SUBJECT: TEMPORARY ECONOMIC RECOVERY PAYMENT INCREASE FOR HOME AND COMMUNITY BASED SERVICES (HCBS)

The New Mexico Human Services Department (HSD), Medical Assistance Division (MAD) is issuing this Supplement to implement a temporary economic recovery payment rate increase of fifteen percent (15%) for specific Home and Community Based Services (HCBS) as part of Proposal W.2 from HSD's Spending Plan for the Implementation of the American Rescue Plan Act of 2021, Section 9817. These providers were essential to helping so many New Mexicans stay safely in their homes throughout the COVID-19 pandemic. This temporary economic recovery payment is intended to support agencies who have had additional costs resulting from the pandemic and to be passed on to direct care providers.

The 15% rate increase will be applied for dates of service from May 1, 2021, to June 30, 2022.

Early and Periodic Screening, Diagnostic and Treatment (EPSDT) Benefit Services

HSD will apply a 15% economic recovery payment increase to providers of Private Duty Nursing (PDN) and Personal Care Services (PCS) under the EPSDT benefit as described in NMAC 8.308.9.15 and mass adjust any Fee for Service (FFS) claims retroactively for dates of service from May 1, 2021, through June 30, 2022.
