I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of funding multiple organizations that help build sustainability and expanded reach of obesity prevention efforts through impactful systems and environmental changes in 1) the school setting; and 2) the community setting. All projects support health-promoting behaviors and are consistent with the United States Department of Agriculture (USDA) Food and Nutrition Services (FNS) goal to improve the likelihood that persons eligible for SNAP will make healthy food choices within a limited budget and choose physically active lifestyles consistent with the current DGA and the USDA. The FNS stipulates that SNAP-Ed funds may be used for implementing strategies or interventions, among other health promotion efforts, to help the SNAP-Ed target audience establish healthy eating habits and physically active lifestyles as primary tools for prevention or postponement of nutrition-related chronic diseases such as obesity.

B. BACKGROUND INFORMATION

This section provides background on the HSD/FANS/SNAP-Ed (Supplemental Nutritional Assistance Program Education) program that may be helpful to Offerors in preparing a proposal. The information is provided as an overview and is not intended to be a complete and exhaustive description.

The New Mexico Human Services Department (HSD) administers many state and federal programs through its Income Support Division. One such program is SNAP-Ed (Supplemental Nutritional Assistance Program Education). HSD is the approved implementing agency for the state of New Mexico and finds that by implementing projects through collaborative efforts with partners, goals and objectives can be more readily attained while maximizing resources. HSD has managed the New Mexico SNAP-Ed program since 2016.

1. HSD Goals:
 - Improve the value and range of services we provide to ensure that every qualified New Mexican receives timely and accurate benefits.
 - Create effective, transparent communication to enhance the public trust.
 - Successfully implement technology to give customers and staff the best and most convenient access to services and information.
 - Promote an environment of mutual respect, trust, and open communication for staff to grow and reach our professional goals.
2. HSD Mission:

To transform lives. Working with our partners, we design and deliver innovative, high quality health and human services that improve the security and promote independence for New Mexicans in their communities.

Childhood and adult obesity and overweight rates are excessive, both nationally and in New Mexico with significant disparities existing among racial and ethnic sub-populations. The New Mexico Department of Health (DOH) has identified obesity as a super-priority due to high prevalence rates. In 2018, through Body Mass Index (BMI) surveillance, DOH reported that 26.2% of kindergarten and 36.3% of third grade students were overweight or obese. This compares to only 15% of children being recorded as overweight or obese in the 1970's.

Obesity rates among children in NM ages 10 to 17 is 15.2% per the Robert Wood Johnson Foundation. Per the NM Department of Health, obesity prevalence continues to increase substantially for children between the grades of kindergarten and third grade. American Indian and Hispanic obesity prevalence continues to be of greatest concern in New Mexico and these target audiences must be included in nutrition and physical education activities.

The current contracts were awarded for a four (4) year duration. These four (4) year contracts are due to expire September 30, 2021.

C. SCOPE OF PROCUREMENT

This procurement is being conducted to obtain Nutrition Education for the Supplemental Nutrition Assistance Program (SNAP) for adults and school children in the Santa Fe and Albuquerque areas and to other counties throughout the state. The SNAP Nutrition Education Program (SNAP- Ed) provides SNAP and SNAP-eligible clients with information and training on making healthy choices. It provides direct education to adults and children through food demonstrations and cooking classes using healthy foods and beverages. It promotes policy, system, and environmental (PSE) interventions through a series of trainings, establishing ongoing changes and access to healthy foods as well as to information.

The term of this Contract shall be for one (1) year from date of award with the option to extend for a period of three (3) additional years, on a year-to-year basis, by mutual agreement of all parties and approval of the New Mexico State Purchasing Agent at the same terms and conditions. This Contract shall not exceed four (4) years in accordance with NMSA 1978 §13-1-150. An award shall be made to the responsible Offeror(s) whose proposal(s) is (are) most advantageous to the HSD, taking into consideration the evaluation factors set forth in the RFP.

The resulting may be multiple awards. Award(s) will be based per scope of work.

This procurement will result in a contractual agreement between two parties; the procurement may ONLY be used by those two parties exclusively.

