RE: Selection of New County Director – South Dona Ana ISD
DATE: June 26, 2014

I would like to announce the selection of Farrah Lopez as the new County Director for the South Dona Ana Office.

Farah Lopez started her career with Human Services Department in June 2005 as a Wage Subsidy Clerk for ISD and then promoted to FAA I in January 2006, FAA II in October 2008, and then to a Line Manager II in May 2012. Farrah holds a Bachelor's Degree in Business Administration. Farrah has been very instrumental in ensuring the E. Dona Office was prepared for the ASPEN system. She has been invaluable in ensuring that both the process model and ASPEN system work hand-in-hand.

Please join me in congratulating and welcoming Farrah to her new role as the South Dona Ana ISD County Director which will be effective July 5, 2015.
