Administration of the Human Services Department (HSD), including its authority to promulgate regulations, is governed by Chapter 9, Article 8, NMSA 1978 (Repl. 1983). The Department promulgated rules to adjust the annual income limits as an emergency rule effective October 1, 2021, which did not permanently amend or repeal the existing rule as well as to clarify current SNAP and Cash regulations listed above. The emergency rule change remains in effect until a permanent rule takes effect under the normal rule making process.

(2) Work supplementation programs: The EID shall not be allowed for any amount of income which is earned under a work supplementation or support program and is attributable to public assistance.
 D. Medical deductions: Allowable medical deductions include:

(1) **Elderly/disabled:** Medical expenses in excess of \$35.00 per month, excluding special diets, incurred by any household member who is elderly or disabled.

(2) **Emergency SSI:** Individuals receiving emergency SSI benefits based on presumptive eligibility shall be eligible for the medical deduction.

(3) **Death:** A medical expense incurred by a household member who dies shall be allowed as a deduction if the member was eligible for the deduction at the time of death and if the remaining household members are legally responsible for payment.

(4) **Hospital/outpatient/nursing home:** Medical expenses, such as hospitalization or outpatient treatment, nursing care and nursing home care, including payments by a household for an individual who was an eligible household member immediately before entering a hospital or nursing home facility recognized by the state, are allowable deductions.

(5) Not eligible: Spouses, children or other individuals in the household who are not elderly or disabled, shall not be entitled to claim the medical deduction.

#### (6) Allowing medical expenses:

(a) **One-time only expense:** 

(i) A household may choose to have a one-time only expense, reported at certification, deducted in a lump sum or averaged over the certification period.

(ii) If a household incurs a one-time medical expense and has made arrangements with the provider to make monthly installments (beyond the current certification period), the expense may be allowed each month as arranged.

(iii) A household reporting a one-time only medical expense during its certification period may choose to have a one-time deduction or to have the expense averaged over the remaining months of the certification period.

(b) Households certified for 24 months: A household certified for 24 months cannot have a one-time medical expense averaged over the 24-month certification period.

(i) A one-time medical expense may be deducted in the first month of the 24-month certification period; or the one-time medical expense may be deducted and averaged over the first 12 months of the 24-month certification period.

(ii) One-time medical expenses reported after the first 12 months of the certification period shall be averaged over the remaining months.

(c) **Expense in last month of certification:** If a household is billed for and reports an expense during the last month of its certification period, the deduction shall not be allowed. If the expense will be paid in installments during the following certification period, the deduction shall be allowed during the appropriate number of months in the subsequent certification period.

(d) **Fluctuating expenses:** Fluctuating medical expenses shall be allowed as deductions if regularly recurring, reasonably anticipated, and verified. Once determined, the household is not

required to report changes of \$25 or less or reverify expenses each month.

(e) Anticipated changes in expenses: At certification and recertification the household must report and verify all medical expenses. The household's monthly medical deduction for the certification period shall be based on:

(i) anticipated changes in the household's medical expenses that can reasonably be expected to occur during the certification period based on available information about the recipients medical condition, public or private insurance coverage, and current verified medical expenses; and

(ii) expenses that occurred during the certification period that will continuein the new certification period; and(iii) consideration of unpaid and past due medical expenses that will

(iii) consideration of unpaid and past due medical expenses that will continue in the certification period.

(f) If a household reports an allowable medical expense at the time of certification but cannot provide verification at that time, and if the amount of the expense cannot be reasonably anticipated based upon available information about the recipients' medical condition and public or private medical insurance coverage, the household shall have the nonreimbursable portion of the medical expense considered at the time the amount of the expense or reimbursement is reported and verified.

(g) A household shall not be required to file reports about its medical expenses during the certification period. If a household voluntarily reports a change in its medical expenses, the caseworker shall act on the change in accordance with regulations in (c) of Paragraph (1) of Subsection B of 8.139.120.10 NMAC.