Open packages submitted will not be accepted except for packages that may have been damaged by the delivery service itself. The State reserves the right, however, to accept or

reject packages where there may have been damage done by the delivery service itself. Whether a package has been damaged by the delivery service or left unfastened and should or should not be accepted is a determination to be made by the Procurement Manager. 2. Incurring Cost

Any cost incurred by the potential Offeror in preparation, transmittal, and/or presentation of any proposal or material submitted in response to this RFP shall be borne solely by the Offeror. Any cost incurred by the Offeror for set up and demonstration of the proposed equipment and/or system shall be borne solely by the Offeror.

3. Prime Contractor Responsibility

Any contractual agreement that may result from this RFP shall specify that the prime contractor is solely responsible for fulfillment of all requirements of the contractual agreement with a State Agency which may derive from this RFP. The State Agency entering into a contractual agreement with a vendor will make payments to only the prime contractor.

4. Subcontractors/Consent

The use of subcontractors is allowed. The prime contractor shall be wholly responsible for the entire performance of the contractual agreement whether or not subcontractors are used. Additionally, the prime contractor must receive approval, in writing, from the agency awarding any resultant contract before any subcontractor is used during the term of this agreement.

5. Amended Proposals

An Offeror may modify their proposal before the deadline for receipt of proposals through the Procurement Portal [New Mexico Human Services Department \(bonfirehub.com\)](http://New Mexico Human Services Department (bonfirehub.com))

Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. **Human Services personnel will not merge, collate, or assemble proposal materials.**

6. Offeror's Rights to Withdraw Proposal

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Offeror must submit a written withdrawal request addressed to the Procurement Manager and signed by the Offeror's duly authorized representative.

The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulations, 1.4.1.5 & 1.4.1.36 NMAC.

7. Proposal Offer Firm

Responses to this RFP, including proposal prices for services, will be considered firm for one-hundred twenty (120) days after the due date for receipt of proposals or ninety (90) days after the due date for the receipt of a best and final offer, if the Offeror is invited or required to submit one.

8. Disclosure of Proposal Contents

The contents of all submitted proposals will be kept confidential until the final award has been completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be available for public inspection, *except* for proprietary or confidential material as follows:

- a. ***Proprietary and Confidential information is restricted to:***
 1. confidential financial information concerning the Offeror's organization; and
 2. information that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, §§57-3A-1 through 57-3A-7, NMSA 1978.
- b. An additional but separate redacted version of Offeror's proposal, as outlined and identified in Sections III.B.1.a.i and III.B.2.a.i, shall be submitted containing the blacked-out proprietary or confidential information, in order to facilitate eventual public inspection of the non-confidential version of Offeror's proposal.

IMPORTANT: The price of products offered, or the cost of services proposed **SHALL NOT** be designated as proprietary or confidential information.

If a request is received for disclosure of proprietary or confidential materials, the Agency shall examine the request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of proprietary or confidential information.

9. No Obligation

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

10. Termination

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the Agency determines such action to be in the best interest of the State of New Mexico.

11. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The Agency's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12. Legal Review

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

13. Governing Law

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

14. Basis for Proposal

Only information supplied in writing by the Procurement Manager or contained in this RFP shall be used as the basis for the preparation of Offeror proposals.

15. Contract Terms and Conditions

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Draft Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Draft Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. See Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in §13-1-83 and §13-1-85, NMSA 1978.

19. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities, as defined in Section I.F.20. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that **all** of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Contractor Representatives

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

21. Notice of Penalties

The Procurement Code, §§13-1-28 through 13-1-199, NMSA 1978, imposes civil, and misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

22. Agency Rights

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

23. Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the State of New Mexico. If the RFP is cancelled, all responses received shall be destroyed by the Agency unless the Offeror either picks up, or arranges for pick-up, the materials within three (3) business days of notification of the cancellation. Offeror is responsible for all costs involved in return mailing/shipping of proposals.

25. Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not

be made available to any individual or organization by the contractor without the prior written approval of the Agency.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Agency's written permission.