(7) **Past due and unpaid medical expenses:** The medical expense deduction shall not be determined by averaging past due or unpaid monthly medical expenses. Such expenses shall be used only as an indicator of what can reasonably be anticipated. Medical expenses which the household might reasonably anticipate receiving include but are not limited to costs of medical services and treatment received regularly, but less often than monthly, and prescription drugs.

(8) Medical and dental care: Medical and dental care, psychotherapy, and rehabilitation services, provided by licensed practitioners authorized by state law, or other qualified health professional, shall be allowed as medical expense deductions. State licenses in New Mexico are authorized by occupational licensing boards. A state-licensed practitioner has such a license. Native American practitioners (medicine men) are not licensed, but are recognized as health practitioners for this purpose.

(9) **Prescription drugs and medical supplies:** Prescription drugs, when prescribed by a licensed practitioner authorized under state law, and over-the-counter medications (including insulin) when approved by a licensed practitioner or other qualified health professional, shall be allowed as deductions. In addition, costs for medical supplies, sick-room equipment (including rental), or other prescribed equipment are deductible.

(10) Health and hospitalization/medicare premiums: Health and hospitalization insurance premiums, and medicare premiums, as well as any cost sharing or spend-down expenses incurred by medicaid recipients, are allowable deductions. If a medical insurance policy includes benefits for household members not eligible for a deduction, only that portion of the premium assigned to the eligible member(s) may be considered a deduction. In the absence of specific information about how much of the premium is for the eligible member(s), a pro rata amount may be used. This system may be used even if the policy holder does not qualify for the deduction but the policy includes a person(s) who does qualify. The cost of life or health and accident policies, such as those payable in lump sum settlements for death or dismemberment, or income maintenance policies that continue mortgage or loan payments while the beneficiary is disabled, are not deductible.

(11) **Transportation and lodging costs:** Reasonable costs of transportation and lodging to obtain medical treatment or services are deductible. The allowance for mileage in privately owned vehicles is the same as the amount allowed state employees. Lodging costs may not exceed the daily expense amount allowed (per diem) for state employees.

(12) Maintaining an attendant: Costs of maintaining an attendant, homemaker or home health aide, child care services, or housekeeper that are necessary because of age, infirmity, or illness are deductible medical expenses. In addition, an amount equal to the food stamp benefit amount for one person is deductible if the household furnishes the majority of the attendant's meals. The food stamp benefit amount for the meal-related deduction is the one in effect at the time of initial certification. The caseworker shall update the food stamp benefit amount for meals at the next scheduled recertification. If a household incurs attendant care expenses that could qualify under both the medical deduction and the dependent care deduction, the caseworker shall treat the expense as a medical expense.

- (13) **Other expenses:** Other deductible expenses include but are not limited to:
  - (a) dentures, hearing aids, prosthetics;
- (b) securing and maintaining a seeing-eye or hearing dog, or other service animal, including the cost of dog food and veterinary bills; and

# (c) eyeglasses or contact lenses prescribed by an ophthalmologist or an optometrist. (14) Prescription drug card expense:

(a) An individual participating in the food stamp program who has enrolled for the medicare-approved drug discount card shall have \$23.00 credited to the monthly medical expense allowed for that individual.

(b) An individual participating in the food stamp program who receives a \$600.00 transitional assistance credit on the medicare-approved drug discount card for the calendar years 2004 and 2005 shall have \$50.00 credited to the monthly medical expense allowed for that individual for each month after September 2004, through December 2005, and not beyond that month.

#### Dependent care expenses:

E.

(1) **Deductible amounts:** Payments may be deducted for the actual cost of the care of children or other dependents when necessary for a household member to accept or continue employment, comply with E&T work requirements, or an equivalent effort by those not required to comply with E&T work requirements, or attend training or pursue education which is preparatory to employment or leads to a degree. [An amount up to the maximum allowed may be deducted for each child requiring dependent care (See Paragraph (3) of Subsection F of 8.139.500.8 NMAC, deductions and standards)] Allowable costs include:

	- ,	/
	(a)	the costs of care given by an individual care provider or care;
	(b)	transportation costs to and from the care facility; and
	(c)	activity or other fees associated with the care provided to the dependent that are
necessary for the h	ousehold to pa	rticipate in the care.

(2) Household member provides care: If a household member provides dependent care, the payment is neither income to the payee nor a deduction for the payor (see Subsection A of 8.139.500.11 NMAC).

(3) **Income excluded/deduction allowed:** Households whose dependent care costs are paid in accordance with 8.139.527 NMAC, income and resources excluded by federal law, shall be entitled to a dependent care deduction only for the amount of the child care expense not reimbursed by a work program or transitional day care (TDC) program. Child care expenses reimbursed or paid by a work program or TDC are not deductible.

### F. Household expenses:

(1) Shelter expenses:

(a) **Definition:** Continuing charges for the shelter occupied by a household include rent, mortgage payment, or other continuing charges leading to the ownership of the shelter, such as loan repayments for the purchase of a mobile home and interest on such payments. If payments are made on more than one mortgage on the home, each payment is counted for the period the payment is intended to cover. Security deposits on rental property and downpayments for the purchase of a home are not allowed as shelter expense deductions. Closing costs shall not be allowed as a shelter expense, unless the closing costs can be itemized to identify costs that are allowable deductions, such as insurance and property taxes.

(b) Excess shelter expense deduction: Monthly shelter expenses in excess of fifty percent (50%) of a household's income, after all other deductions have been allowed may be deducted, subject to the following restrictions:

(i) The shelter deduction may not exceed the maximum amount indicated in Paragraph (3) Subsection F of 8.139.500.8 NMAC, unless the household contains a member who is elderly or disabled, as defined.

(ii) Households may not claim shelter expenses if the expense shall be paid as a vendor payment by an individual or organization outside the household.

(iii) The household must be responsible for payment of the shelter expense; however the household need not have paid the expense to claim the deduction. A current billing statement is used to establish the expense. The expense may not be allowed more than once.

(2) **Taxes and insurance:** Property taxes, state and local assessments, and insurance on the structure itself, but not separate costs for insuring furniture or personal belongings, are deductible expenses.

(3) **Natural disasters:** Expenses for the repair of a home that has been substantially damaged or destroyed by a natural disaster such as fire or flood may be deducted. Expenses shall not be allowed if

the household has been or will be reimbursed by public or private relief agencies, insurance companies, or any other source. Expense deductions are limited to the repair of the home and not its furnishings.

#### (4) Costs of temporarily unoccupied home:

(a) If the home is temporarily unoccupied by a household because of employment or training away from home, illness, or abandonment caused by a natural disaster or casualty loss, the shelter costs for the home may be deducted. However, a household may claim only one SUA.

- (b) For costs of a home vacated by the household to be included in its shelter costs:
  - (i) the household must intend to return to the home;(ii) the current occupants of the home, if any, cannot be claiming shelter

expenses for food stamp purposes;

(iii) the home cannot be leased or rented during the household's absence.

(c) Verification is required of households claiming this deduction if the cost is questionable or would result in a deduction.

(5) **Maximum deduction limit adjustment:** The maximum deduction limit for excess shelter expenses will be revised as required by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, as follows: effective January 1, 1997 through September 30, 1998, the deduction will be \$250; from October 1, 1998 through September 30, 2000 the deduction will be \$275; and effective from October 1, 2000 the deduction will be \$300; and will remain so indefinitely.

(6) **Homeless shelter standard:** A household in which all household members are defined as homeless, within the definition at Paragraph (40) of Subsection A of 8.139.100.7 NMAC, shall be allowed the homeless shelter standard if the household incurs any shelter expenses at any time during the month.