Table 1: Evaluation Point Summary

B. EVALUATION FACTORS

1. B.1 Organizational Experience (See Table 1)

Points will be awarded based on the thoroughness and clarity of Offeror’s response in this Section. The Evaluation Committee will also weigh the relevancy and extent of Offeror’s experience, expertise, and knowledge; and of personnel education, experience, and certifications/licenses. In addition, points will be awarded based on Offeror’s candid and well-thought-out response to successes and failures, as well as the ability of the Offeror to learn from its failures and grow from its successes.

2. B.2 Organizational References (See Table 1)

Points will be awarded based upon an evaluation of the responses to a series of questions on the Organizational Reference Questionnaire (Appendix F). Offeror will be evaluated on references that show positive service history, successful execution of services and evidence

of satisfaction by each reference. References indicating significantly similar services/scopes of work and comments provided by a submitted reference will add weight and value to a recommendation during the evaluation process. Points will be awarded for each individual response up to 1/3 of the total points for this category. Lack of a response will receive zero (0) points.

The Evaluation Committee may contact any or all business references for validation of information submitted. 3. B.3 Desirable Specifications

Points will be awarded based on the thoroughness and clarity of the response of the engagements cited. The Evaluation Committee will weigh relevant Offeror’s proposed plans and how they meet the State and Federal guidelines regarding nutritional education.

Pass/Fail only. No points assigned.

5. C.2 Campaign Contribution Disclosure Form (See Table 1)

Pass/Fail only. No points assigned.

6. C.3 Cost (See Table 1)

Points will be awarded based on Offeror’s (a) proposed costs on the Cost Response Form and (b) Cost Justification.

C.3.a. Completed Cost Response Form – (See Table 1)

The evaluation of each Offeror’s cost proposal will be conducted using the following formula:

$$\frac{\text{Lowest Responsive Offeror's Cost}}{\text{Each Offeror's Cost}} \times \text{Available Award Points}$$

Although awardees will be granted a multi-year contract, the first year’s budget request is the amount that will be considered for this formula.

C.3.b. Cost Justification – (See Table 1)

Points will be awarded based on the following criteria:

Projects must be cost efficient and allowable per SNAP-Ed guidelines as well as;

- **Specific:** Identifies a specific event or action that will take place;
- **Measurable:** Quantifies the amount of change to be achieved;
- **Appropriate:** Logical and relates to the State's nutrition education goals;

2. The Procurement Manager may contact the Offeror for clarification of the response as specified in Section II. B.7.
3. Responsive proposals will be evaluated on the factors in Section IV, which have been assigned a point value in Section V. The responsible Offerors with the highest scores will be selected as finalist Offerors, based upon the proposals submitted. In accordance with 13-1-117 NMSA 1978, the responsible Offerors whose proposals are most advantageous to the State taking into consideration the Evaluation Factors in Section V will be recommended for award (as specified in Section II.B.12). This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two-year period.

Furthermore, the state agency or local public body shall void an executed contract or cancel a solicitation or proposed award for a proposed contract if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

THIS FORM MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to either statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

“Family member” means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law.

“Pendency of the procurement process” means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals. “Person” means any corporation, partnership, individual, joint venture, association or any other private legal entity.

STATE OF NEW MEXICO
HUMAN SERVICES DEPARTMENT
PROFESSIONAL SERVICES CONTRACT

THIS PROFESSIONAL SERVICES AGREEMENT (“Agreement” or “Contract”) is made by and between the State of New Mexico, **Human Services Department**, hereinafter referred to as the “HSD,” and **Contractor**, hereinafter referred to as the “Contractor”, and is effective as of the date set forth below upon which it is executed by the General Services Department/State Purchasing Division (GSD/SPD Contracts Review Bureau).

IT IS AGREED BETWEEN THE PARTIES:

1. Scope of Work.

The Contractor shall perform all services detailed in Exhibit A, Scope of Work, attached to this Agreement and incorporated herein by reference.

A. The HSD shall pay to the Contractor in full payment for services satisfactorily performed at the rate of _____ dollars (\$_____) per hour (OR BASED UPON DELIVERABLES, MILESTONES, BUDGET, ETC.), such compensation not to exceed (AMOUNT), excluding gross receipts tax. The total amount payable to the Contractor under this Agreement, including gross receipts tax, if applicable, shall not exceed (AMOUNT). This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the HSD when the services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Agreement being amended in writing prior to those services in excess of the total compensation amount being provided.