(a) The homeless household may claim actual shelter expenses if the expenses exceed the homeless shelter standard and the expenses are verified. Verification standards at Subsection A of 8.100.130.15 NMAC and 8.100.130.9 NMAC shall be used to verify shelter expenses, as well as other reasonable documentation determined to establish the homeless household's actual expenses.

(b) The caseworker shall assist the homeless household in determining whether claiming the homeless shelter standard or actual expenses would be most beneficial to the household.

(c) The homeless shelter standard shall be deducted from the household's countable

net income.

### (7) Utility expenses:

(a) Allowable expenses for the mandatory utility standards: Allowable expenses that may be used to determine the mandatory utility standards include the cost of home heating or cooling; cooking fuel; electricity; water and sewerage; garbage and trash collection fees; the service fee for one telephone, including but not limited to, basic service fees, wire maintenance fees, subscriber line charges, relay center surcharges, 911 fees, taxes; and fees charged by the utility provider for initial installation of the utility.

(i) A one-time deposit is not allowed as a utility expense.

(ii) Expenses billed to a landlord or housing unit, but separately identifiable from the rent as an expense to the household, are allowable expenses.

(iii) A household shall not be allowed actual utility expenses, even if the expenses exceed the amount of the mandatory utility standard for which the household is eligible.

(iv) A household that is determined eligible for a mandatory utility standard deduction shall receive only one standard deduction during the household's food stamp certification period.

(b) Mandatory heating or cooling standard: A food stamp household shall be allowed the heating/cooling standard utility allowance (HCSUA) during the household's certification period. The HCSUA includes all utility expenses for heating or cooling the household's home. The household's heating or cooling expense must be billed separately from other shelter expenses. The HCSUA shall be allowed if the household:

(i) incurs a heating or cooling expense separate from other shelter

expenses; or

(ii) receives or received a direct payment or a payment is made on behalf of the household under the Low Income Home Energy Assistance Act of 1981; or

(iii) receives or received a payment or a payment is made on behalf of the household under any other similar energy assistance program as long as the household still incurs out-of-pocket heating or cooling expenses in excess of the energy assistance provided; or

(iv) lives in a public housing unit that has central utility meters, incurs a heating or cooling expense, and the household is charged only for excess heating or cooling usage.

(c) Mandatory limited utility standard: A food stamp household shall be allowed a limited utility allowance (LUA) if the household does not incur a heating or cooling expense but does incur two or more of the following expenses:

- (i) electricity or fuel, for purposes other than heating or cooling;
- **(ii)** water:
- (iii) sewerage;
- (iv) well and septic tank installation or maintenance;
- **(v)** garbage or trash collection; and
- (**vi**) one telephone.

Mandatory telephone standard: A food stamp household shall be allowed the (**d**) telephone standard if the household incurs an expense only for the telephone used by the household. The telephone standard shall be allowed for only one telephone charge for the residence.

**Child support deduction:** A deduction shall be allowed for child support payments paid by a G. household member to or for a non-household member, provided that the household member has a legal obligation to pay child support and such payments are being made.

(1) **Legal obligation and verification:** The household's legal obligation to pay child support, the amount of the obligation, and the monthly amount of child support the household actually pays shall be verified. Any document that verifies the household's legal obligation to pay child support, such as a court or administrative order, or legally enforceable separation agreement shall be acceptable verification. Documents that are accepted as verification of the household's legal obligation to pay child support shall not be accepted as verification of the household's actual monthly child support payments. Actual payment of child support shall be verified by documentation including, but not limited to, cancelled checks, wage withholding statements, verification of withholding from unemployment compensation, and statements from the custodial parent regarding direct payments or third party payments the non-custodial parent pays or expects to pay on behalf of the custodial parent. The department shall be responsible for obtaining verification of the household's child support payments if the payments are made to the child support enforcement division.

#### **Determining the deduction amount:**

Household with at least three months of payment history: Average the last (a) three month period, taking into account any anticipated changes in the legal obligation. This average is the child support deduction amount. In the event that the client has at least a three month payment history and the payment includes arrearages, the amount paid toward arrearages shall be used in the average.

Household with less than three months of payment history: The department **(b)** shall estimate the anticipated payments according to the obligation and discussion with the client. This anticipation shall not include payments toward arrearages.

#### H. Nondeductable expenses:

(2)

#### **Excluded reimbursement/vendor payments:** (1)

That portion of any allowable expense that is reimbursed to the household or (a) that is paid through a vendor payment to a third party is not allowable as a deduction.

Actual utility expense deductions or the SUA, as appropriate, shall be allowed **(b)** for households receiving payments from LIHEAP, or receiving energy assistance payments under a program other than LIHEAP, as long as the household continues to incur out-of-pocket expenses for home heating or cooling.

A reimbursement paid by HUD or FmHA to a household, or indirectly to a (c) utility provider, is not allowed as a deductible expense.

A household receiving HUD or FmHA utility reimbursements shall be entitled (**d**) to the SUA if it incurs heating or cooling costs exceeding the amount of excluded utility reimbursements. (2)

Household member provides service:

(a) When one household member pays another household member to provide a product or service, the money that is exchanged is neither an expense for one nor income for the other household member. Expenses are deductible only when a product or service is provided by someone outside the household and the household makes a money payment for the product or service.

**(b)** Similarly, income is not counted for one household member who is paid by another household member to obtain wood for home heating. The actual cost of the wood is allowed as a utility expense if an outside money payment is made. Money exchanged between household members is not considered income to the individual receiving the money and is not an expense to the member paying it.

Past due shelter expenses: Payment on delinquent rent, mortgage, property taxes or (3) utilities are not allowed as deductible expenses even if not previously billed.

#### This is an amendment to 8.139.120 NMAC, Section 9 effective 04/01/2022.

**8.139.120.9 SIMPLIFIED REPORTING:** All households will be assigned to simplified reporting (SR). Households must submit an interim report once every six or twelve months, depending on their certification period. Households assigned to a 12-month certification period have an interim report form due at six months. Households assigned to a 24-month certification period have an interim report form due at 12 months.

**A. Household Certification Periods:** A household that is approved for SNAP benefits shall be assigned the longest certification period possible in accordance with the household's circumstances. Households wherein all adult members are elderly or disabled, with no earned income, will be assigned a 24-month certification period. All other households will be assigned a 12-month certification period.

#### B. Household responsibility to turn in interim report form:

(1) A household assigned to a 12-month certification period shall be required to file an interim report form no later than the tenth day of the sixth month of the certification period in order to receive uninterrupted benefits.

C. Information that ISD is responsible to provide to households regarding simplified reporting: At the initial certification and at recertification, ISD shall provide the household with the following:

- (1) a written and oral explanation of how simplified reporting works;
- (2) a written and oral explanation of the reporting requirements including:
  - (a) what needs to be reported and verified;
  - (b) when the interim report form is due;
  - (c) how to obtain assistance; and
  - (d) the consequences of failing to file an interim report form.

(3) special assistance in completing and filing interim reports to households whose adult members are all either mentally or physically handicapped or are non-English speaking or otherwise lacking in reading and writing skills such that they cannot complete and file the required report; and

(4) a toll-free number which the household may call to ask questions or to obtain help in completing the interim report.

**D. Information requirements for the interim report form:** The interim report form will be written in clear, simple language, include information on the availability of a bilingual version of the document described in 7 CFR 272.4(b), and shall specify:

(1) the deadline date to submit the form to ISD to ensure uninterrupted benefits if the household is determined eligible;

(2) the consequences of submitting a late or incomplete form including whether ISD shall delay benefits if the form is not received by the due date;

(3) verification the household must submit with the form;

(4) a statement to be signed by a member of the household indicating his or her

understanding that the information provided may result in a reduction or termination of benefits;

(5) where to call for help in completing the form;

(6) a statement explaining that ISD will not change certain deductions until the household's next recertification and identify those deductions if ISD has chosen to disregard reported changes that affect certain deductions in accordance with paragraph (c) of section 7 CFR 273.12;

(7) a brief explanation of fraud penalties; and

(8) how the agency may use social security numbers.