B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the GSD/SPD. All invoices MUST BE received by the HSD no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

(—OR— CHOICE – MULTI-YEAR)

A. The HSD shall pay to the Contractor in full payment for services satisfactorily performed pursuant to the Scope of Work at the rate of _____ dollars (\$_____) in FYXX (USE FISCAL YEAR NUMBER TO DESCRIBE YEAR; DO NOT USE FY1, FY2, ETC.). The New Mexico gross receipts tax levied on the amounts payable under this Agreement in FYXX totaling (AMOUNT) shall be paid by the HSD to the Contractor. **The total amount payable to the Contractor under this Agreement, including gross receipts tax and expenses, shall not exceed (AMOUNT) in FYXX.**

(REPEAT LANGUAGE FOR EACH FISCAL YEAR COVERED BY THE AGREEMENT -- USE FISCAL YEAR NUMBER TO DESCRIBE EACH YEAR; DO NOT USE FY1, FY2, ETC.).

B. Payment in FYXX, FYXX, FYXX, and FYXX is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the SPD/CRB. All invoices MUST BE received by the HSD no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the HSD finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the HSD that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the HSD shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

3. Term.

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE GSD/SPD Contracts Review Bureau. This Agreement shall terminate on (Date), unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). In accordance with NMSA 1978, § 13-1-150, no contract term for a professional services contract, including extensions and renewals, shall exceed four years, except as set forth in NMSA 1978, § 13-1-150.

4. Termination.

A. Grounds. The HSD may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the HSD's uncured, material breach of this Agreement.

B. Notice; HSD Opportunity to Cure.

1. Except as otherwise provided in Paragraph (4)(B)(3), the HSD shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2. Contractor shall give HSD written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the HSD's material breaches of this Agreement upon which the termination is based and (ii) state what they must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the HSD does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the HSD does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

contracted for, as determined by the HSD; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the State Purchasing Agent; or (iii) the Agreement is terminated pursuant to Paragraph 5, "Appropriations", of this Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the HSD's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE HSD'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

D. Termination Management. Immediately upon receipt by either the HSD or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the HSD; 2) comply with all directives issued by the HSD in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the HSD shall direct for the protection, preservation, retention or transfer of all property titled to the HSD and records generated under this Agreement. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the HSD upon termination and shall be submitted to the HSD as soon as practicable.

5. Appropriations.

The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, this Agreement shall terminate immediately upon written notice being given by the HSD to the Contractor. The HSD's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of state vehicles, or any other benefits afforded to employees of the State of New Mexico as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. 8. Subcontracting.

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the HSD. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the HSD.

9. Release.

Final payment of the amounts due under this Agreement shall operate as a release of the HSD, its officers and employees, and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

10. Confidentiality.

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the HSD.

C. Contractor's representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the HSD relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the HSD if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. D. All terms defined in the Governmental Conduct Act have the same meaning in this Article 12(B).

13. Amendment.

B. Contractor agrees that granting access to PHI and PII must be preceded by certifying that each individual understands the HSD's applicable security policy and procedures for safeguarding PHI and PII. Contractors must maintain their authorization to access PHI and PII through annual recertification. The initial certification and recertification must be documented and placed in the agency's files for review.

32. **Inspection.**

The HSD shall have the right, with 24 hour notice, to send its inspectors into the offices and plants of the Contractor to inspect the facilities and operations provided for the performance of any work related to PHI and PII under this Agreement. 3. Business Associate Obligations for Notification, Risk Assessment, and Mitigation

During the term of this BAA or PSC ____, the Business Associate shall be required to perform the following pursuant to the Breach Notification Rule regarding Breach Notification, Risk Assessment and Mitigation:

Notification

- a. Business Associate agrees to report to the Department Contract Manager or HIPAA Privacy and Security Officer any use or disclosure of PHI not provided for by this BAA or PSC ____, and HIPAA Standards, including breaches of unsecured PHI as required by 45 C.F.R. § 164.410, as soon as it (or any employee or agent) becomes aware of the Breach, and in no case later than three (3) business days after it (or any employee or agent) becomes aware of the Breach, except when a government official determines that a notification would impede a criminal investigation or cause damage to national security.
- b. Business Associate shall provide the Department with the names of the individuals whose unsecured PHI has been, or is reasonably believed to have been, the subject of the Breach and any other available information that is required to be given to the affected individuals, as set forth in 45 CFR §164.404(c), and, if requested by the Department, provide information necessary for the Department to investigate promptly the impermissible use or disclosure. Business Associate shall continue to provide to the Department information concerning the Breach as it becomes available to it, and shall also provide such assistance and further information as is reasonably requested by the Department.

Risk Assessment

- c. When Business Associate determines whether an impermissible acquisition, use or disclosure of PHI by an employee or agent poses a low probability of the PHI being compromised, it shall document its assessment of risk in accordance with 45 C.F.R. § 164.402 (in definition of “Breach”, ¶ 2) based on at least the following factors: (i) the nature

and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification; (ii) the unauthorized person who used the protected health information or to whom the disclosure was made; (iii) whether the protected health information was actually acquired or viewed; and (iv) the extent to which the risk to the protected health information has been mitigated. Such assessment shall include: 1) the name of the person(s) making the assessment, 2) a brief summary of the facts, and 3) a brief statement of the reasons documenting the determination of risk of the PHI being compromised. When requested by the Department, Business Associate shall make its risk assessments available to the Department.

- d. If the Department determines that an impermissible acquisition, access, use or disclosure of PHI, for which one of Business Associate's employees or agents was responsible, constitutes a Breach, and if requested by the Department, Business Associate shall provide notice to the individuals whose PHI was the subject of the Breach. When requested to provide notice, Business Associate shall consult with the Department about the timeliness, content and method of notice, and shall receive the Department's approval concerning these elements. The cost of notice and related remedies shall be borne by Business Associate. The notice to affected individuals shall be provided as soon as reasonably possible and in no case later than 60 calendar days after Business Associate reported the Breach to the Department.

Mitigation

- e. In addition to the above duties in this section, Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI, by Business Associate in violation of the requirements of this Agreement or the HIPAA Standards. Business Associate shall draft and carry out a plan of corrective action to address any incident of impermissible use or disclosure of PHI. If requested by the Department, Business Associate shall make its mitigation and corrective action plans available to the Department.
- f. The notice to affected individuals shall be written in plain language and shall include, to the extent possible, 1) a brief description of the Breach, 2) a description of the types of Unsecured PHI that were involved in the Breach, 3) any steps individuals can take to protect themselves from potential harm resulting from the Breach, 4) a brief description of what the Business Associate and the Department are doing to investigate the Breach, to mitigate harm to individuals and to protect against further Breaches, and 5) contact procedures for individuals to ask questions or obtain additional information, as set forth in 45 CFR §164.404(c).

Notification to Clients

- g. Business Associates shall notify individuals of Breaches as specified in 45 CFR §164.404(d) (methods of individual notice). In addition, when a Breach involves more than 500 residents of a State or jurisdiction, Business Associate shall, if requested by the Department, notify prominent media outlets serving such location(s), following the requirements set forth in 45 CFR §164.406.

4. Obligations of the Department to Inform Business Associate of Privacy Practices and Restrictions

- a. The Department shall notify Business Associate of any limitation(s) in the Department's Notice of Privacy Practices, implemented in accordance with 45 CFR § 164.520, to the extent that such limitation may affect Business Associate's use or disclosure of PHI.
- b. The Department shall notify Business Associate of any changes in, or revocation of, permission by an Individual to use or disclose PHI, to the extent that such changes may affect Business Associate's use or disclosure of PHI.
- c. The Department shall notify Business Associate of any restriction in the use or disclosure of PHI that the Department has agreed to in accordance with 45 CFR § 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.
- d. The Department shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by the Department.