E. The following information, along with required verification, must be returned to ISD with the interim report form:

(1) a change of more than one hundred dollars (\$100) in the amount of unearned income, except changes relating to public assistance (PA) or general assistance (GA) programs when jointly processed with SNAP cases;

(2) a change in the source of income, including starting or stopping a job or changing jobs, if the change in employment is accompanied by a change in income;

(3) changes in either:

(a) the wage rate or salary or a change in full-time or part-time employment status as defined in Subsection C of 8.102.461.11 NMAC, provided the household is certified for no more than six months;

(b) a change in the amount earned of more than one hundred dollars (\$100) a month from the amount last used to calculate the household's allotment, provided the household is certified for no more than six months.

(4) all changes in household composition, such as the addition or loss of a household

member;

or

(5) changes in residence and the resulting shelter costs;

(6) the acquisition of a licensed vehicle, unless the household is categorically eligible as defined at Sections 8 and 9 of 8.139.420 NMAC or the vehicle is not fully excludable under 8.139.527 NMAC;

(7) when cash on hand, stocks, bonds and money in a bank account or savings institution reach or exceed the resource limit set at 8.139.510.8 NMAC, unless the household is categorically eligible as defined at Sections 8 and 9 of 8.139.420 NMAC;

(8) changes in the legal obligation to pay child support;

(9) for able-bodied adults subject to the time limit of 7 CFR 273.24, any changes in work

hours that bring an individual below 20 hours per week, averaged monthly, as defined in 7 CFR 273.24(a)(1)(i); and (10) In accordance with 7 CFR 273.12(a)(2), SNAP households must report substantial lottery

and gambling winnings;

(a) if the substantial lottery and gambling winning is won by multiple beneficiaries and is over the elderly and disabled resource standard, each SNAP member's share must be reported;

(b) if the winning is less than the elderly and disabled resource standard it does not need to be reported;

#### F. ISD's responsibility with interim report forms:

(1) Interim report form is not received: If a household fails to file a report by the specific filing date, defined in Subsection B of 8.139.120.9 NMAC, ISD will send a notice to the household advising of the missing report no later than 10 calendar days from the date the report should have been submitted. If the household does not respond to the notice, the household's participation shall be terminated.

#### (2) Incomplete interim report form is received:

- (a) An interim report form that is not signed shall be returned to the household for a signature. The household:
  - (i) shall be notified that the form is incomplete;
  - (ii) what needs to be completed to complete the interim report form; and
  - (iii) shall be given 10 calendar days to provide the signed interim report

form to be reviewed for completeness.

(3)

(b) An interim report form that is incomplete because required verification is not provided shall not be returned to the household. The household:

(i) shall be notified that the form is incomplete;(ii) what information must be provided to complete the interim report form;

and

(iii) shall be given 10 calendar days to provide the verification to process

the interim report form.

#### Complete interim report form is received:

(a) A form that is complete and all verifications are provided, shall be processed within 10 calendar days of receipt.

(b) A form that is complete, and all verifications are provided except for verification of an allowable deduction, shall be processed, unless the verification is otherwise questionable, in accordance with 8.100.130.12 NMAC. The household:

- (i) shall be notified that verification is questionable; and
- (ii) shall be given 10 calendar days to provide the verification to process

the allowable deduction.

(c) A deduction that is verified within the month the interim report form is due shall be processed as part of the interim report form.

(d) A deduction that is verified in the month after the interim report form is due shall be processed as a change reported by the household.

(e) If the household files a timely and complete report resulting in reduction or termination of benefits, ISD shall send a notice of case action. The notice must be issued so that the household will receive it no later than the time that its benefits are normally received. If the household fails to provide sufficient

2

information or verification regarding a deductible expense, ISD will not terminate the household, but will instead determine the household's benefits excluding the deduction from the benefit calculation.

**G.** Changes that must be reported at any time during certification period: Households must report changes no later than 10 days from the end of the calendar month in which the change occurred, provided that the household has at least 10 calendar days within which to report the change. If there are not 10 days remaining in the month, the household must report within 10 days from the date the work hours fall below 20 hours per week, averaged monthly or when income exceeding the gross federal poverty limit as mentioned below is first received. The interim report form is the sole reporting requirement for any information that is required to be reported on the form, except that a household must report at any time during the certification period:

(1) the household must report when its monthly gross income exceeds one hundred thirty percent of poverty level. A categorically eligible household defined in accordance with 8.139.420.8 NMAC, must report when its monthly gross income exceeds one hundred sixty-five percent of poverty level. The household shall use the monthly gross income limit for the household size that existed at the time of certification or recertification regardless of any subsequent changes to its household size; and

(2) able-bodied adults subject to the time limit in accordance with 7 CFR 273.24 shall report whenever their work hours fall below 20 hours per week, averaged monthly.

(3) in accordance with 7 CFR 273.12(a)(2), SNAP households must report substantial lottery and gambling winnings within 10 days of the end of the month in which the household received the winnings.

(a) if the substantial lottery and gambling winning is won by multiple beneficiaries and is over the elderly and disabled resource standard, each SNAP member's share must be reported.

(b) if the winning is less than the elderly and disabled resource standard it does not need to be reported.

**H.** Action on changes reported outside of the interim report form: In addition to changes that must be reported in accordance with Subsection G of 8.139.120.9 NMAC, ISD must act on changes in between interim report forms, if it would increase the household's benefits. ISD shall not act on changes that would result in a decrease in the household's benefits unless:

(1) The household has voluntarily requested that its case be closed.

(2) ISD has information about the household's circumstances considered verified upon receipt. Verified upon receipt is defined:

(a) information is not questionable; and

(b) the provider of the information is the primary source of information; or

(c) the recipient's attestation exactly matches the information received from a third

party.

(3) A household member has been identified as a fleeing felon or probation violator in accordance with 7 CFR 273.11(n);

(4) There has been a change in the household's cash grant, or where cash and SNAP cases are jointly processed in accordance with 7 CFR 273.2(j)(2).

**I. Responsibilities on reported changes outside of the interim report form:** When a household reports a change, ISD shall take action to determine the household's eligibility or SNAP benefit amount within 10 working days of the date the change is reported.

(1) During the certification period, action shall not be taken on changes to medical expenses of households eligible for the medical expense deduction which ISD learns of from a source other than the household and which, in order to take action, requires ISD to contact the household for verification. ISD shall act only on those changes in medical expenses that it learns about from a source other than the household, if those changes are verified upon receipt and do not necessitate contact with the household.

(2) **Decreased or termination of benefits:** For reported and verified changes that result in a decrease or termination of household benefits, ISD shall act on the change as follows:

(a) Issue a notice of adverse action within 10 calendar days of the date the change was reported and verified unless one of the exemptions to the notice of adverse action in 7 CFR 273.13 (a)(3) or (b) applies.

(b) When a notice of adverse action is used, the decrease in the benefit level shall be made effective no later than the allotment for the month following the month in which the notice of adverse action period has expired, provided a fair hearing and continuation of benefits have not been requested.

(c) When a notice of adverse action is not used due to one of the exemptions in 7 CFR 273.13 (a)(3) or (b), the decrease shall be made effective no later than the month following the change. Verification which is required by 7 CFR 273.2(f) must be obtained prior to recertification.