5. Term and Termination

- a. Term. This BAA terminates concurrently with PSC _____, except that obligations of Business Associate under this BAA related to final disposition of PHI in this Section 5 shall survive until resolved as set forth immediately below.
- b. Disposition of PHI upon Termination. Upon termination of this PSC ____ and BAA for any reason, Business Associate shall return or destroy all PHI in its possession, and shall retain no copies of the PHI. In the event that Business Associate determines that returning or destroying the PHI is not feasible, Business Associate shall provide to the Department notification of the conditions that make return or destruction of PHI not feasible. Upon consideration and mutual agreement of the Parties that return or destruction of the PHI is infeasible, Business Associate shall agree, and require that its agents, affiliates, subsidiaries and subcontractors agree, to the extension of all protections, limitations and restrictions required of Business Associate hereunder.
- c. If Business Associate breaches any material term of this BAA, the Department may either:
 - i. provide an opportunity for Business Associate to cure the Breach and the Department may terminate this PSC ____ and BAA without liability or penalty in accordance with Article 4, Termination, of PSC _____, if Business Associate does not cure the breach within the time specified by the Department; or,
 - ii. immediately terminate this PSC ____ without liability or penalty if the Department determines that cure is not reasonably possible; or,
 - iii. if neither termination nor cure are feasible, the Department shall report the breach to the Secretary.

The Department has the right to seek to cure any breach by Business Associate and this right, regardless of whether the Department cures such breach, does not lessen any right or remedy available to the Department at law, in equity, or under this BAA or PSC _____, nor does it lessen Business Associate's responsibility for such breach or its duty to cure such breach.

6. Penalties and Training.

Business Associate understands and acknowledges that violations of this BAA or PSC ____ may result in notification by the Department to law enforcement officials and regulatory, accreditation, and licensure organizations. If requested by the Department, Business Associate shall participate in training regarding use, confidentiality, and security of PHI.

7. Miscellaneous

- a. Interpretation. Any ambiguity in this BAA, or any inconsistency between the provisions of this BAA or PSC ____, shall be resolved to permit the Department to comply with the HIPAA Standards.
- b. Business Associate's Compliance with HIPAA. The Department makes no warranty or representation that compliance by Business Associate with this BAA or the HIPAA Standards will be adequate or satisfactory for Business Associate's own purposes or that any information in Business Associate's possession or control, or transmitted or received by Business Associate, is or will be secure from unauthorized use or disclosure. Business Associate is solely responsible for all decisions made by Business Associate regarding the safeguarding of PHI.
- c. Change in Law. In the event there are subsequent changes or clarifications of statutes, regulations or rules relating to this BAA or PSC ____, the Department shall notify Business Associate of any actions it reasonably deems necessary to comply with such changes, and Business Associate shall promptly take such actions. In the event there is a change in federal or state laws, rules or regulations, or in the interpretation of any such laws, rules, regulations or general instructions, which may render any of the material terms of this BAA unlawful or unenforceable, or which materially affects any financial arrangement contained in this BAA, the parties shall attempt amendment of this BAA to accommodate such changes or interpretations. If the parties are unable to agree, or if amendment is not possible, the parties may terminate the BAA and PSC ____ pursuant to its termination provisions.
- d. No Third Party Beneficiaries. Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Department, Business Associate and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.
- e. Assistance in Litigation or Administrative Proceedings. Business Associate shall make itself and any agents, affiliates, subsidiaries, subcontractors or workforce members assisting Business Associate in the fulfillment of its obligations under this BAA and PSC ____ available to the Department, at no cost to the Department, to testify as witnesses or otherwise in the event that litigation or an administrative proceeding is commenced against the Department or its employees based upon claimed violation of the HIPAA standards or other laws relating to security and privacy, where such claimed violation is alleged to arise from Business Associate's performance under this BAA or PSC ____, except where Business Associate or its agents, affiliates, subsidiaries, subcontractors or employees are named adverse parties.

- f. Additional Obligations. Department and Business Associate agree that to the extent not incorporated or referenced in any Business Associate Agreement between them, other requirements applicable to either or both that are required by the HIPAA Standards, those requirements are incorporated herein by reference.