(3) **Increased benefits:** For reported and verified changes that result in an increase of household benefits, ISD shall act on the change as follows:

(a) For changes which result in an increase in a household's benefits, other than changes described in paragraph (b) of this section, ISD shall make the change effective no later than the first allotment issued 10 calendar days after the date the change was reported to ISD.

(b) For changes which result in an increase in a household's benefits due to the addition of a new household member who is not a member of another certified household, or due to a decrease of fifty dollars (\$50) or more in the household's gross monthly income, ISD shall make the change effective not later than the first allotment issued 10 calendar days after the date the change was reported.

(i) In no event shall these changes take effect any later than the month following the month in which the change is reported.

(ii) If the change is reported after the last day to make changes and it is too late for ISD to adjust the following month's allotment, ISD shall issue a supplement or otherwise provide an opportunity for the household to obtain the increase in benefits by the tenth day of the following month, or the household's normal issuance cycle in that month, whichever is later.

(4) No change in SNAP benefit amount: When a reported change has no effect on the SNAP benefit amount, ISD shall document the change in the case file and notify the household of the receipt of the report.

(5) **Providing verification:** The household shall be allowed 10 calendar days from the date a change is reported to provide verification, if necessary. If verification is provided at the time a change is reported or by the deadline date, the increase in benefits shall be effective in accordance with (a) and (b) above. If the household fails to provide the verification by the deadline date, but does provide it at a later date, the increase shall be effective in the month following the month the verification is provided. If the household fails to provide necessary verification, its' SNAP benefit amount shall revert to the original benefit amount.

J. Resolving unclear information:

(1) During the certification period, ISD may obtain information about changes in a household's circumstances from which ISD cannot readily determine the effect of the change on the household's benefit amount. The information may be received from a third party or from the household itself. ISD must pursue clarification and verification of household circumstances using the following procedure if unclear information received outside the periodic report is:

(a) information fewer than 60 days old relative to the current month of participation;

(b) if accurate, would have been required to be reported under simplified reporting rules, in accordance with 8.139.120.9 NMAC.

(c) ISD must pursue clarification and verification of household circumstances in accordance with the process outlined in Subsection B of 8.100.130.12 NMAC, for any unclear information that appears to present significantly conflicting information from that used by ISD, at the time of certification.

(2) Unclear information resulting from certain data matches:

(a) if the department receives match information from a trusted data source as described in 7 CFR 272.13 or 7 CFR 272.14, ISD shall send a notice in accordance with Subsection B of 8.100.130.12 NMAC in accordance with 7 CFR 272.13(b)(4) and 7 CFR 272.14 (c)(4). The notices must clearly explain what information is needed from the household and the consequences of failing to respond to the notice.

(b) if the household fails to respond to the notice or does respond but refuses to provide sufficient information to clarify its circumstances, ISD shall remove the individual and the individual's income from the household and adjust benefits accordingly. As appropriate, ISD shall issue a notice of adverse action.

**K. Failure to report changes:** If ISD discovers that the household failed to report a change as required, ISD shall evaluate the change to determine whether the household received benefits to which it was not entitled or if the household is entitled to an increased benefit amount.

(1) **Decreased benefit amount:** After verifying the change, ISD shall initiate a claim against the household for any month in which the household was over issued SNAP benefits. The first month of the over issuance is the month following the month the adverse action notice time limit would have expired had the household timely reported the change. If the discovery is made within the certification period, the household is entitled to a notice of adverse action if its benefits will be reduced. No claim shall be established because of a change in circumstances that a household is not required to report in accordance with Subsection G of 8.139.120.9 NMAC above.

and,

(2) **Increased benefit amount:** When a household fails to make a timely report of a change which will result in an increased SNAP benefit amount, the household is not entitled to a supplement for any month prior to and including the month in which the change was reported. The household is entitled to an increased benefit amount effective no later than the first benefit amount issued 10 calendar days after the date the change was reported.
